Dr. Claudio Novelli was born in Florence, June 20th 1965. He attended the Dental School in Florence where he received his dental degree in 1991. The same year he moved to California where he received his Master in Esthetic Dentistry at the University of California San Francisco Dental School in 1993. From 1993 to 1995 he worked as a research fellow in the Department of

Biomaterials at the University of California San Francisco Dental School. In 1996 he moved back to Italy where he taught Esthetic Dentistry at the Università di Genova Dental School until 2010. After a 6-years academic experience in 2010 he started Smile Design, a dental practice dedicated to esthetic dentistry located in Milan, Florence and Rome.
