

Programme

AIR 2017, the 7th Advancing ILD Research Educational Meeting

Barcelona, Spain 17–18 November 2017

Meeting Co-Chairs: Athol Wells, Maria Molina-Molina

Scientific Committee:

Carlo Albera, Katerina Antoniou, Jürgen Behr, Elisabeth Bendstrup, Vincent Cottin,
Bruno Crestani, Jim Egan, Thomas Geiser, Andreas Günther, Michael Kreuter,
Maria Molina-Molina, Venerino Poletti, Luca Richeldi, Carlos Robalo Cordeiro,
Anne-Marie Russell, Simon Walsh, Athol Wells, Marlies Wijssenbeek

Programme

Friday 17th November

13:00–13:05 Introduction and overview of Roche commitment to respiratory
Jean-Marc Haeusler TBD

13:05–13:10 Chairs' welcome and introduction
Athol Wells, Maria Molina-Molina

13:10–13:15 iPad demonstration
Agency

Session 1: ILD: A year in review
Chairs: Antje Prasse, Athol Wells

13:15–13:35 What's new in pathophysiology of fibrotic lung disease?
Thomas Geiser

13:35–13:55 Have we gained new insights into the mechanism of action of antifibrotic drugs?
Gisli Jenkins

13:55–14:15 What's new in ILD imaging?
Simon Walsh

Session 2: Early diagnosis and treatment of IPF
Chair: TBD

14:15–14:35 IPF diagnostic criteria: Imminent changes
Athol Wells

14:35–14:55 National treatment guidelines
Elisabeth Bendstrup

14:55–15:35 Debate: Should all patients with IPF be treated immediately upon diagnosis?
Patient organisation representative: Nicola Cassidy
Pro: Venerino Poletti; Con: António Morais

15:35–15:55 *Coffee break*

15:55–17:00 MDT case discussion

- Breakout session Purple
- Breakout session Blue
- Breakout session Grey

Chair clinicians x 3 (Ulrich Costabel, Martin Kolb, Martina Vašáková)

Radiologists x 3 (Sujal Desai TBD, Nicola Sverzellati, Simon Walsh)

Pathologists x 3 (Andrew Nicholson, Alberto Cavazza TBD, Jose Ramírez TBD)

Programme

Friday 17th November

Session 3: Real-world patient management
Chair: Carlos Robalo Cordeiro

- 17:00–17:20 Persisting with antifibrotic treatment – what can we learn from real-world data?
Wim Wuyts
- 17:20–17:40 Quality of life in real-world IPF care
Marlies Wijsenbeek
- 17:40–18:00 Comorbidities and comedications in IPF – real-world insights
Michael Kreuter
- 18:00–18:30 Debate: Acute exacerbations and respiratory-related hospitalisation – what is more relevant for the real world?
Hospitalisation: Toby Maher; Acute exacerbations: Manuela Funke
- 18:30–18:35 *Summary and close of Day 1*
Athol Wells, Maria Molina-Molina

Programme

Saturday 18th November

08:30–08:35 Welcome back to Day 2
Athol Wells, Maria Molina-Molina

Session 4: Improving care in IPF – the patient perspective *Chair: Hilario Nunes TBD*

08:35–09:05 Debate: Is palliative care in IPF the same as oncology?
Pro: Anne-Marie Russell; Con: Sabrina Bajwah

09:05–09:25 Strengthening the patient voice in IPF – what can we learn from PAH?
Francesco Bonella

09:25–09:45 Effective patient advocacy in IPF in Europe
EU-IPFF representative: Liam Galvin

09:45–10:05 Raising awareness of IPF as a rare disease – the Italian IPF charter
Patient organization representative: Maria Luisa Parisi

10:05–10:30 *Coffee break and group photo*

Session 5: Grand rounds in ILD *Chairs: Sergio Harari, Dominique Valeyre TBD, Nazia Chaudhuri*

10:30–12:20 Case study reviews:

- Breakout session Purple
- Breakout session Blue
- Breakout session Grey

12:20–13:20 *Lunch*

Session 6: Combination therapy in IPF *Chairs: Carlo Albera, Diego Castillo*

13:20–13:40 Pirfenidone in combination with nintedanib
Claudia Valenzuela

13:40–14:00 Pulmonary hypertension & IPF – design of combination treatment studies
Jürgen Behr

14:00–14:20 Other combinations in IPF
Carlo Vancheri

Programme

Saturday 18th November

Session 7: Advancing ILD research – future directions
Chairs: Raphael Borie, Manuela Funke

- 14:20–14:40 Unclassifiable ILD and IPAF – diagnostic issues and treatment challenges
Vincent Cottin
- 14:40–15:00 Categorising disease subtypes: Genetic signatures of disease
Maria Molina-Molina
- 15:00–15:30 Debate: Is IPF an autoimmune disease?
Pro: Bruno Crestani; Con: Katerina Antoniou
- 15:30–15:50 ILD in rheumatological conditions (RA or SSc)
Christopher Denton TBD
- 15:50–15:55 *Concluding remarks*
Athol Wells, Maria Molina-Molina
