8:00 - 09:00	Welcome & Introduction		Radiation Shielding			Welcome & Introduction		Morning Seminar Hitachi		Clinics / Head and Neck, GU	Physics / Acceptance, Commissioning and QA
9:00 - 10:00	Rationale for Particles	Pediatrics	Accelerators			Symposium "Ion Therapy in 21th Century, Accuracy and Efficacy"		Keynote (Clinics)			
	Physics of Particle Beams	Base of Skull	Workflow Efficiency				Clinics / Clinical Trials				Coffee Break - Exhibition - Hall C
10:00 - 11:00	Radiobiology; Basis and Models	CNS				Coffee Break - Exhibition - Hall C				Keynote (Biology)	
	Coffee Break	Coffee Break	Coffee Break			Keynote (Physics)		Coffee Break - Exhibition - Hall C			
11:00 - 12:00	Technical Aspects of Beam Delivery	GI	Facility Selection			Physics / Motion Management				Biology / RBE and Biological Optimization	
	Clinical Aspects of Beam Delivery	Head and Neck	Facility Startup					Panel Discussion "Particle Therapy for Lung Cancer"			
12:00 - 13:00	Treatment Planning	Chest (Lung + Lymphoma)	Future Outlook			Exhibition - Hall C					
13:00 - 14:00	Lunch	Selection Criteria for Particles				Luncheon Seminar Toshiba	Luncheon Seminar Varian	Exhibition - Hall C			
		Scanning Beams (Clinical Physics)	Lunch	Transfer: Chiba to Pacifico Yokohama & Intercontinental Hotel. Lunchboxes provided				Luncheon Seminar Sumitomo	Luncheon Seminar IBA		Luncheon Seminar RaySearch
14:00 - 15:00	Instrumentation	GU - Prostate				Biology / Biomakers and Models	Physics / Nozzle Design, Beam Delivery and Dosimetry	General Assembly		FACILITY TOUR 2 KCC - (13:45) Depart Pacifico by bus including lunch boxes, (14:45) Arrive at KCC, (15:00-16:30) KCC Site Visit, (16:30) Leave KCC, (17:30) Arrive at Pacifico, the venue.	
	Clinical Implementation of Image-Guided Carbon Therapy	Breast	Transfer: Pacifico to Sakuraguchō & Yokohama Stations					Physics / Dose Calculation and Optimization	Clinics / Pediatric and Sarcoma		
15:00 - 16:00	Coffee Break	Re-Irradiation - Proposal to ask Jim Metz				Coffee Break - Exhibition - Hall C					
	Uncertainties	Coffee Break				Clinics CNS and Skull Base	Physics / Treatment Planning	Coffee Break - Exhibition - Hall C			
16:00 - 17:00	Commissioning + QA	Clinical Experience with Ions	Time to Check-in Hotels	Registration for Scientific Sessions (15:00-19:00) At the lobby of Annex of Pacifico					Physics / Image Guidance and Adaptive Therapy	Clinics / GI and Breast	
	Patient Alignment	Ophthalmic				Steering Committee			Poster Sessions		
17:00 - 18:00											
18:00 - 19:00	"FACILITY TOUR 1 to NIRS & Reception at NIRS(17:30) Depart Makuhari Messe by bus(17:50) Arrive at NIRS(17:50) Site Visit(18:30) Reception(19:30) Depart NIRS by bus(20:45) Arrive at ""Kaihin Makuhari"" Station"					GALA DINNER - Yokohama Museum of Art.(18:00) Depart Pacifico by bus,(18:15) Arrive at the Museum,(18:30-19:00) Viewing the Exhibits,(19:00-21:00) Gala Dinner,(21:00) Depart the Museum,(21:10) Arrive at Intercontinental---Sakuragicho St. ---Yokohama ST.
