

### Young Endoscopists Poster Presentations

Amsterdam Live Endoscopy 2017 is happy to invite young endoscopists to share their research and/or remarkable cases with other participants. For this, there will be a continuous poster presentation during Monday and Tuesday. This poster presentation will be set up in the Amstel Foyer, the main area for coffee, tea and lunch.

With these poster presentations, we want to provide young endoscopists a platform to discuss their work with international colleagues. Abstracts will be printed in a booklet and distributed to all course participants.

To submit an abstract on-line:

[www.amsterdamendoscopy.com](http://www.amsterdamendoscopy.com).

The maximum word count is 350. You will be notified about acceptance for poster presentation within three weeks of submission. Last opportunity to submit is 1 November 2017.

Next ALE 2018: 17 & 18 December 2018

[www.amsterdamendoscopy.com](http://www.amsterdamendoscopy.com)

Dear colleagues & friends,

Amsterdam Live Endoscopy is one of the leading live-endoscopy meetings in Europe and maybe even in the world, with over 500 participants each year. The focus of this eleventh meeting is on demonstration of high quality established endoscopic techniques and at the same time a view into the future endoscopic diagnosis and therapy for patients with gastrointestinal diseases. We strictly follow the guidelines of the European Society of Gastrointestinal Endoscopy in order to have maximal educational benefit and at the same time protect our patients' best interest. It is an honor and a pleasure to invite you to come to the 11th edition of Amsterdam Live Endoscopy on Monday and Tuesday 18 & 19 December 2017. Like in 2016 we have Clinical Update Sessions on Monday morning, Monday afternoon and Tuesday morning as well as brief presentations on Recent Guidelines between every two live endoscopy blocks.

Our 2017 guest faculty will consist of: **Marianna Arvanitaki** (Brussels, Belgium), **Marco Bruno** (Rotterdam, the Netherlands), **Greg Haber** (New York, USA), **Alessandro Repici** (Milan, Italy), **Yutaka Saito** (Tokyo, Japan), **Siwan Thomas-Gibson** (London, UK) and **Michael Wallace** (Jacksonville, USA)

The entire local faculty, fellows and nursing staff of the Academic Medical Center look forward to welcoming you all again in Amsterdam in December 2017. We will do our utmost to make your visit an educational one and also make sure you will take home some new evidence-based knowledge, tips and tricks.

We hope to see you in the Okura hotel on 18 & 19 December 2017.

Paul Fockens, *chairman*

## International symposium with 35 live demonstrations, 3 sessions of Clinical Updates and presentations on Recent Guidelines

### Program Amsterdam Live Endoscopy Monday 18 December 2017
