Saturday 2nd September 2017 [Pre-ASM Courses]

0730 Pre-ASM Course Registration | Concourse, Ground Level, DCC
Nephrology and Transplantation Update Course | Waterfront Room 2, Level 2, DCC

0800-1700

The 2017 ANZSN Nephrology and Transplantation Update Course will be held in Waterfront Room 2 of the Darwin Convention Centre Saturday 3rd and Sunday 4th September. Both ASM delegates and non delegates are welcome to attend. Registration fees for full and day attendance can be viewed on the [Registration Page here](#).

Nephrology and Transplantation Update Course Dinner | Crocosaurus Cove

Crocosaurus Cove, located in the heart of Darwin city, allows visitors a unique, up close and personal view of Australia's iconic Saltwater Crocodiles. Bringing together some of the largest Saltwater Crocodiles in Australia & boasting the World's largest display of Australian reptiles, Crocosaurus Cove is a must see attraction when visiting Darwin and the Top End.

1830 till late

The Update Course dinner includes free admission to Crocosaurus Cove, animal handling, and don't miss the croc's feeding time!

Full Update Course delegates are inclusive, additional tickets can be purchased for guests and day delegates for \$110. Bookings essential!

Renal Dietitians Update Day | Meeting Room 1, Ground Level, DCC

This pre-congress meeting brings together Renal Dietitians from across Australia and New Zealand and South-East Asia. It provides an opportunity for Dietitians to:

- Share best practice in the area of nutrition for kidney disease
- Find out about the latest research and trends
- Network with colleagues

The topics covered in this year's event relate to the practice of Renal Dietetics in Indigenous populations. We will be focusing on the importance of Health Literacy and consumer engagement in order to effectively deliver nutrition education.

View the [Renal Dietitians Update Day Program here](#). Registration fees can be viewed on the [Registration Page here](#).

0700-0745 ***Clinical Trial Datasets – increasing the value of clinical trials***

The AKTN is once again hosting a breakfast meeting! Put aside 7-8am on Tuesday, 5th September and join us for a discussion about planned and completed analyses arising from AKTN's clinical trial datasets. We particularly encourage early career researchers to attend and anyone with an interest in bringing a clinical trial to life. Come and meet other researchers and network with our team. Please register below. Places limited. We look forward to seeing you!
