

22nd WORLD CONGRESS

29 August to 2 September 2017

QEII Centre, London

Organised by:

The British Obesity & Metabolic Surgery Society

International Federation for the Surgery of Obesity and Metabolic Disorders

Session: A1

Venue: **Great Hall**

Track: **oral abstracts presentations**

Name: **Top paper session**

Format: 6 top papers - 10 minute presentations + 10 minutes for discussions each paper with formal discussants

Chair: Kelvin Higa (USA)

Moderators: Richard Welbourn (UK), Shaw Somers (UK), Wendy Brown (Australia), Abdelrahman Nimeri (UAE)

A1.1: 08.00 – 08.20: Long-term weight change and behaviour: is there a relationship?

Speaker: Valerie Monpellier

Discussant: Luigi Angrisani (Italy)

A1.2: 08.20 – 08.40: A Large Multicenter Brazilian Study: The Experience in High Volume of Patients Centers

Speaker: Ricardo Fittipaldi-Ferdandez

Discussant: Scott Shikora (USA)

A1.3: 08.40 – 09.00: Pre-operative liver shrinking diets can alter collagen gene expression in wound healing: a Randomised Controlled Trial

Speaker: Saurav Chakravartty

Discussant: Martin Fried (Czech republic)

A1.4: 09.00 – 09.20: Occurrence or Remission of Antidiabetic Treatment Six Years After Bariatric Surgery: A Nationwide Matched Cohort Study

Speaker: Jeremie Thereaux

Discussant: Cynthia-Michelle Borg (UK)

A1.5: 09.20 – 09.40: Laparoscopic Sleeve Gastrectomy or Roux-Y-Gastric Bypass: 5-Year Results of the prospective randomized Swiss Multicenter Bypass Or Sleeve Study (SM-BOSS)

Speaker: Ralph Peterli

Discussant: Jayashree Todkar (India)

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

A1.6: 09.40 – 10.00: Oral presentation 6

Speaker: In search of a better Bypass: 4-year results of an RCT on Biliopancreatic
Limb Length in RYGB

Speaker: Frits Berends

Discussant: Marco Bueter (Switzerland)

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: A2

Venue: **Churchill**

Track: **video presentations**

Name: **Bariatric surgery - tips and tricks – technical aspects**

Chair: Roger Ackroyd (UK)

Moderators: Andrei Keidar (Israel), Patrick Noel (France), Aparna Govil Bhasker (India)

Format: 10 video presentations (7 minutes + 5 minutes discussion)

A2.1: 08.00 – 08.12: Video 1 - 730

A2.2: 08.12 – 08.24: Video 2 - 645

A2.3: 08.24 – 08.36: Video 3 - 15

A2.4: 08.36 – 08.48: Video 4 - 549

A2.5: 08.48 – 09.00: Video 5 - 250

A2.6: 09.00 – 09.12: Video 6 - 772

A2.7: 09.12 – 09.24: Video 7 - 248

A2.8: 09.24 – 09.36: Invited Video presentation: Tips and tricks when performing MGB/OAGB

Presenter: Norbert Schroeder (UK)

A2.9: 09.36 – 09.48: Video: Low pneumoperitoneum bariatric surgery

Presenter: Shima Jamshidi (UK)

A2.10: 09.48 – 10.00: Video: Ways to cosmetically but effectively retract the liver in bariatric surgery

Presenter: TBC

22nd WORLD CONGRESS

29 August to 2 September 2017

QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: A3

Track: oral abstracts and invited presentations

Venue: Victoria

Name: **Early complications of bariatric surgery - prevention & management session**

Chair: Rudolf Weiner (Germany)

Moderators: Ramana Balasubramanian (India), Marina Kurian (USA),

Format: 7 Oral presentations (10 minute + 5 minutes for discussion each paper)
+ 1 invited presentation (10 minute + 5 minutes for discussion)

A3.1: 08.00 – 08.15: Oral presentation 1 - 203

A3.2: 08.15 – 08.30: Oral presentation 2 - 276

A3.3: 08.30 – 08.45: Oral presentation 3 - 1093

A3.4: 08.45 - 09.00: Oral presentation 4 - 597

A3.5: 09.00 – 09.15: Oral presentation 5 - 639

A3.6: 09.15 – 09.30: Oral presentation 6 - 263

A3.7: 09.30 – 09.45: Oral presentation 7 - 675

A3.8: 09.45 – 10.00: Invited presentation: Edmonton Obesity Staging Score:
Practical Applications
Speaker: Rudolf Weiner (Germany)

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: A4

Track: Symposium

Venue: St James

Name: **Medical and Metabolic Symposium in collaboration with EASO (Part 1) - State of the art management of adolescents and adults with severe obesity in the real-world setting of limited access to surgery**

Chair: TBC

Moderators: Torsten Olbers (Sweden), Luca Busetto (Italy)

Format: Invited speakers and panel discussion

A4.1: 08.00-08.30: State of the art surgery: Indications for surgical treatment (primary and revisional)

Speaker: Stacy Brethauer (USA)

A4.2: 08.30-09.00: State of the art medical management (pre-surgery and weight regain post-surgery)

Speaker: John Dixon (Australia)

A4.3: 09.00-09.30: State of the art management of adolescents

Speaker: Torsten Olbers (Sweden)

A4.4: 09.30-10.00

Panel discussion: Polymodal approach: Is there a role for revisional surgery at all? Speakers: Luca Busetto, John Dixon, Torsten Olbers, TBC

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: A5

Track: symposium

Venue: Westminster

Name: Robotic symposium - part 1

Chair: Keith Kim (USA)

Moderators: Erik Wilson (USA), Monika Hagen (Switzerland)

Format: Invited speakers (15 minute presentation and 15 minutes panel discussion in end)

A8.1: 08.00 – 08.15: How is technology impacting our world: Is surgery being left behind?

Speaker: Keith Kim (USA)

A8.2: 08.15 – 08.30: Postgraduate training, accreditation and certification in the robotics era

Speaker: Erik Wilson (USA)

A8.3: 08.30 – 08.45: Economic, healthcare policy and reimbursement issues impacting robotic adoption in Europe

Speaker: Monika Hagen (Switzerland)

A8.4: 08.45 – 09.00: Panel Discussion

A8.5: 09.00- 09.15: RYGB: Technique and Literature Review

Speaker: Keith Kim (USA)

A8.6: 09.15 – 09.30: Sleeve Gastrectomy: Totally Robotic technique using robotic stapler: Advantages and Limitations

Speaker: Erik Wilson (USA)

A8.7: 09.30 – 09.45: Revisional Surgery: Maximizing the advantages of robotics

Speaker: Stephen Scott (USA)

A8.8: 09.45 – 10.00: Panel discussion

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: A6

Track: oral abstracts and invited presentations

Venue: Moore

Name: **Gastric banding**

Chair: Lilian Kow (Australia)

Moderators: Jerome Dargent (France), Chandra Cheruvu (UK)

Format: 6 Oral presentations (10 minute + 5 minutes for discussions each paper)
+ 1 invited lecture (20 minutes) + 10 minute discussion

A6.1: 08.00 – 08.15: Oral presentation 1 - 1071

A6.2: 08.15 – 08.30: Oral presentation 2 - 668

A6.4: 08.30 – 08.45: Oral presentation 3 - 222

A6.5: 08.45 - 09.00: Oral presentation 4 - 777

A6.6: 09.00 – 09.15: Oral presentation 5 - 804

A6.7: 09.15 – 09.30: Oral presentation 6 - 441

A6.7: 09.30 – 09.50: Invited lecture – Is there a role for adjustable gastric
banding in 2017?

Speaker: Jaime Ponce (USA)

09.50-10.00 - Discussion

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: A7

Track: oral abstracts and invited presentations

Venue: Abbey

Name: **Pre-operative care**

Chair: Tracy Martinez (USA)

Moderators: Kesava Mannur (UK), Francois Pattou (France), Jeremy Gilbert (UK)

Format: 6 Oral presentations (10 minute + 5 minutes for discussions each paper)

1 invited lectures (20 minute + 10 minutes discussion)

A7.1: 08.00 – 08.15: Oral presentation 1 - 671

A7.2: 08.15 – 08.30: Oral presentation 2 - 883

A7.4: 08.30 – 08.45: Oral presentation 3 - 895

A7.5: 08.45 - 09.00: Oral presentation 4 - 678

A7.5: 09.00 – 09.15: Oral presentation 5 - 34

A7.6: 09.15 – 09.30: Oral presentation 6 - 556

A7.7: 09.30 – 09.50: Invited lecture: The role of the bariatric nurse specialist in a busy bariatric program – Alice Jackson (USA)

09.50-10.00: Discussion

22nd WORLD CONGRESS

29 August to 2 September 2017

QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: A8

Track: oral abstracts and invited presentations

Venue: Windsor

Name: **Bariatric Surgery and Mental Health – pre and post-op challenges**

Chair: Stephanie Sogg (USA)

Moderators: Denise Ratcliffe (UK), Kamal Mahawar (UK)

Format: 4 Oral presentations (10 minute + 5 minutes for discussions each paper)
+ 3 invited lectures (15 minute each + 15 minute discussion at end)

A5.1: 08.00 – 08.15: Oral presentation 1 - 210

A5.2: 08.15 – 08.30: Oral presentation 2 - 886

A5.3: 08.30 – 08.45: Oral presentation 3 - 571

A5.4: 08.45 – 09.00: Oral presentation 4 - 461

A5.5: 09.00 – 09.15: Invited lecture 1 – Are there any psychological
contraindications for bariatric surgery?

Speaker: Jackie Doyle (UK)

A5.6: 09.15 – 09.30: Invited lecture 2 – Do psychological evaluations and
interventions before bariatric surgery influence post-operative results?

Speaker: Jane Ogden (UK)

A5.7: 09.30 – 09.45: Invited lecture 3 - Does bariatric surgery increase suicide
risk? The evidence

Speaker: Kamal Mahawar (UK)

A5.8: 09.45 – 10.00: Discussion

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity & Metabolic Surgery Society

International Federation for the Surgery of Obesity and Metabolic Disorders

Session: A9

Track: symposium

Venue: **Mountbatten**

Name: Joint EAES-IFSO symposium

Chair: Nicola di Lorenzo (Italy), Natan Zundel (USA)

Moderators: Manoel Galvao Neto (Brazil), Ramon Vilallonga (Spain), Gianfranco Silecchia (Italy)

Format: Invited speakers (15 minute presentation and 5 minutes discussion)

A9.1: 08.00-08.20: Is endoluminal the right approach?

Speaker: Manoel Galvao Neto (Brazil)

A9.2: 08.20-08.40: Can we better control po bleeding in bariatric surgery?

Speaker: Michel Gagner (Canada)

A9.3: 08.40-09.00: Solutions for chronic fistulas after sleeve gastrectomy

Speaker: Catalin Copaescu (Romania)

A9.4: 09.00-09.20: Tips and tricks for proper bowel positioning in bypass procedures

Speaker: Michel Vix (France)

A9.5: 09.20-09.40: Portal vein thrombosis after bariatric surgery

Speaker: Nicola Di Lorenzo (Italy)

A9.6: 09.40-10.00: Is Robotics a better tool for revisional surgery?

Speaker: Ramon Vilallonga (Spain)

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: A10

Track: oral abstracts presentations

Venue: Albert

Name: Outcomes of bariatric procedures abstracts

Chair: James Byrne (UK)

Moderators: Estuardo Behrens (Guatemala), Emma Patterson (USA), Ronit Grinbaum (Israel)

Format: 8 Oral presentations (10 minute + 5 minutes for discussions each paper)

A10.1: 08.00 – 08.15: Oral presentations 1 - 267

A10.2: 08.15 – 08.30: Oral presentation 2 - 970

A10.4: 08.30 – 08.45: Oral presentation 3 - 189

A10.5: 08.45 - 09.00: Oral presentation 4 - 688

A10.5: 09.00 – 09.15: Oral presentation 5 - 202

A10.6: 09.15 – 09.30: Oral presentation 6 - 387

A10.7: 09.30 – 09.45: Oral presentation 7 - 266

A10.8: 09.45 – 10.00: Oral presentation 8 – 858

22nd WORLD CONGRESS

29 August to 2 September 2017

QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: B1

Track: invited presentations

Venue: Great Hall

Name: **Royal Flush: Best of British**

Chair: Richard Welbourn (UK)

Moderators: Alberic Fiennes (UK), Sean Woodcock (UK)

B1.1: 10.30-10.45: Why does society find it so hard to accept interventions for obesity as mainstream treatments?

Speaker: Prof Phil James (UK)

10.45-10.55: Questions

B1.2: 10.55-11.10: Obesity as a biological condition; not a moral failing

Speaker: Prof Sir Steve O'Rahilly (UK)

11.10-11.20: Questions

B1.3: 11.20-11.35: How close are we to a medical bypass?

Speaker: TBC

11.35-11.45: Questions

B1.4: 11.45: 12.00: What our genes tell us and what does surgery have to do to become a mainstream treatment for obesity?

Speaker: TBC

12.00-12.10: Questions

B1.5: 12.10-12.30

Panel discussion: What it is that we need to do now to move forward in the face of better evidence and declining numbers of bariatric surgery operations?

Panel: Alberic Fiennes (UK), Prof Phil James (UK), Prof Sir Steve O'Rahilly (UK), Richard Welbourn (UK), Sean Woodcock (UK), TBC

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: B2

Track: video presentations

Venue: Churchill

Name: **Top video session**

Chair: Jacques Himpens (Belgium)

Moderators: Peter Small (UK), Pradeep Chowbey (India), Mehran Anvari
(Canada), Almino Ramos (Brazil)

Format: 10 video presentations (7 minutes + 5 minutes discussion)

B2.1: 10.30 – 10.42: Video 1 - 959

B2.2: 10.42 – 10.54: Video 2 - 1123

B2.3: 10.54 – 11.06: Video 3 - 870

B2.4: 11.06 – 11.18: Video 4 - 847

B2.5: 11.18 – 11.30: Video 5 - 181

B2.6: 11.30 – 11.42: Video 6 - 974

B2.7: 11.42 – 11.54: Video 7 - 1047

B2.8: 11.54 – 12.06: Video 8 - 1128

B2.9: 12.06 - 12.18: Video 9 - 921

B2.10: 12.18 – 12.30: Video 10 - 429

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: B3

Track: oral abstracts presentations

Venue: Victoria

Name: Late complications of bariatric surgery - prevention and management session - abstracts

Chair: Antonio Torres (Spain)

Moderators: Aurora Pryor (USA), Norbert Schroeder (UK), Antonio Iannelli (France)

Format: 8 oral presentations (10 minute + 5 minutes for discussions each paper)

B3.1: 10.30 – 10.45: Oral presentation 1 - 254

B3.2: 10.45 – 11.00: Oral presentation 2 - 606

B3.3: 11.00 – 11.15: Oral presentation 3 - 37

B3.4: 11.15 – 11.30: Oral presentation 4 - 99

B3.5: 11.30 – 11.45: Oral presentation 5 - 800

B3.6: 11.45 – 12.00: Oral presentation 6 - 1124

B3.7: 12.00 – 12.15: Oral presentation 7 - 1073

B3.8: 12.15 – 12.30: Oral presentation 8 - 42

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity & Metabolic Surgery Society

International Federation for the Surgery of Obesity and Metabolic Disorders

Session: B4

Track: symposium

Venue: St James

Name: Medical and Metabolic Symposium in collaboration with EASO (Part 2) - Mechanisms contributing to the beneficial effect of bariatric surgery in engendering sustained weight reduction and improvement in glycaemic control

Chair: TBC

Moderators: Luca Busetto (Italy), Marco Bueter (Switzerland)

B4.1: 10.30-10.50: Altered GI signals

Speaker: TBC

B4.2: 10.50-11.10: Alter glucose transport

Speaker: Francois Pattou (France)

B4.3: 11.10-11.30: Altered reward: Bile acids and microbiota

Speaker: Marco Bueter (Switzerland)

B4.4: 11.30-11.50: Altered energy expenditure

Speaker: Luca Busetto (Italy)

B4.5: 11.50-12.10: Modulating gut biology

Speaker: Dimitri Pournaras (UK)

B4.6: 12.10-12.30: Panel discussion

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: B5

Track: symposium

Venue: Westminster

Name: **Robotic symposium - part 2**

Chair: Keith Kim (USA)

Moderators: Erik Wilson (USA), Arun Prasad (India)

B5.1: 10.30 – 10.45: ICG Fluorescence: Role of routine use in primary cases
versus selected complex cases

Speaker: Carlos Vaz (Portugal)

B5.2: 10.45 – 11.00: Does the robot offer an advantage in the presence of
challenging hiatal and paraoesophageal hernias?

Speaker: Carlos Domene (Brazil)

B5.3: 11.00 – 11.15: Converting prior funduplications to the proper anti-reflux
operation in the morbidly obese: robotic approach to fundoplication conversion
to gastric bypass

Speaker: Keith Kim (USA)

B5.4: 11.15 – 11.30: Evolution of why the robot for ventral hernia and
advantages of robotic approach

Speaker: Eric Wilson (USA)

B5.5: 11.30 – 11.45: Robotic IPOM with closure of defect versus robotic
preperitoneal approach

Speaker: Stephen Scott (USA)

B5.6: 11.45 – 11.55: Panel discussion

B5.7: 11.55 – 12.10: Xi, SP, Integrated Table, Robotic Staplers: What are the
added advantages?

Speaker: Monika Hagan (Switzerland)

B5.8: 12.10 – 12.30: Panel Discussion: What do surgeons want in the next robotic
platform?

IFSO 2017

Thursday 31st August

22nd WORLD CONGRESS

29 August to 2 September 2017

QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: B6

Track: oral abstracts and debate

Venue: Moore

Name: **Sleeve Gastrectomy** - Session 1

Chair: John Melissas (Greece)

Moderators: Vinod Menon (UK), David Nocca (France), Bruno Dillemans (Belgium)

Format: 6 oral presentations (10 minute + 5 minutes for discussions each paper)
+ debate

B6.1: 10.30 – 10.45: Oral presentation 1 - 480

B6.2: 10.45 – 11.00: Oral presentation 2 - 819

B6.3: 11.00 -11.15: Oral presentation 3- 680

B6.5: 11.15 - 11.30: Oral presentation 4 - 1103

B6.5: 11.30 – 11.45: Oral presentation 5 - 325

B6.6: 11.45 – 12.00: Oral presentation 6 - 745

12.00 -12.30: Debate: Sleeve gastrectomy is currently the 'gold standard'
bariatric operation

B6.7a: 12.00 – 12.07: Pro: Speaker: David Kerrigan (UK) - 7 minutes

B6.7b: 12.07- 12.14: Against: Michel Suter (Switzerland) - 7 minutes

B6.7c: 12.14 – 12.17: Rebuttal Pro: Speaker: David Kerrigan (UK)- 3 minutes

B6.7d: 12.17-12.20: Rebuttal Against: Michel Suter (Switzerland)- 3 minutes

B6.7e: 12.20 – 12.30: Discussion and audience vote

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: B7

Track: oral abstracts and invited presentations

Venue: Abbey

Name: **Bariatric surgery in older individuals**

Chair: Alan Wittgrove (USA)

Moderators: Moshe Rubin (Israel), Laurent Layani (Australia), TBC

Format: 1 invited lectures (20 minute + 10 discussion) + 6 Oral presentations
(10 minute + 5 minutes for discussions each paper)

B7.1: 10.30 – 10.50: Invited lecture: Managing the older bariatric patients –
special considerations in the over 65s - Tracy Martinez (USA)

B7.2: 10.50 – 11.00: Discussion

B7.4: 11.00 – 11.15: Oral presentation 1 - 767

B7.5: 11.15 - 11.30: Oral presentation 2 - 718

B7.5: 11.30 – 11.45: Oral presentation 3 - 1099

B7.6: 11.45 – 12.00: Oral presentation 4 - 677

B7.7: 12.00 – 12.15: Oral presentation 5 - 339

B7.8: 12.15 – 12.30: Oral presentation 6 - 968

22nd WORLD CONGRESS

29 August to 2 September 2017

QEII Centre, London

Organised by:

The British Obesity & Metabolic Surgery Society

International Federation for the Surgery of Obesity and Metabolic Disorders

Session: B8

Track: oral abstracts and invited presentations

Venue: Windsor

Name: **Multidisciplinary management**

Chair: Mary O'Kane (UK)

Moderators: Billy White (UK), Colm O'Boyle (ROI)

Format: 3 invited lectures (15 minute each + 15 minute discussion at end) + 4 oral presentations (10 minute + 5 minutes for discussions each paper)

B8.1: 10.30 - 10.45: Invited lecture 1 – It's all in how you say it - bad words in bariatric and metabolic surgery

Speaker: Stephanie Sogg (USA)

B8.2: 10.45 – 11.00: Invited lecture 2 – Are probiotics beneficial after bariatric surgery?

Speaker: Shiri Sherf-Dagan (Israel)

B8.3: 11.00 – 11.15: Invited lecture 3- Outcome reporting in bariatric and metabolic surgery

Speaker: Karen Coulman (UK)

B8.5: 11.15 - 11.30: Discussion

B8.5: 11.30 – 11.45: Oral presentation 1 - 611

B8.6: 11.45 – 12.00: Oral presentation 2 - 963

B8.7: 12.00 – 12.15: Oral presentation 3 - 783

B8.8: 12.15 – 12.30: Oral presentation 4 - 935

22nd WORLD CONGRESS

29 August to 2 September 2017

QEII Centre, London

Organised by:

The British Obesity & Metabolic Surgery Society

International Federation for the Surgery of Obesity and Metabolic Disorders

Session: B9

Track: symposium

Venue: Mountbatten

Name: **Pan-Arab Symposium**

Session Chair: Abdelrahman Nimeri (UAE)

B9.1: 10:30-10:35: Introduction and Remarks

Speaker: Abdelrahman Nimeri (UAE)

10:35 -11:25 Part 1 - **Current Middle East Experience**

Moderators: Mohamed El Kalaawy (UK/Egypt), Enas Al Alawi (UAE)

B9.2: 10:35-10:45 Trends of peri-operative bariatric surgery practice in the Middle East.

Speaker: Abdelrahman Nimeri (UAE)

B9.3: 10:45-10:55 Is sleeve gastrectomy really suitable as a primary bariatric procedure? What we have learned from >3000 LSG.

Speaker: Moataz Bashah (Qatar)

B9.4: 10:55-11:05: What have we learned about OAGB/MGB after more than 1500 patients?

Speaker: Osama Taha (Egypt)

B9.5: 11:05-11:15: The largest adolescent experience in the world: LSG is the ideal procedure.

Speaker: Aayed Al Qahtani (KSA)

B9.6: 11:15-11:25: Laparoscopic hand sewn RYGB multi center experience of 1500 patients

Speaker: Ahmad Bashir (Jordan)

11:25 - 12:30: Part 2: **Re-operative Bariatric surgery in the Middle East**

Moderators: Sherif Hakky (UK), Khaled Gawdat (Egypt)

B9.7: 11:45-11:55 LAGB to OAGB/MGB

Speaker: Hayssam Fawal (Lebanon)

IFSO 2017

Thursday 31st August

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

B9.8: 11:35-11:45: LAGB to LSG

Speaker: Salman Al Sabah (Kuwait)

B9.7: 11:25-11:35: Reversal of gastric bypass

Speaker: Mohamed El Kalaawy (UK/Egypt)

B9.10: 11:55-12:05: Re-operative surgery - comparison of UK and Middle East
practice

Speaker: Sherif Hakky (UK)

B9.11: 12:05-12:15 Options for insufficient weight loss/weight regain after
LRYGB

Speaker: Tahir Yunus (KSA)

B9.12: 12.15-12.30: Discussion & Questions

Discussion & Questions

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: B10

Track: oral abstract presentations

Venue: Albert

Name: **Peri-operative care abstracts**

Chair: Mike Margaron (UK)

Moderators: Om Tanta (India), Adriana Rotundo (UK)

Format: 8 oral presentations (10 minute + 5 minutes for discussions each paper)

B10.1: 10.30 – 10.45: Oral presentation 1 - 511

B10.2: 10.45 – 11.00: Oral presentation 2 - 1002

B10.3: 11.00 – 11.15: Oral presentation 3 - 475

B10.4: 11.15 – 11.30: Oral presentation 4 - 464

B10.5: 11.30 – 11.45: Oral presentation 5 - 17 (presenter - faculty member)

B10.6: 11.45 – 12.00: Oral presentation 6 - 289

B10.7: 12.00 – 12.15: Oral presentation 7 - 719

B10.8: 12.15 – 12.30: Oral presentation 8 – 943

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity & Metabolic Surgery Society

International Federation for the Surgery of Obesity and Metabolic Disorders

Session: C1

Track: symposium

Venue: Great Hall

Name: **New technologies symposium**

Format: invited lectures and debates

Chair: Natan Zundel (USA)

Moderators: Salman Al-Sabah (Kuwait), George Eid (USA), Marcus Reddy (UK), Karl Miller (Austria), Barham Abu Dayyeh (USA)

C1.1: Debate: **Gastric aspiration technology is beneficial**

C1.1a: 14.00 – 14.07: Pro: Chris Thompson (USA)

C1.1b: 14.07 – 14.14: Against: TBC

Rebuttal

C1.1c: 3 minutes: Chris Thompson (USA)

C1.1d: 3 minutes: TBC

14.20 – 14.30: Discussion

C1.2: 14.30 – 14.45: **The role of virtual reality in surgical training**

Speaker: Mr Shafi Ahmed (UK)

C1.3: 14.45 – 15.00: **The vagus nerve as a target for bariatric and metabolic interventions – is there a future?**

Speaker: Dr Scott Shikora (USA)

C1.4: 15.00 – 15.15: **Endoscopic metabolic procedures – targeting the duodenum**

Speaker: Manoel Galvao Neto (Brazil)

C1.5: 15.15- 15.30: **What's new in balloon technology?**

Speaker: Gontrand Lopez-Nava (Spain)

C1.6: 15.30 - 16.00: **Do new technologies have a role in the management of reflux after bariatric surgery?**

15.30- 15.37 Yes -Linx

Speaker: Eric Wilson (USA)

IFSO 2017

Thursday 31st August

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

15.37- 15.44 Yes – Endoscopic radiofrequency treatment
Speaker: TBC

15.44- 15.51 No - Revisional surgery is best
Speaker: Kelvin Higa (USA)

Discussion: 9 minutes

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: C2

Track: video presentations

Venue: Churchill

Name: **Bad day in the OR (video session)**

Chair: James Byrne (UK)

Moderators: Rachel Moore (USA), Mohammed El Kallawy (UK), Ahmad Mahajna (Israel)

Format: 10 video presentations (7 minutes + 5 minutes discussion)

C2.1: 14.00 – 14.12: Video 1 - 1069

C2.2: 14.12 – 14.24: Video 2 - 938

C2.3: 14.24 – 14.36: Video 3 - 803

C2.4: 14.36 – 14.48: Video 4 - 414

C2.5: 14.48 – 15.00: Video 5 - 236

C2.6: 15.00 – 15.12: Video 6 - 258

C2.7: 15.12 – 15.24: Video 7 - 324

C2.8: 15.24 – 15.36: Video 8 - 917

C2.9: 15.36 - 15.48: Video 9 - 230

C2.10: 15.48 – 16.00: Video 10 – Invited video

Presenter: Shima Jamshidi

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: C3

Track: oral abstract and invited presentations

Venue: Victoria

Name: **Training in obesity and bariatric surgery**

Chair: Stacy Brethauer (USA)

Moderators: Sanjay Agrawal (UK), Nasser Sakran (Israel)

C3.1: 14.00 – 14.15: Oral presentation 1 - 660

C3.2: 14.15 – 14.30: The role of journal clubs in 2017

Speaker: Richard Peterson

C3.3: 14.30 – 14.45: The role of social media

Speaker: Haris Khwaja (UK)

C3.4: 14.45 – 15.00: Training surgical trainees to become competent bariatric surgeons

Speaker: Stacy Brethauer (USA)

C3.5: 15.00 – 15.15: Training in bariatric endoscopy

Speaker: Christine Stier (Germany)

C3.6: 15.15 – 15.30: Training allied health professionals

Speaker: Alice Jackson (USA)

C3.7: 15.30 – 15.45: Maintaining knowledge and skills in established bariatric surgeons

Speaker: TBC

C3.8: 15.45 – 16.00: Discussion

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: C4

Track: symposium

Venue: St James

Name: **Metabolic symposium Part 3** - Comparing metabolic operations

Chair: Shaw Somers (UK)

Moderators: Mario Musella (Italy), Pradeep Chowbey (India), Cynthia-Michelle Borg (UK)

14.00-15.05: Which is the best metabolic operation?

C4.1: 14.00-14.10: RYGB

Speaker: Alan Wittgrove (USA)

C4.2: 14.10-14.20: MGB/OAGB

Speaker: Jean Marc Chevalier (France)

C4.3: 14.20-14.30: Sleeve gastrectomy +/- duodenal switch

Speaker: Michel Gagner (Canada)

C4.4: 14.30-14.40: SADI

Speaker: Antonio Torres (Spain)

C4.5: 14.40-14.50: Ileal interposition

Speaker: Surendra Ugale (India)

14.50-15.05 Panel discussion, questions from floor and audience vote

15.05-16.00: Complications of metabolic surgery

C4.6: 15.05-15.15: Internal hernias after RYGB

Speaker: Shaw Somers (UK)

C4.7: 15.15-15.30: Mineral and vitamin deficiency after metabolic surgery

Speaker: Manisha Sharma (UK)

IFSO 2017

Thursday 31st August

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

C4.8: 15.30-15.40: Reflux after sleeve - is it preventable? What are the long term consequences?

Speaker: Luigi Angrisani (Italy)

C4.8: 15.40-15.50: Chronic abdominal pain after bariatric surgery

Speaker: Torsten Olbers (Sweden)

15.50-16.00: Discussion

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: C5

Track: oral abstracts and invited presentations

Venue: Westminster

Name: **Nutrition and bariatric surgery**

Chair: Harry Frydenberg (Australia)

Moderators: Mary O'Kane (UK), Maureen Boyle (UK), Amy Bull (UK)

Format: 2 invited lectures (10 minute each + 5 minute discussion at end of both)
+ 5 Oral presentations (10 minute + 5 minutes for discussions each paper)

C5.1: 14.00 – 14.15: Invited lecture 1 – Nutritional follow-up of patients
undergoing bariatric surgery
Speaker: Mary O'Kane (UK)

C5.2: 14.15 – 14.30: Invited lecture 2 - Emotions, food and obesity
Speaker: Chandra Cheruvu (UK)

C5.4: 14.30 – 14.45: Discussion

C5.5: 14.45 - 15.00: Oral presentation 1 - 780

C5.5: 15.00 – 15.15: Oral presentation 2 - 509

C5.6: 15.15 – 15.30: Oral presentation 3 - 1079

C5.7: 15.30 – 15.45: Oral presentation 4 -1092

C5.8: 15.45 – 16.00: Oral presentation 5 - 209

22nd WORLD CONGRESS

29 August to 2 September 2017

QEII Centre, London

Organised by:

The British Obesity & Metabolic Surgery Society

International Federation for the Surgery of Obesity and Metabolic Disorders

Session: C6

Track: symposium

Venue: Moore

Name: **IFSO Bariatric Surgery National Registries**

Moderators: Richard Welbourn (UK), John Morton (USA), John Dixon (Australia)

C6.1: 14.00 – 14.15: Introduction, Review of goals of registries and what should be common elements between all national registries, update on consensus statement

Speaker: Richard Welbourn (UK)

C6.2: 14.15 – 14.30: USA - MBSAQIP

Speaker: John Morton (USA)

C6.3: 14.30 – 14.42: Sweden - SOREG

Speaker: Johan Ottosson (Sweden)

C6.4: 14.42- 14.54: Dutch registry

Speaker: Ronald Liem (Holland)

C6.5: 14.54 – 15.06: UK registry

Speaker: Marco Adamo (UK)

C6.6: 15.06 – 15.18: Canadian registry

Speaker: Mehran Anvari (Canada)

C6.7: 15.18 – 15.30 – Australian registry

Speaker: Wendy Brown (Australia)

C6.8: 15.30 – 15.42: Germany

Speaker: Rudolf Weiner (Germany)

C6.9: 15.42 – 16.00: Panel discussion and consensus discussion

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: C7

Track: symposium

Venue: Abbey

Name: **Bariatric Anaesthesia Symposium in conjunction with SOBA:
Part 1 - Sleep Apnoea and the Surgeon**

Chair: Euan Shearer (UK)

Moderators: Jonathan Redman (UK), Nick Barron (UK)

C7.1: 14.00 - 14.20 Fundamentals of sleep apnoea: what everyone must know
Speaker: Jonathan Redman (UK)

C7.2: 14.20 – 14.40 Screening and investigating sleep apnoea
Speaker: Mike Margaron (UK)

C7.3: 14.40- 14.50 Questions and Discussion 1

C7.4: 14.50 – 15.10 When and who to defer for treatment
Speaker: Nick Barron (UK)

C7.5: 15.10 – 15.30 Safe peri-operative management
Speaker: Chris Bouch (UK)

C7.6: 15.30 – 15.40 Questions and Discussion 2

15.40-16.00 - Debate

“My patient can walk up a flight of stairs easily: he doesn't need a sleep study”

C7.7: Pro: Jonathan Cousins (UK)

C7.8: Con: TBC

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: C8

Venue: Windsor

Track: symposium

Name: The Adolescent with severe and complex obesity - Part 1: Is Bariatric Surgery the Only Option?

Format: Invited speakers + oral presentations

Chair: Ahmed Ahmed (UK)

Panel: Samer Mattar (USA), Aayed Al Qahtani (KSA), Billy White (UK)

C8.1: 14.00 - 14.20 Prevention strategy – Does it work or is it destined for failure?

Speaker: Saji Alexander (UK)

C8.2: 14.20 - 14.45 Medical management of obesity in adolescents

Speaker: Billy White (UK)

C8.3: 14.45 - 15.15 Preparing young people for surgery – what are the key differences?

Speaker: TBC

C8.4: 15.15 - 15.30 Panel Discussion

Oral Presentations

C8.5: 15.30 - 15.45: Oral presentation 1 (10 minutes + 5 discussion) - 314

C8.6: 15.45 - 15.50: Oral presentation 2 (10 minutes + 5 discussion) - 996

22nd WORLD CONGRESS

29 August to 2 September 2017

QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: C9

Track: symposium

Venue: Mountbatten

Name: **IFSO Latin American Chapter Symposium**

Part 1: Revisional surgery (this part of the program will be in Spanish)

Chairs: Juan Antonio López-Corvalá (Mexico), Estuardo J. Behrens (Guatemala)

Moderators: Miguel Herrera (Mexico), Luis Poggi (Peru), Sergio Aparicio (Bolivia)

C9.1: 14:00 - 14.10: Revisional surgery – when is it worthwhile?

Speaker: Caetano Marchesini (Brazil)

C9.2: 14:10 – 14.20: Which is the best procedure for gastric banding poor responders?

Speaker: Pablo Omelanczuk (Argentina)

C9.3: 14:20 – 14.30: Which is the best procedure for gastric sleeve poor responders?

Speaker: Raúl Rosenthal (USA)

C9.4: 14:30 – 14.40: Which is the best procedure for gastric bypass poor responders?

Speaker: Almino Cardoso Ramos (Brazil)

C9.5: 14:50 – 15.00: Can the multidisciplinary team avoid a revisional surgery?

Speaker: Carmen Calleja (Mexico)

C9.6: 15:00 – 15.10: State of the Art in Revisional Surgery

Speaker: Jacques Himpens (Belgium)

C9.7: 15:10– 15:20 Discussion

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Part 2: Metabolic surgery (this part of the program will be in English)

Moderators: Max Torres (Ecuador), Alex Escalona (Chile), César Guevara (Colombia)

C9.8: 15.20 – 15.30: Metabolic Surgery - How does it work? Mechanisms.
Speaker: Ricardo Cohen (Brazil)

C9.9: 15:30 – 15.40: Metabolic Surgery - Results in patients BMI 30-35
Speaker: Camilo Boza (Chile)

C9.10: 15:40 – 15.50 - Metabolic Surgery guidelines
Speaker: TBC

C9.11: 15:50 -16:00 Discussion

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: C10

Track: oral abstract and invited presentations

Venue: Albert

Name: **Weight regain after bariatric surgery - the role of the multidisciplinary team**

Chair: Michel Suter (Switzerland)

Moderators: Denise Ratcliffe (UK), Tair Ben Porat (Israel), Jeremy Gilbert (UK)

Format: invited lectures + 3 oral presentations

C10.1: 14.00 – 14.15: Role of medication

Speaker: Alex Miras (UK)

C10.2: 14.15 – 14.30: Dietetic assessment and optimisation of patients with weight regain

Speaker: Kelli Edmiston (UK)

C10.4: 14.30 – 14.45: Psychological evaluation in patients with weight regain

Speaker: Vanessa Snowden-Carr (UK)

C10.5: 14.45 - 15.00: What are the surgical options?

Speaker: Michel Suter (Switzerland)

C10.5: 15.00 – 15.15: Discussion

C10.6: 15.15 – 15.30: Oral presentation 1 - 380

C10.7: 15.30 – 15.45: Oral presentation 2 - 338

C10.8: 15.45 – 16.00: Oral presentation 3 - 101

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity & Metabolic Surgery Society

International Federation for the Surgery of Obesity and Metabolic Disorders

Session: D1

Track: invited presentations

Venue: Great Hall

Name: Medium and long-term outcomes of bariatric surgery

Chair: Richard Welbourn (UK)

Panel: Luigi Angrisani (Italy), Kazunori Kasama (Japan), Manisha Sharma (UK),
Gerhard Prager (Austria)

D1.1: 16.30-16.45: Utah Obesity Study 12-year data

Speaker: Ted D Adams (USA)

D1.2: 16.45-17.00: Swedish Obese Subjects Study 20-year data

Speaker: Lena Carlsson (Sweden)

D1.3: 17.00-17.15: STAMPEDE trial 5-year results

Speaker: Philip Schauer (USA)

D1.4: 17.15-17.30: Long-term outcomes after bariatric surgery including 20 year
data on gastric banding

Speaker: Paul O'Brien (Australia)

17.30-18.00: Discussion

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: D2

Track: video presentations

Venue: Churchill

Name: **Even worse day in the OR (video session)**

Chair: Mal Fobi (USA/India)

Moderators: Luc Lemmens (Belgium), Avril Chang (UK), Richard M Peterson (USA), Yuri Yashkov (Russia)

Format: 7 video presentations (7 minutes + 5 minutes discussion)

D2.1: 16.30 – 16.42: Video 1 - 444

D2.2: 16.42 – 16.54: Video 2 - 1114

D2.3: 16.54 – 17.06: Video 3 - 285

D2.4: 17.06 – 17.18: Video 4 - 288

D2.5: 17.18 – 17.30: Video 5 - 201

D2.6: 17.30 – 17.42: Video 6 - 282

D2.7: 17.42 – 17.54: Video 7 - 1120

17.54-18.00: Questions

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: D3

Track: oral abstracts and invited presentations

Venue: Victoria

Name: **Technology, obesity and bariatric surgery**

Chair: Peter Small (UK)

Moderators: Konrad Karcz (Germany), Mario Musella (Italy)

Format: 4 Oral presentations (10 minute + 5 minutes for discussion) + 1 invited speaker (15 min + 15 for discussion)

D3.1: 16.30 – 16.45: Oral presentation 1 - 897

D3.2: 16.45 – 17.00: Oral presentation 2 - 754

D3.3: 17.00 – 17.15: Oral presentation 3 - 316

D3.4: 17.15 – 17.30: Oral presentation 4 - 740

D3.5: 17.30 – 17.45: Invited lecture – The role of patient apps in the bariatric surgery journey

Speaker: Yitka Graham (UK)

D3.6: 17.45 – 18.00: Discussion

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: D4

Track: symposium

Venue: St James

**Name: Medical and Metabolic Symposium Part 4: State of the art
management of overweight and obese people with type 2 diabetes**

Chair: Ralph Peterli (Switzerland)

Moderator: Marco Bueter (Italy), Henry Buchwald (USA),

D4.1: 16.30-16.50: How do we address the translation gap between guidelines
and implementation?

Speaker: TBC

D4.2: 16.50-17.10: When should surgery be recommended as first line therapy
and when should it be reserved for rescue therapy?

Speaker: John Dixon (Australia)

D4.3: 17.10-17.30: When should surgery be recommended in people with lower
BMI?

Speaker: TBC

D4.4: 17.30-17.50: What evidence is needed for new procedures to be used in
people with obesity and T2D?

Speaker: Ralph Peterli (Switzerland)

D4.5: 17.50-18.00: Discussion

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: D5

Track: oral abstract presentations

Venue: Westminster

Name: **Multidisciplinary post-operative management**

Chair: Vinod Menon (UK)

Moderators: Karin Dolezalova (Czech Republic), Helen Moffat (UK)

Format: 6 Oral presentations (10 minute + 5 minutes for discussions each paper)

D5.1: 16.30 – 16.45: Oral presentation 1 - 1024

D5.2: 16.45 – 17.00: Oral presentation 2 - 973

D5.3: 17.00 – 17.15: Oral presentation 3 - 594

D5.5: 17.15 - 17.30: Oral presentation 4 -390

D5.5: 17.30 – 17.45: Oral presentation 5 -550

D5.6: 17.45 – 18.00: Oral presentation 6 - 486

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: D6

Track: oral abstracts and invited presentations

Venue: Moore

Name: **Malabsorptive bariatric operations - abstracts**

Chair: Kesava Mannur (UK)

Moderators: Neil Jennings (UK), Ramon Vilallonga (Spain)

Format: 5 oral presentations (10 minute + 5 minutes for discussions each paper)

D6.1: 16.30 – 16.45: Oral presentation 1 - 841

D6.2: 16.45 – 17.00: Oral presentation 2 - 630

D6.3: 17.00 – 17.15: Oral presentation 3 - 724

D6.4: 17.15 - 17.30: Oral presentation 4 - 983

D6.5: 17.30 – 17.45: Invited presentation - Single anastomosis DS - experimental or standard of care?

Speaker: Antonio Torres (Spain)

D6.6: 17.45 – 18.00: Discussion

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: D7

Track: symposium

Venue: Abbey

Name: **Bariatric Anaesthesia Symposium in conjunction with SOBA – Part 2
*Analgesia after Bariatric Surgery***

Chair: Jon Cousins (UK), Günther Frank (Austria)

D7.1: 16.30-16.50: Deep Neuromuscular Blockade and Enhanced Recovery
Speaker: TBC

D7.2: 16.50-17.10: Can we have surgery & anaesthesia without opioids?
Speaker: Jan Mulier (Belgium)

D7.3: 17.10-17.30: Deep Neuromuscular Blockade and Enhanced Recovery
Speaker: Naveen Eipe (Canada)

D7.4: 17.30-17.40: Questions and Discussion 1

17.40-17.55 Debate: “Deep Neuromuscular Blockade should be a Standard for
Laparoscopic Surgery”

D7.5: 17.40- 17.45: Pro: Thomas Fuchs-Büder (France)

D7.6: 17.45 – 17.50: Con: Euan Shearer (UK)

D7.7: 17.50-17.55: Questions and Discussion 2

D7.8 17.55–18:00: Summing up & closing remarks
Speaker: Jon Cousins

22nd WORLD CONGRESS

29 August to 2 September 2017
QEII Centre, London

Organised by:

The British Obesity &
Metabolic Surgery Society

International Federation for the
Surgery of Obesity and Metabolic Disorders

Session: D8

Track: symposium

Venue: Windsor

Name: The Adolescent with severe and complex obesity - Part 2: Bariatric Interventions in adolescents

Chair: Ahmed Ahmed (UK),
