

INFORMATION SENT TO ALL SPEAKERS:

LECTURE ABSTRACT, BIOGRAPHY & DISCLOSURE OF INTEREST (FOR SPEAKERS ONLY)

- Abstract summaries are very helpful in order for delegates to fully benefit from the lectures. To this end, we kindly ask for a short, succinct abstract of your presentation. This should contain the main elements of your lecture and should emphasise the key messages that you wish to impart.
- The biography provided during the submission will be used to introduce you to the audience before giving your talk. It may also be used prior to the Congress to promote the programme.
- For your information, you will be required to fill in:
 - **The title of your presentation (speaker abstract title)**
 - **A short biography**
 - **A disclosure of interest**
 - **A summary of your presentation (speaker abstract)**
 - **A picture (headshot)**
- These can be submitted via the online abstract submission system by clicking [HERE](#), no later than **Wednesday 18 November 2025, 12:00 PM (CET)**.
