

INVITATION

CML Summit: Choice Means Life

28 – 29
APRIL 2017
STOCKHOLM
SWEDEN

Dear Doctor,

We are pleased to invite you to the CML Summit: Choice Means Life, which will take place on **28 and 29 April 2017**, in **Stockholm, Sweden**.

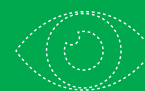

This 2-day stand-alone meeting on CML will be an interactive, scientific, and educational forum where participants will have the opportunity to

Discuss the current scenario and future therapeutic approaches for the treatment of CML

Obtain insights into individualisation of therapy with different TKIs in order to improve treatment efficacy and patient quality of life

Discuss patient cases in plenary sessions and workshops

We are delighted to inform you that Professor Leif Stenke from the Karolinska University Hospital is confirmed as chair of this summit. Professor Stenke will be joined by a panel of multidisciplinary European faculty members.

To maximise the insights you will take home from the summit, we will ask you to answer a pre-meeting survey with questions on your experience and challenges. The link to the pre-meeting survey will be sent to you upon completion of your registration.

The program will begin on Friday morning, 28 April, and conclude on Saturday, 29 April early afternoon. The meeting will be held at the Hilton Hotel Stockholm Slussen. Your travel and accommodation for the meeting will be covered by Pfizer.

Please [**click here**](#) to register for the meeting.

Should you have any questions, please reach out to your country representative from Pfizer.

With kind regards,
Pfizer Oncology
