CME Disclosure Form- 2023 activities

Mohamad Mohty

All persons who may impact the content of a CME activity, including faculty and planners, are required to fully disclose current and recent financial relationships with commercial interests. A conflict of interest may be considered to exist if such a person has financial relationships with any non-eligible entities (commercial interests) that may have a direct impact on the content of the program. Financial relationship is defined as being a shareholder, consultant, grant recipient, research participant, employee, and/or recipient of other financial or material support. Recent is defined as **within the past 12 months**. The participants in this CME activity must be made aware of any such financial relationships(s).

This disclosure policy is intended to protect all parties involved from any potential conflict of interest that may arise.

Program Title: IACH Webinar Series
