

Clinical Expert Workshop

Bonaduz and Zurich, Switzerland

Concept

University Hospital Zurich and Hamilton Medical hosts INTELLiVENT-ASV expert workshops to provide advanced training for respiratory experts from all over the world. These workshops encourage the exchange of know-how and expertise about the latest developments in mechanical ventilation. The Clinical Expert Workshop in Bonaduz and Zürich, Switzerland is focused on INTELLiVENT-ASV.

Trainer

Dr. med. Jean Michel Arnal, Senior Intensivist, Hôpital Sainte Musse, Toulon, France
Dr. med. Dominik Novotni, Manager Applied Research and New Technology, Hamilton Medical AG
Prof. Marco Maggiorini, University Hospital Zurich, Switzerland
Dr. med. Reto Schuepbach, University Hospital Zurich, Switzerland

We also invite international clinical experts and scientists as external trainers.

Requirements

- Fluent in English
- ICU physician or respiratory therapist
