Host

Prof. Dr. Bart Van Wijmeersch/Dr. Popescu Veronica, Neurologists
Cindy Vos/Griet Raeymaekers, MS Nurses
Ellen Van Zeir, Neuropsychologist
Ilse Lamers, Postdoctoral research fellow Hasselt University

Rehabilitation & MS-Center Overpelt, Belgium

Kind invitation to a preceptorship at the MS Center Overpelt, Belgium (Head: Prof van Wijmeersch). This is a state of the art specialized MS and rehabilitation center, with highly specialized MS Nurses. It has been opened in its current setting in 2014. The program will include visit to the physical therapy, including a model house (apartment) where people can practice daily activities like cooking with their therapists; infusion suites, neurophysiology, and will include some practical training.
