Be part of the

30th

Annual Congress of the
**European Association
of Nuclear Medicine**

Meet the COMMITTEES

During the annual congress several EANM Committees organise Committee Interest Group Meetings, open for everybody. In these meetings you will be updated about current projects and issues concerning the respective area of specialisation will be discussed.

Everyone is encouraged to take this great opportunity for a personal encounter with the EANM Committee in his or her area of interest. The EANM Committees are highly looking forward to seeing you there and sharing latest developments.

Letter of Invitation

On behalf of the European Association of Nuclear Medicine, it is my great pleasure and honour to cordially invite you to the 30th Annual EANM Congress in Vienna, Austria in October 2017.

Over the 30 years since our first congress, nuclear medicine has made significant strides. Overall usage of nuclear medicine procedures is expanding rapidly, and this trend is especially evident with respect to new imaging technologies.

We can affirm that the revolution of tomographic hybrid imaging within the nuclear medicine landscape is now a matter of fact, spurred by evidence-based medicine. Our discipline's next step is the integration of genome-specific targeted theranostics, utilising in vivo whole-body assessment of tissue morphology, physiology and biochemistry. The ultimate goal is to design personalised, super-selective therapies and to identify more precise means of monitoring response to treatment in routine clinical practice.

The annual EANM Congress has become the world-leading meeting in nuclear medicine. In order to maintain the high level of excellence of our Congress, the 2017 meeting will build on the traditions that are highly appreciated by all attendees, with expansion of the newer features introduced by the former Congress Chair. A specific educational track, implemented in collaboration with the European School of Multimodality Imaging and Therapy, will include up-to-date Teaching Sessions, enriched by Pitfalls & Artefacts and Continuous Medical Education (CME) sessions. In all these "active learning" sessions, attendees will have the possibility to enhance their knowledge of multimodality imaging. With similar pedagogic intent, numerous multidisciplinary joint symposia organised by EANM Committees and our sister societies will offer an integrative approach to various topics relevant to the state of the art in our discipline. I take this opportunity to make a special appeal to young specialists: please join in and benefit from these academic sessions. You represent the future of our discipline and it is you who should begin to shape your knowledge in ways that will contribute to a brighter tomorrow for our community!

All these learning sessions will not impact adversely on the predominant role of the entire Congress, which is to enable the presentation of oral papers and posters about the latest achievements in clinical nuclear medicine, science and technology. On the contrary, the Rapid Fire sessions, for example,

will be enriched. The spirit of such sessions is to draw attention to the most highly rated abstracts in specific areas: a panel of top-level presentations is followed by extensive discussions, providing attendees with an integrated and coherent view on a wide variety of topics. Furthermore, featured oral sessions with one invited speaker in combination with "regular" presentations will broaden the perspectives on all topics. The now well-established tracks M2M – Molecule to Man (basic and translational science) and Do.MoRe (radionuclide therapy and dosimetry) will promote high-quality research through interaction between basic and translational clinical scientists and allow presentation of the latest achievements and developments in the fields of clinical molecular imaging and nuclear medicine therapy. During the plenary lectures, distinguished speakers will address state of the art science together with new developments in clinical and allied sciences, covering a broad range of topics with the goal of promoting the best possible care for our patients. At the end of the meeting, two eminent lecturers, Prof. Stefano Fanti from Bologna, Italy and Prof. Clemens Decristoforo from Innsbruck, Austria will present the traditional Highlights Lecture.

The Congress will take place in Vienna, Austria, where the EANM Executive Office is also based. The city – located in the heart of Europe, on the banks of the river Danube – is world famous for its imperial heritage, its cultural attractions and its culinary highlights. To quote the slogan of the city: Vienna awaits you!

For all these reasons, I cordially invite you to the EANM'17 Congress and to actively participate in our 30th anniversary. Meet and interact with friends and colleagues from all over the world, break away from the daily routine and enjoy Vienna's hospitality.

Francesco Giammarile

EANM Congress Chair 2017-2019

Committees

Board

President 2017–2018	K. Muylle (Belgium)
President Elect 2017–2018	W.J.G. Oyen (United Kingdom)
Committee Coordinator 2017–2018	R. Delgado Bolton (Spain)
Congress Chair 2017–2019	F. Giammarile (France)
Education Chair 2017–2019	J. Pruim (Netherlands)
Secretary/Treasurer 2017–2018	J. Kunikowska (Poland)

Technologist Programme Committee

Chair	P. Fragoso Costa (Germany)
Members	M.C. Attard (Netherlands)
	L. Camoni (Italy)
	N. Gulliver (United Kingdom)
	S. Rac (Croatia)
	S. Rep (Slovenia)
	A. Santos (Portugal)
	C. Terwinghe (Belgium)
Senior Advisor	G. Testanera (United Kingdom)

	F. Verburg (Germany)
	P. Zucchetta (Italy)

Congress Strategy Committee

Congress Chair 2017–2019	F. Giammarile (France)
Committee Coordinator 2017–2018	Ex officio: R. Delgado Bolton (Spain)
Education Chair 2017–2019	Ex officio: J. Pruim (Netherlands)
Members	P. Elsinga (Netherlands)
	F. Hyafil (France)
	A. Lammertsma (Netherlands)
	M. Ljungberg (Sweden)
	T. Van den Wyngaert (Belgium)

Plenary Sessions

Plenary 1 – Sunday, October 22

Theranostic Developments for Prostate Cancer (incl. Marie Curie Lecture)

- » Prof. Jochen Walz (FR): Clinical Aspects
- » Prof. Ken Herrmann (DE): PSMA Imaging - Which Knife is the Sharpest?
- » Prof. Uwe Haberkorn (DE): [Marie Curie Lecture](#): PSMA Labelled with Alfa-Emitters

Plenary 2 – Monday, October 23

Hot Topics in Nuclear Cardiology!

- » Prof. Dr. Erik Stroes (NL): Systemic Inflammatory Response Post Myocardial Ischemia: Moving Towards Clinical Application?
- » Prof. Dr. Frank Bengel (DE): The Role of Nuclear Medicine in Endocarditis
- » Prof. Juhani Knuuti (FI): Quantification of Myocardial Blood Flow with PET

Plenary 3 – Tuesday, October 24

Radiobiology of Molecular Radiotherapy

- » Prof. Dik van Gent (NL): DNA Damage and Repair Processes at High and Low Dose Rates
- » Dr. Jean-Pierre Pouget (FR): Feasibility of Non-DNA Targeted Radionuclide Therapy: Contribution of Bystander Effects
- » Prof. Bryan Bednarz (US): Selective Targeting of the Cell Membrane; Attacking the Tumour House of Cards

Plenary 4 – Wednesday, October 25

Highlights Lecture

- » Prof. Stefano Fanti (IT)
- » Prof. Clemens Decristoforo (AT)

Joint Symposia

The preliminary, uncomplete list of topics is as follows:

- » EANM/EANO: High Grade Glioma
- » EANM/EFOMP: New Developments in CT Technology
- » EANM/EORTC: PET Criteria for Response Assessment: Quo Vadis PERCIST?
- » EANM/ESES/EFLM: Diagnosis and Treatment of Hyperthyroidism
- » EANM/ESMI: Imaging Cardiac Remodelling
- » EANM/ESSO: Head & Neck Cancer
- » EANM/ESSR: Painful Hip Arthroplasty
- » EANM/ESTRO: Molecular PET Imaging in Adaptive Radiotherapy: Focus on Current Trends, Challenges and Solutions
- » EANM/ETA-CRN: Update Thyroid Cancer Beyond I-131
- » EANM/ICRP/ICRU: Radiological Protection for Patients Receiving Radiopharmaceutical Therapy
- » EANM/JSNM: Educating Referring Physicians and Recognising Their Needs
- » EANM/SNMMI: Standardisation of Diuresis Renography in Children

Titles are subject to change. Visit eanm17.eanm.org for updated information.

Continuing Medical Education

Continuing Medical Education will span all four days of the EANM Congress 2017. As in the past years, EANM will seek accreditation from the European Accreditation Council for Continuing Medical Education (EACCME). A request for accreditation has already been filed – the number of points is pending.

Sunday, October 22

08:00 – 09:30	CME 1	Physics	Challenges and Solutions for MR-Based Attenuation Correction of PET
11:30 – 13:00	CME 2	Inflammation & Infection/ESVS	Vascular Graft Infection
14:30 – 16:00	CME 3	Cardiovascular	How to Perform Myocardial Perfusion Imaging According to EANM Recommendations
16:30 – 18:00	CME 4	Oncology	PET in Multiple Myeloma

Monday, October 23

08:00 – 09:30	CME 5	Radiopharmacy/Drug Development/Radionuclide Therapy/SNMMI	Theranostics and Companion Drugs
11:30 – 13:00	CME 6	Bone & Joint	Skeletal Scintigraphy Today - Accurate Diagnosis of Bone Disease with Therapeutic Impact
14:30 – 16:00	CME 7	Radionuclide Therapy/Thyroid	Safety Aspects in Radionuclide Therapy
16:30 – 18:00	CME 8	Radionuclide Therapy/Radiopharmacy/Dosimetry	Clinical Trial Design for Radionuclide Therapy

Tuesday, October 24

08:00 – 09:30	CME 9	Paediatrics/Inflammation & Infection	FDG PET in Paediatric Infections
11:30 – 13:00	CME 10	Neuroimaging	Brain PET and SPECT in Dementia - Beyond Alzheimer's Disease
14:30 – 16:00	CME 11	Paediatrics/Oncology/SIOPEN	SSR Imaging and Therapy in Children
16:30 – 18:00	CME 12	Translational Molecular Imaging & Therapy/Oncology/Neuroimaging	¹⁸ F-DOPA and Radiolabelled Choline PET in Recurrent Glioblastoma

Wednesday, October 25

08:00 – 09:30	CME 13	Dosimetry/Radionuclide Therapy/Radiation Protection	Treatment Planning for Radionuclide Therapy, How Simple Can it Be?
10:00 – 11:30	CME 14	Dosimetry/Radiation Protection/Translational Molecular Imaging & Therapy	Alpha Particle Dosimetry, Does High LET Lead to High RBE?

The above list shows the intended CME programme as per date of publication and is subject to change.

Special Features

Pre-Congress Symposia

EANM'17 will feature 10 half-day pre-congress symposia – 5 in the morning and 5 in the afternoon. Topics and speakers are currently being finalised. Visit eanm17.eanm.org for further information.

Morning Symposia

- » Pre-Congress Symposium 1 (Physics/Dosimetry):
Monte Carlo Simulation / Image Reconstruction – Part I
- » Pre-Congress Symposium 2 (Oncology/Radionuclide Therapy/EWALT):
Integrated Approach for the Diagnosis and Treatment of Primary Liver Tumours (HCC & CCC)
- » Pre-Congress Symposium 3 (Dosimetry/Radiation Protection):
Clinical Introduction of New Radiotherapeutics: Challenges and Opportunities
- » Pre-Congress Symposium 4 (Neuroimaging/Drug Development/Radiopharmacy):
Tau Imaging in Humans
- » Pre-Congress Symposium 5 (Radiopharmacy):
Validation & Risk Assessment

Afternoon Symposia

- » Pre-Congress Symposium 6 (Dosimetry/Physics):
Monte Carlo Simulation / Image Reconstruction – Part II
- » Pre-Congress Symposium 7 (Oncology/Radionuclide Therapy):
PET Imaging for Response Assessment of Immune Modulation and Therapy
- » Pre-Congress Symposium 8 (Drug Development/Neuroimaging):
The Contribution of Imaging in the Exploration of Autism
- » Pre-Congress Symposium 9 (Translational Molecular Imaging & Therapy/Radiopharmacy/
Drug Development): Biorthogonal and Click Chemistry for Molecular Imaging
- » Pre-Congress Symposium 10 (Cardiovascular/Inflammation and Infection):
Role of Nuclear Medicine in the Detection of Infection of Cardiac Prosthesis or Devices

EANM Research Ltd (EARL)

Take the opportunity and meet the EANM Research Ltd (EARL) at EANM'17 in Vienna. EARL is a 100% subsidiary of the EANM, which aims to enhance the quality of nuclear medicine practice for the benefit of public health.

EARL's main activities are:

- » EARL FDG-PET/CT Accreditation: enables comparable scanner performance across multiple sites through harmonisation of the acquisition and interpretation of PET/CT scans: results can be compared, exchanged and combined, which is essential in multicentre trials as well as in clinical practice. Accurate, reproducible and quantitative assessment is ensured through standardisation of methodology, including patient preparation, scan acquisition, and image processing.
- » EARL Zirconium PET/CT Accreditation: a collaboration of EATRIS and EARL – started in 2015.

Interactive Sessions: Pitfalls & Artefacts and Teaching Sessions

This year's 7 sessions will span all four days of the congress. Each morning renowned specialists will present interesting cases and will guide you interactively from patients' history through diagnosis to treatment options.

The 6 Teaching Sessions will take place from Sunday to Tuesday, every afternoon.

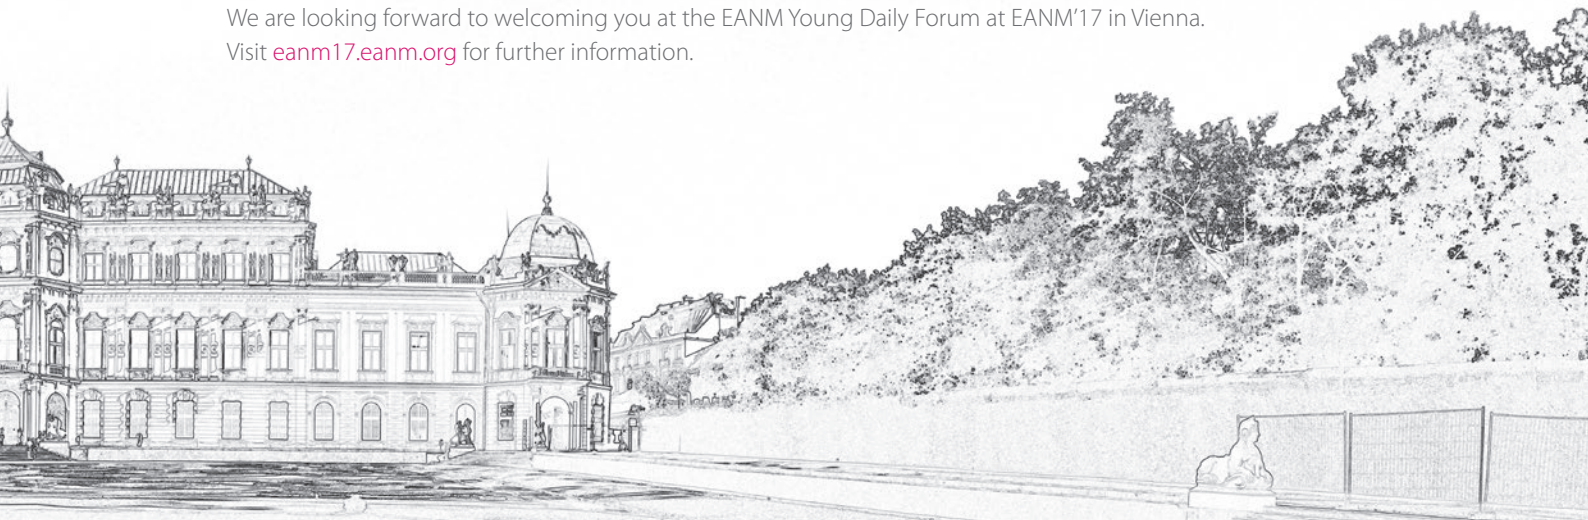

Topics and speakers are currently being finalised. Visit eanm17.eanm.org for further information.

EANM Young Daily Forum

The EANM Young Daily Forum is the ideal platform for all young talents attending the EANM congress. The EANM Young Daily Forum consists of a series of lunch-time sessions open to all participants, particularly those who are at the beginning of their career. Each 1.5 hours' time slot (Sunday-Tuesday, 13.00-14.30) will focus on a different topic, moderated in an interactive way by the professional facilitator Roy Sheppard. Participants will not only benefit from Roy's vast experience as moderator and speaker, but will also have the opportunity to get to know new people in a relaxed atmosphere.

Back by popular demand: the Presentation Skills and Networking sessions that made the lecture room almost burst during EANM'16, will be repeated this year. The EANM Young Daily Forum programme will be rounded off by a brand-new thrilling session on how to become more effective in handling your personal stress level and coping more easily with your daily work load.

We are looking forward to welcoming you at the EANM Young Daily Forum at EANM'17 in Vienna. Visit eanm17.eanm.org for further information.

Do.MoRe

8th International Symposium on **DOsimetry and MOlecular Radiotherapy** during the 30th Annual Congress of the European Association of Nuclear Medicine in Vienna, Austria, October 21–25, 2017.

The format of the dosimetry and therapy meeting has evolved from a series of interesting and important Radiopharmaceutical and dosimetry symposia held approximately every 5 years since 1970. This series was continued at the EANM congress 2004 (Helsinki) and at the SNM congress 2009 (Toronto). These symposia were formerly known by ISTARD: "International Symposium on Targeted Radiotherapy and Radiopharmaceutical Dosimetry". From 2015 these symposia are organised annually parallel to the EANM congress and the name has changed to Do.MoRe, emphasizing both the importance of Dosimetry and the more regular organisation.

As a separate track within the EANM congress, this symposium will aim to bring together all disciplines concerned with Radiopharmaceutical Dosimetry, Physics, Radiobiology and Molecular Radiotherapy stimulating interdisciplinary scientific discussion.

As a prelude to Do.MoRe, a pre-symposium will be held on Monte Carlo based quantitative imaging reconstruction methods, focusing on PET and SPECT quantification for clinical use in Dosimetry and impact of image reconstruction techniques. Another pre-symposium will highlight the added value of Dosimetry guided Radionuclide Therapy, although at present it is seen as a great challenge to perform. Within the Do.MoRe a symposium is organised to outline the currently achievable accuracy in absorbed dose assessments and its reliability for predicting Radionuclide Therapy outcome.

The EANM Dosimetry, Therapy, Physics and Thyroid Committees will coordinate the scientific programme for the meeting jointly. All organisational matters will be handled by the EANM Executive Office.

A call for abstracts will go out in the next months. The deadline for abstract submission is April 25, and authors will be notified about abstract acceptance on June 20, 2017.

We look forward to welcoming you in Vienna in October 2017!

Mark Konijnenberg
Dosimetry Committee,

M2M

4th Molecule to Man Track on Basic and Translational Research in Molecular Imaging and Therapy during the 30th Annual Congress of the European Association of Nuclear Medicine in Vienna, Austria, October 21-25, 2017.

As a separate track within the EANM congress, we bring together all disciplines related to basic and translational research in molecular imaging and therapy, stimulating the interdisciplinary scientific discussion and educating the clinic for future developments in the field.

The format of the track consists of a series of plenary lectures, CME sessions, symposia and scientific sessions with a special focus on Basic and Translational Research.

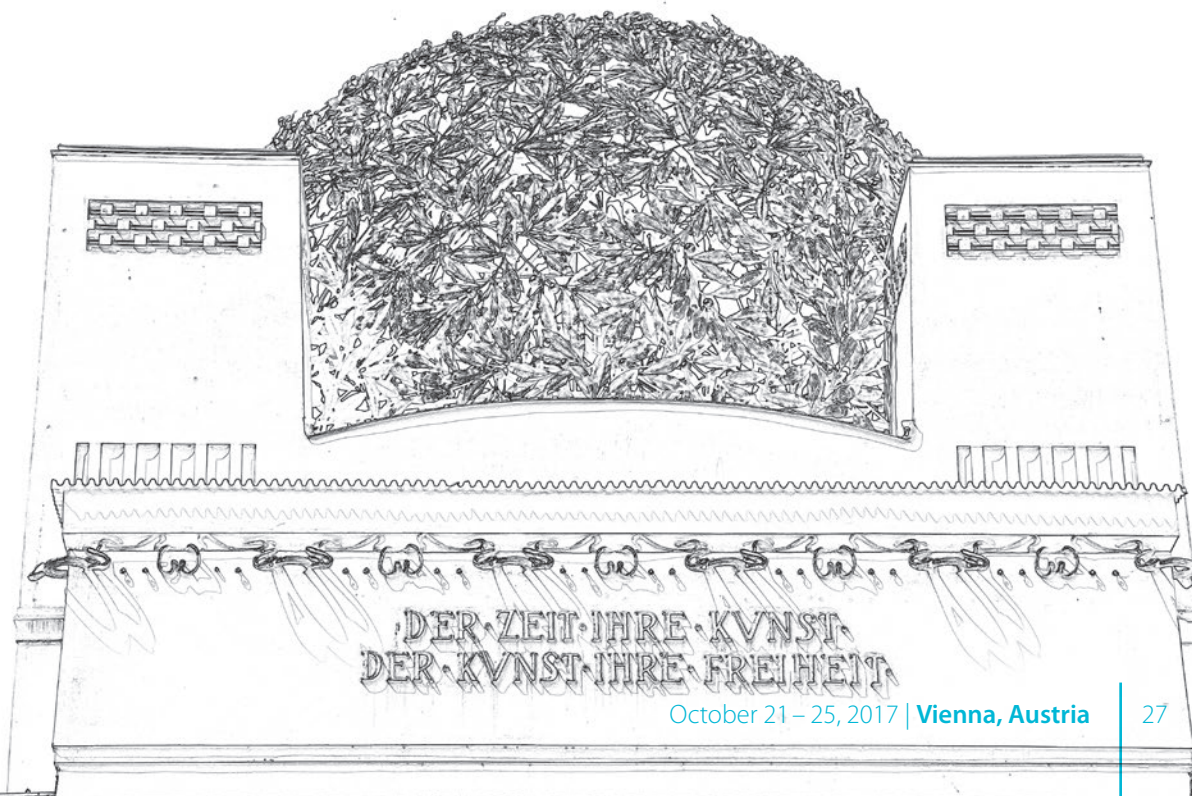

The EANM Translational Molecular Imaging and Therapy, Drug Development, and Radiopharmacy Committees will coordinate the scientific programme for the meeting jointly. The EANM Executive Office will handle all organisational matters.

We look forward to welcoming you at the M2M Track in Vienna in October 2017!

Invitation from the EANM Technologist Committee

On behalf of the European Association of Nuclear Medicine – Technologist Committee, it is my pleasure to invite you to the 30th Annual EANM Congress in Vienna, Austria in October 2017.

This year, the EANM Annual Congress celebrates not only its 30th anniversary but also the fact that it has become one of the major international meetings in the field of nuclear medicine. This anniversary provides an ideal occasion for addressing the challenges, opportunities and responsibilities that currently confront every scientist and health care professional working in nuclear medicine.

Like other EANM committees, the EANM Technologist Committee (EANM-TC) has invested huge efforts into delivering educational initiatives of the highest quality, as well as setting the quality standards that will guide the next generation of nuclear medicine technologists (NMTs). To reflect the ever-evolving nature of the work and responsibilities of NMTs and clinical scientists, we shall focus some of our educational sessions on emerging fields while continuing to devote attention to clinical topics of key importance for the clinical technologist. There will also be space for discussion on the role of NMTs in research and on the many interactive initiatives that rely on audience opinion.

At the 2017 Congress you will again encounter some of the features that we have introduced in the technologist programme over recent years.

As usual, the first session of the technologist programme will be devoted to the official launch of the Technologist's Guide. Some of the chapter authors will be present to offer additional insights into the content presented in the guide.

The cooperation with EANM Committees and with sister societies will also be reflected in the technologist programme. In addition to joint sessions with the EANM Dosimetry, Inflammation & Infection, and Paediatrics Committees, there will be two joint sessions with colleagues from the Canadian Association of Medical Radiation Technologists (CAMRT) and the Society of Nuclear Medicine and Molecular Imaging – Technologist Section (SNMMI-TS), which each year contribute to the production of the Technologist's Guide.

This year we shall continue the traditional Round Table Session, focussing on the NMT's role in protocol standardisation applied to clinical trials. This session will include time for discussion, and the inputs from the audience will be taken into account in order to enrich the ongoing ESMIT project for NMTs.

In accordance with the EANM motto, "Go Clinical", our shorter sessions will be marked by a return to the clinical field. All three Mini Courses will focus on pitfalls and artefacts encountered when applying nuclear medicine techniques in the clinical areas of bone and joint disorders, cardiology, infection and inflammation.

It is worth mentioning that the EANM Technologist Committee is also investing in modern technologies and is proud to announce that this year's poster walks will be converted to e-Poster Sessions. This said, technologists are also welcome and encouraged to send scientific abstracts and to contribute original works for inclusion in the dedicated Oral Presentation Sessions and e-Poster Sessions that will be part of the technologist programme. The abstract submission deadline will be 25 April 2017.

Finally, I would like to invite all NMTs attending the 2017 EANM Congress to take part in the Technologist Interest Meeting, where the main achievements and future projects of the EANM-TC will be presented.

To summarise, the full technologist programme will consist of:

- » 7 Continuing Technologist Education (CTE) sessions
- » 3 Mini Courses
- » 1 Technologist Interest Meeting
- » 3 Oral Presentation Sessions
- » 4 e-Poster Sessions

We look forward to welcoming you to the EANM Congress 2017 in Vienna.

Sincerely,

Pedro Fragoso Costa
Chair, EANM Technologist Committee

e-Posters

e-Poster Area

For the first time in history the EANM will not display any paper poster anymore, but digital e-Posters only. Therefore no posters have to be printed and carried to the congress centre anymore.

The e-Posters can be viewed in the e-Poster Area(s) which will be located within the congress centre. Participants can easily search for topics, authors or sessions and the system will immediately display all available submitted e-Posters.

All e-Posters will also be available after the congress for further viewing within the eLearning Platform of the EANM.

e-Poster Walks

Similar to the previous and well known Poster Walks, the EANM will provide at least four e-Poster Walk Screens where the authors present their e-Posters on a big screen during fixed time slots to the audience. Each screen serves for several e-Poster Walks and appointed Chair Persons will lead the sessions.

Industry Exhibition

Opening Hours:

Sunday, October 22, 2017:	09:00 – 17:00
Monday, October 23, 2017:	09:00 – 17:00
Tuesday, October 24, 2017:	09:00 – 17:00

The Industry Exhibition will be located on the ground floor and on level -2. It will give you an extensive overview of the latest achievements concerning pharmaceuticals and radiopharmaceuticals, as well as state-of-the-art technical equipment. Booksellers and publishers will display the most recent publications in the field of Nuclear Medicine and related sciences.

Setup: Wednesday, October 18 – Saturday, October 21, 2017

Awards

The following prizes/awards and certificates will be bestowed during the annual congress:

- » EANM Marie Curie Award
- » EANM Eckert & Ziegler  Eckert & Ziegler Abstract Award
- » EANM Honorary Membership and Corresponding Honorary Membership
- » European Journal of Nuclear Medicine and Molecular Imaging (EJNMMI) Prizes
 - › 3 Best Papers
 - › Most Cited Paper
 - › Best Research Paper
 - › Best Physics Paper
- » Best Radiopharmacy and Chemistry Paper
- » Technologist Awards
 - › 3 Best Oral Presentations
 - › 3 Best Poster Presentations
- » EANM AIPES Press & Media Award
- » FEBNM Fellowship Exam Certificates

General Information

Airport & Arrival Information

The Vienna airport is located 25 km south of the city. It takes approximately 25-35 minutes by car to the city centre. Some low cost airlines fly to the nearby Bratislava airport, located about 1 hour drive from Vienna.

Vienna Airport is very well connected to the city and traffic is seldomly a problem. There are buses, trains, express trains and taxis around the clock. For a quick overview on schedules and transportation, please check the Austrian Federal Railway website (<http://www.oebb.at/en/> - use the button "Timetable").

By City Airport Train (CAT): This express train connects the airport with the city centre with a non-stop ride. The CAT operates from the airport 06:09-23:39 and from the city 05:36-23:06 every 30 minutes. It takes 16 minutes to Landstrasse/Wien Mitte (connection metro U3 and U4). Ticket vending machines can be found at the luggage hall at the airport or directly in the CAT stations. Costs at the ticket vending machines are €12.00 for a single ticket and €19.00 for a two-way ticket. If you buy the tickets online, you will receive a price reduction of one Euro.

<https://www.cityairporttrain.com/en/home>

By train (OEBB): Several regional trains stop at the airport. Every 30 minutes there is one to the city centre (stop in Landstrasse/Wien Mitte, connection metro U3 and U4) or to the main train station (stop Hauptbahnhof, connection U1). You have to buy a 2-zone ticket for €4.40 that will be valid for 90 minutes including commute to any metro, bus or tram within Vienna. You can buy the ticket either at the staffed OEBB counter at the luggage hall at the airport or at the ticket vending machines at the stations.

<http://fahrplan.oebb.at/bin/query.exe/en>

By bus: The airport bus takes about 20 to 30 minutes depending on traffic and final destination. There are three lines (VAL 1-3). VAL 1 & VAL 2 depart every 30 minutes and VAL 3 every hour from the bus terminal at the airport, towards different destinations in the city. VAL 3 has a stop at the congress centre.

<https://www.viennaairportlines.at/de/blog/1005>

One-way tickets cost €8,00 and two-way tickets are €13,00. You can buy a ticket on the bus itself. For more information, please visit: <https://www.viennaairportlines.at/en/>

By taxi: When leaving the arrival halls, please look for the signs for the nearest taxi stand. An average journey by taxi from the Vienna Airport to downtown takes about 20-30 minutes and costs approx. €35,00 to €45,00 one-way (incl. surcharge for the luggage, 3 people max.).

Only for the return transfer towards the airport you can ask for an "Airport Taxi" (or German "Flughafentaxi"). Depending on your pick-up point the taxi company will give you immediately the fix price.

Phone numbers of main taxi companies: 0043/1 40100 or 0043/1 31300.

By pre-booked transfer: To book a transfer in advance is highly recommendable and the companies will offer you fixed rates of around €35,00. Recommended agencies are:

- » Airport Transfer Service (ATS)
<http://www.ats-vie.com/en/index>
- » Airport Driver
<http://www.airportdriver.at/en>
- » Vienna Airport Cab
<http://www.vienna-airport-cab.at/index.php/de/>

By limousine / minivan: In case you would like to order a reliable transfer via private limousine, we can recommend the following two experienced companies:

- » MSM Limousine Service:
msm@kstp.at (phone: 0043 676 35 00 170)
- » Preidelt Limousinenservice:
<http://www.preidelt.com/limousinenservice/>
(phone 0043 676 879 613 505)

Public Bicycle Sharing System (CityBike Wien): The city offers the environment-friendly bike system to both, locals and visitors. Bikes can be hired at over 120 bike stations across Vienna. They can be returned at any empty bikebox at any station. You need a one-time registration (either online or directly at the bike station) and a valid credit card. The first hour is free of charge, the second is for € 1,00 and it progressively increases until € 4,00/hour.

For more information or registration please visit:
<https://www.citybikewien.at/en/>

Public transportation is by far the easiest way to get around the city. The Vienna buses, trams and subways are quick, cheap and all-around excellent. Friday to Sunday the metro services are 24h.

Please make sure to carry a valid ticket! Conductors do not hesitate to fine anyone € 103 without a valid ticket (being a tourist is not a valid excuse). Ticket machines can be found in each metro station.

If the weather is good, we recommend to take a bike from the public network.

For further public transportation information of the city Vienna, please check:
www.wienerlinien.at/eportal3/ep/tab.do?tabId=0

Banks, Credit Cards & ATMs

Banks are usually open from 08:00 to 12:30 and 13:30 to 15:00 (weekdays) and 08:00 to 12:30 and 13:30 to 17:30 (Thursday) and are closed during the weekends.

There are ATMs (Automatic Teller Machine) in the ACV and all over the city of Vienna. Currency exchange offices can be found at the airport, at the main train station and along the main streets of Vienna.

Call for Abstracts

The deadline for abstract submission is April 25, 2017. For all related information please follow

the guidelines provided on the congress website eanm17.eanm.org. Abstracts should not exceed 400 words (excluding title and authors) and should be well structured stating the aim, materials and methods, results and conclusion of your chosen topic. Abstracts should be written in Microsoft Word and may not include tables, graphics or pictures. You can edit, delete or simply reload your abstract(s) as often as you like online. After expiry of the deadline, abstracts can only be withdrawn in writing. Guidelines for oral presentations as well as e-Poster submission will be available on eanm17.eanm.org at the beginning of June 2017. Authors will be notified about the acceptance of abstracts by email on June 20, 2017.

Cancellation Insurance

As an additional service, EANM offers the possibility to contract during the online registration a personal cancellation insurance. The cancellation insurance offered by Europäische Reiseversicherung covers up to 100% of your registration fees and hotel cancellation fees in the event of your cancellation for any cause provided for in the insurance terms.

Certificate of Attendance

To obtain your certificate of attendance please visit www.eanm.org, log in to the vEANM Area with your personal account information and refer to the section vConfirmation > Congress related. The certificate will be available within 24 hours after you have scanned your congress badge at the bag pick up.

Churches, Synagogues, Mosques

Although Vienna (like the rest of Austria) is mostly Catholic, different religions are practiced by many citizens. Catholic and Protestant churches as well as Synagogues and Mosques services are available. Please contact your hotel concierge for current times of services or nearby houses of prayer.

City of Vienna

Vienna has been voted as the top city of the world for the best quality of life for the seventh time in 2016. With a splendid cultural and imperial background the city is crowded with museums, cafés and historical buildings. There are many pedestrian areas and parks and a vibrant nightlife. Tourist information is easy to find at <https://www.wien.info/en>

City Tax

The current city tax is 3.2% on net accommodation costs. Per law, all hotels must display this amount (either at reception or at the invoice). All advertised prices are including all taxes.

Climate

The daytime temperatures in mid-end October range between 7°-14° Celsius and it may also be rainy and windy during the entire month.

Closing Ceremony & Farewell Cocktail

All registered delegates and accompanying persons are cordially invited to the

» Closing Ceremony & Farewell Cocktail

Wednesday, October 25, 2017, 13:15 – 14:30
Hall A, ACV – Austria Center Vienna

Please note that only delegates and accompanying persons wearing a valid congress name badge will be granted access.

CME Credits & Certificates

To acquire CME credits, attendees are required to scan their congress badge at the congress bag distribution upon first arrival at the congress venue as well as upon entrance into each CME session. For CME sessions, an evaluation form must also be completed for each session attended.

To obtain your CME certificate(s) please visit www.eanm.org, log in to the vEANM Area with your personal account information and refer to the section vConfirmation > Congress related. The certificate(s) will be available within 24 hours after you have scanned your congress badge.

Congress Bag

All registered delegates (excluding pre-symposium-only attendees, accompanying persons and exhibitors) are entitled to receive a congress bag. Please pick up your congress bag at the bag distribution area by presenting your congress name badge.

Congress Language

The congress language is English. No simultaneous translation will be provided.

Congress Office

The congress office at the ACV (Austria Center Vienna) will be open during the following days and times:

Saturday, October 21, 2017	07:30 – 18:00
Sunday, October 22, 2017	07:30 – 18:00
Monday, October 23, 2017	07:30 – 18:00
Tuesday, October 24, 2017	07:30 – 18:00
Wednesday, October 25, 2017	07:30 – 12:00

Congress Venue

Austria Center Vienna (ACV)
Bruno-Kreisky-Platz 1
1220 Vienna, Austria
URL: www.acv.at

The ACV is within 2 minutes walking distance from the metro station Kaisermühlen VIC, right behind the Vienna International Center and United Nation's headquarters. The Metro U1 (red line) is the only one connecting the city centre with the ACV.

Currency

The official currency in Austria is Euro (€). You can exchange your currency at all banks as well as many exchange offices in Vienna. When you are exchanging your currency, you need your passport or official ID-card. If you do not have it with you, the bank may refuse to exchange your currency.

Dates & Deadlines

April 25, 2017:	Deadline for submission of abstracts
June 20, 2017:	Notification of acceptance of abstracts
June 27, 2017:	Deadline early registration fee
October 17, 2017:	Deadline advanced registration fee (after October 17 on-site registration fee)
October 21, 2017:	Opening Ceremony and Welcome Reception
October 25, 2017:	Closing Ceremony and Farewell Cocktail

Disclaimer

In the event the congress has to be cancelled by the organisers because of force majeure, the registration fee, any hotel deposit and any other payments for services ordered through the registration process will be partially refunded or forfeited, which is subject to the commitments of the congress organisers at that time. You may wish to insure yourself directly against such a risk.

EANM Executive Office

Schmalzhofgasse 26
1060 Vienna, Austria
Phone: +43-(0)1-890 44 27
Fax: +43-(0)1-890 44 27-9
Email: office@eanm.org
URL: www.eanm.org

EANM Members' Assembly

The Members' Assembly will be held on [Saturday, October 21, 2017](#) from 14:00/15:00 – 17:00 (14:00 first call, 15:00 second call).

Please note: Only members in good standing* of the European Association of Nuclear Medicine are eligible to attend the Members' Assembly.

(*Members in good standing are members who have paid their membership fee for the year 2017)

Electricity

The power supply in Austria is 220/240 V. Most electric outlets adhere to the continental standard (Schuko). Appliances from North America require a transformer and British ones an adaptor for the two-pin sockets which are used in Austria.

Media

By attending the event, each participant acknowledges and agrees to grant EANM the right at the congress to record, film, photograph or capture the likeness of such participant and its representatives in any media now available and in the future developed, and to use, copy, modify, distribute, broadcast or otherwise disseminate at any time and on a global basis such media, without any further approval from or payment to such participant or any of its representatives.

Museums

There are many different museums in Vienna. For prices and opening hours please refer to the hotel reception or any tourist information. Some museums and exhibitions are closed on Mondays.

Name Badges

Name Badges will NOT be sent via post in advance anymore. The badges for the congress will only be issued on-site between October 21 and October 25, 2017. The badges must be collected in person.

A confirmation email including a QR code will be issued upon successful completion of registration. With this QR, along with a valid photo ID, the name badge can be printed onsite in the registration area.

Opening Ceremony & Welcome Reception

All registered delegates and accompanying persons are cordially invited to the

» Opening Ceremony & Welcome Reception

Saturday, October 21, 2017, 19:30 – 23:00
Hall A/B/C, ACV - Austria Center Vienna

Please note: As of 22:00 only persons holding a valid congress name badge will be permitted to enter the congress venue. Anyone who has not picked up his/her badge from the registration desk until 22:00, or has not yet registered, or has lost/forgotten his/her badge can no longer be granted entry into the congress venue due to security reasons. Registration will re-open on Sunday morning at 07:30.

Public Transportation Ticket (PTT)

All congress participants who book a hotel through the online registration page of EANM which is more than a 15-minute walk away from the congress venue will receive a complimentary public transportation ticket.

For an overview of hotels and their respective distance to the congress venue, please refer to the page 'List of Hotels'.

Registration Desk

The registration desk at the entrance foyer of the ACV (Austria Center Vienna) will be open:

Saturday, October 21, 2017	07:30 – 22:00
Sunday, October 22, 2017	07:30 – 18:00
Monday, October 23, 2017	07:30 – 18:00
Tuesday, October 24, 2017	07:30 – 18:00
Wednesday, October 25, 2017	07:30 – 12:00

Restaurants & Nightlife

There is a large choice of restaurants in Vienna, offering various kinds of local or international dishes. Downtown restaurants normally open for lunch from 11:00 to 15:00 and for dinner from 19:30 to 23:00. Cafés and breakfast bars may already open at 08:00, some even earlier. Fast food, kebab, and take-away pizza stalls usually serve food all day long, and some of them stay open until midnight. Bars, night clubs and discotheques usually open from 22:00 to 04:00. Wineries in Grinzing usually open from 16:00 onwards.

Safety Tips / Pick-pockets

In general Vienna is a very safe city. Vienna's reputation reflects the country at large: according to the 2015 Global Peace Index, Austria was ranked the third most peaceful country in the world.

Nevertheless – as in each tourist hotspot – simply carry your wallets in closed/zipped bags and keep an eye on your bag when standing/walking in crowded areas, packed metro stations or buses, etc. The main emergency numbers are: Police: 133, Ambulance: 144. European Emergency call: 112.

Shopping

Vienna is an ideal destination to shop for a wide variety of items catering to everybody's tastes and wishes. Shops and department stores are generally open Monday through Friday 9:00 hours to 18:00 hours, some until 19:00 hours, Saturdays 9:00 hours -17:00 hours. In shopping malls and shopping streets, shops are open on Thursdays until 21:00 hours and on Saturdays until 18:00 hours. Only most souvenir shops are open on Sunday. Flea markets, f.e. Naschmarkt, are open every Saturday morning.

The closest shopping mall towards the congress centre is "Donauzentrum". It is two stops with the metro line U1 away from the congress centre. The station is "Kagran".

Taxes & Tipping

VAT is always included in the price presented to the customers/guests in shops, hotels, restaurants and other service providers. Non-EU citizens can directly claim back their VAT at the shops (excluding restaurants, hotels and other food). Please ask at the shops for more information. A service charge is not always automatically included in hotel and restaurant bills, it will be stated on the bill or in the menu. Tipping is not mandatory, but a small gratuity (5-10%) is expected in restaurants or taxis if good service is received.

Taxis

Taxis are not the most affordable alternative to the public transportation. A 15 minutes journey will cost about € 15.00 depending on the traffic. It is not recommended to use taxis in the inner city as a lot of the streets are pedestrian areas and the traffic is quite high. The rates will be shown on the meter next to the driver. The minimum rate for a taxi is approx. € 4. Night rides start at € 4.50

Possible taxi numbers are: 0043/1 40100 or 0043/1 31300.

Time Zone

Vienna is located in the Central European Time Zone (CET), i.e. one hour ahead of Greenwich Mean Time (GMT+1).

Vienna Information Desk

The Vienna Information Desk with a guide at the entrance foyer of the ACV (Austria Center Vienna) will be open:

Saturday, October 21, 2017:	10:00 – 19:00
Sunday, October 22, 2017:	09:00 – 18:00
Monday, October 23, 2017:	09:00 – 18:00
Tuesday, October 24, 2017:	09:00 – 18:00
Wednesday, October 25, 2017	09:00 – 12:00

Visa

All foreign visitors entering Austria must possess valid passports. For citizens from the European Union Member countries, a valid identity card is sufficient.

[Please check the current visa requirements with the nearest Austrian consulate/embassy in your country before your departure to Austria!](#)

All registered congress participants with a completed registration can download a visa invitation letter within their vEANM Area.

Registration

Unfortunately, in 2016, a few participants of the congress fell victim to credit card fraud. Professional fraudsters, masqueraded as a travel agency, placed calls and asked for credit card details in order to register, finalise hotel bookings or to offer the same hotel room at a lower price.

The name of three of these fraudsters are already known:

- » International Fairs Directory / MULPOR from Uruguay
- » EHS Housing / John Adam / Exhibitors Housing Services
- » Hicord / last year with the fake website eanm2016.org

Please be aware that these are **not third party providers of the EANM** and are not linked in any way to the EANM. Therefore, please end all calls immediately and do not share your credit card details!

Registration and Hotel Booking is only secure if made through the vEANM Area.

To register for EANM 2017 please use our online registration platform: eanm17.eanm.org

Registration Fees in €	Early registration until June 27, 2017	Advanced registration until October 17, 2017	On-site registration after October 17, 2017

- » Access to industry exhibition
- » Abstract book (online)
- » Congress certificates (online)
- » Congress bag
- » Final programme (online)
- » Opening Ceremony and Welcome Reception – Saturday, October 21, 2017
- » Closing Ceremony and Farewell Cocktail – Wednesday, October 25, 2017

Accompanying Person Registration Fee includes:

- » Opening Ceremony and Welcome Reception – Saturday, October 21, 2017
- » Closing Ceremony and Farewell Cocktail – Wednesday, October 25, 2017

Payment Deadlines

If the full amount of your early registration fee has not been received on the below mentioned bank account by June 27, 2017, the advanced registration fee will automatically become effective. Therefore, we strongly recommend paying last-minute registrations via credit card only!

If the full amount of your advanced registration fee has not been received on the below mentioned bank account by October 17, 2017, the on-site registration fee will automatically become effective. Therefore, we strongly recommend paying last-minute registrations via credit card only!

Registration fees are to be paid in Euro (€)

- » either via bank transfer to:
 - Account owner: EANM – European Association of Nuclear Medicine
 - Account name: EANM - Registration
 - IBAN: AT67 2011 1827 2304 6101
 - BIC: GIBAATWWXXX
 - Bank: Erste Bank, Taborstrasse 26, 1020 Vienna, Austria

Please do not forget to indicate your name and ID number on the transfer order!

A confirmation email will be forwarded to you as soon as we have received full payment.

- » or via credit card online:
 - Visa and MasterCard only. Diners Club and American Express are not accepted!
 - A confirmation email will be forwarded to you as soon as you have completed your registration.

Bank Transfer Charges

All bank charges for the transfer service must be paid by the participant. Open amounts must be settled before receiving a congress name badge.

Late Payment

Fees that have been forwarded too late may not have been credited to the congress account when the meeting starts. To avoid double payment, please make sure to bring a copy of your receipt/bank statement.

Please note: Down-payments cannot be accepted.

On-site Payment

On-site registration is possible only via credit card payment. No cash payments will be accepted.

Name Badges

The badges for the congress will only be issued on-site between October 21 and October 25, 2017. The badges must be collected in person. A confirmation email including a QR code will be issued upon successful completion of registration. With this QR, along with a valid photo ID, the name badge can be printed onsite in the registration.

Lost / Forgotten Name Badges

Due to the fact, that name badges are treated as official documents (i.e. comparable to a flight ticket, theatre ticket etc.) and are not transferable, please note, that lost or forgotten name badges have to be purchased a new at the registration desk.

Name Changes

Name changes will not be accepted! EANM offers an extensive cancellation insurance package for unforeseen circumstances, bookable through the online registration platform.

Wrong Registration Type

In case of overpayment due to choosing the wrong registration type no refund will be granted. In case of registering within a wrong registration type (lower fee due to wrong ticket type) the correct ticket type will automatically replace the wrong registration and the respective higher price will become applicable.

Cancellation of Registration

Any cancellation must be notified in writing to EANM:

EANM Registration Services
Schmalzhofgasse 26, 1060 Vienna, Austria

Email: registration@eanm.org

Fax: +43-(0)1 890 44 27 – 9.

In the event of cancellation before June 27, 2017 a refund of your registration fee minus a 50% charge for administrative proceedings will be made after the congress. Any cancellation received after June 27, 2017 will not be accepted (i.e. 100% cancellation fee). EANM offers an extensive cancellation insurance package for unforeseen circumstances, bookable through the online registration platform.

Payment of Cancellation / Administrative Fee

With your registration you authorise the organiser to charge any occurring registration cancellation/ administrative fees (under the terms and conditions explained in this registration process) to your given credit card.

Liability

Should technical reasons beyond the control of the organisers make any changes necessary, EANM cannot be held responsible. Furthermore EANM cannot be held responsible for any loss, injury or damages to any person or property whatever the cause may be. The liability of persons and enterprises providing means of transportation or other services, however, remains unaffected. The participant(s) take(s) part in any tour and trip at his or her own risk. Only written arrangements are binding. Sole congress venue is Vienna. With your registration you authorise the organiser to use all registration data given in the registration form for the computerised handling of the congress and further communication with all respective suppliers. Austrian law shall apply and place of jurisdiction is Vienna.

Media

By attending the event, each participant acknowledges and agrees to grant EANM the right at the congress to record, film, photograph or capture the likeness of such participant and its representatives in any media now available and in the future developed, and to use, copy, modify, distribute, broadcast or otherwise disseminate at any time and on a global basis such media, without any further approval from or payment to such participant or any of its representatives.

List of Hotels

The mentioned rates are valid for 2017 in Euro (€) per room/per night, including breakfast, VAT and city tax. All hotels include free WiFi.

All congress participants who book a hotel through the online registration platform of EANM which is more than a 15-minute walk away from the congress venue will receive a complimentary public transportation ticket (PTT) upon check-in at the hotel.

All room requests will be handled on a first come, first served basis and are subject to availability and final confirmation.

Official Airline Network

Special offer: Discounted travel with Lufthansa Group Airlines

Lufthansa Group Partner Airlines offer a comprehensive global route network linking major cities around the world. We offer special prices and conditions to participants, visitors, exhibitors, invited guests as well as employees of the contracting partner and their travel companions.

The participating airlines for this event are: Lufthansa, Austrian Airlines, Brussels Airlines, Eurowings, and Swiss.

To make a reservation, please click on www.lh.com/event-flight-booking and enter the access code **ATZJMBJ** in the "Access to Your Special Lufthansa Offer" area.

This will open an online booking platform that will automatically calculate the discount offered or provide you with an even better offer if another promotional fare is available.

NOTE: Pop-ups must be enabled otherwise the booking platform window will not open.

These promotional fares are also available through your IATA / ARC travel agent. Travel agents can obtain ticketing instructions by sending an email to lufthansa.mobility@dlh.de and providing the access code as a reference.

European School of Multimodality Imaging and Therapy

The **ESMIT initiative** represents EANM's response to huge changes in the educational needs of the nuclear medicine community and the rising demand for greater multimodality content. The EANM decided to review and modernise its educational system, since the community needs not only to be educated on all modalities that are used in imaging, but also to be well prepared in the therapeutic applications of our discipline.
