

EMUC Symposium on Genitourinary Pathology and Molecular

Thursday, 16
November
14:30 - 17:30

Location: Room B1-2-3

Chairs: A. Briganti, Milan (IT)
R. Montironi, Ancona (IT)
A. Lopez-Beltran, Lisbon (PT)
H. Van Poppel, Leuven (BE)

- 14:40 - 14:50 **Biomarker, molecular and technological advances in genitourinary pathology**
R. Montironi, Ancona (IT)
H. Van Poppel, Leuven (BE)
- 14:50 - 15:20 **Urologic pathology: From pure morphology to predictive medicine**
K. Junker, Homburg (DE)
- 15:20 - 15:50 **Circulating tumor cells and biomarkers in genitourinary tumors**
To be confirmed
- 15:50 - 16:20 **Urinary biomarkers for prostate cancer**
M. Fiorentino, Bologna (IT)
- 16:20 - 16:50 **MiRNA in genitourinary tumors**
A. Lopez-Beltran, Lisbon (PT)
- 16:50 - 17:20 **PDL1 testing and immunotherapy for genitourinary organs**
G. Netto, Birmingham (US)
- 17:20 - 17:30 **Take home message: Emerging biomarkers in genitourinary tumors**
A. Lopez-Beltran, Lisbon (PT)
A. Briganti, Milan (IT)

Welcome and Introduction

Friday, 17 November
08:15 - 08:20

Location: Auditorium

Location: Auditorium

Chairs: R. Oyen, Leuven (BE)
T. Wiegel, Ulm (DE)
F. Montorsi, Milan (IT)

10:05 - 10:15

ProtecT: What have we learnt?
To be confirmed

10:15 - 10:25

Would modern staging change the results?
S. Boxler, Berne (CH)

10:25 - 10:35

The statistician point of view
M. Parmar, London (GB)

Coffee break and poster viewing

Friday, 17 November
10:50 - 11:20

Location: Expo Hall

Immunotherapy in urological cancers

Friday, 17 November
11:20 - 12:35

Location: Auditorium

Chairs: G. Attard, Sutton (GB)
A. Govorov, Moscow (RU)
R. Montironi, Ancona (IT)

11:20 - 11:35

Biological basics of immune therapy
To be confirmed

11:35 - 11:50

Prostate cancer (including interaction with RT)
To be confirmed

11:50 - 12:05

Bladder cancer
A. Necchi, Milan (IT)

12:05 - 12:20

Kidney cancer
T. Powles, London (GB)

Summary of EPCCCM

Friday, 17 November
12:35 - 12:45

Location: Auditorium

M. Wirth, Dresden (DE)

Lunch break and poster viewing

Friday, 17 November
12:45 - 14:00

Location: Expo Hall

Educational session on testis cancer: Clinical case discussion

Friday, 17 November
14:00 - 15:15

Location: Auditorium

Chairs: J. Oldenburg, Lørenskog (NO)
P. Hoskin, Northwood (GB)
J.A. Witjes, Nijmegen (NL)
M. Fiorentino, Bologna (IT)

14:00 - 14:15

Management of stage 1
P. Albers, Düsseldorf (DE)

14:15 - 14:30

Management of metastatic disease
K. Fizazi, Villejuif (FR)

14:30 - 15:15

Case discussion by the panel and interaction with audience (we need 1 case with stage 1 seminoma and 1 case of residual disease after chemo + late relapse)
P. Albers, Düsseldorf (DE)

14:30 - 15:15

Case discussion by the panel and interaction with audience (we need 1 case with stage 1 seminoma and 1 case of residual disease after chemo + late relapse)

14:30 - 15:15

Case discussion by the panel and interaction with audience (we need 1 case with stage 1

seminoma and 1 case of residual disease after chemo + late relapse)
G. De Meerleer, Ghent (BE)

Best of journal session: Radiotherapy

Friday, 17 November
15:15 - 15:30

Location: Auditorium
Chairs: B.R. Pieters, Amsterdam (NL)

Coffee break and poster viewing

Friday, 17 November
15:30 - 16:00

Location: Expo Hall

Educational session on bladder cancer: Clinical case discussion

Friday, 17 November
16:00 - 17:45

Location: Auditorium
Chairs: A. Kiltie, Oxford (GB)
G.N. Thalmann, Berne (CH)
A. Lopez-Beltran, Lisbon (PT)
M. De Santis, Coventry (GB)

16:00 - 16:20

Bladder preservation: How and for whom?
N. James, Birmingham (GB)

16:20 - 16:35

Lymph node dissection: How high is enough?
S. Boorjian, Rochester (US)

16:35 - 16:50

Molecular sub-types and implications for prognosis and therapy
R. Seiler, Bern (CH)

16:50 - 17:45

Case discussion by the panel and interaction with audience (we need 1 case with cN1, one case on fit elderly patient, 1 case on neuroendocrine differentiation)
N. James, Birmingham (GB)

16:50 - 17:45

Case discussion by the panel and interaction with audience (we need 1 case with cN1, one case on fit elderly patient, 1 case on neuroendocrine differentiation)

S. Boorjian, Rochester (US)

16:50 - 17:45

Case discussion by the panel and interaction with audience (we need 1 case with cN1, one case on fit elderly patient, 1 case on neuroendocrine differentiation)

Announcement 3 best unmoderated posters

Saturday, 18
November
08:15 - 08:30

Location: Auditorium
Chairs: J. Oldenburg, Lørenskog (NO)

Oligometastatic kidney cancer

Saturday, 18
November
08:30 - 10:15

Location: Auditorium
Chairs: V. Khoo, London (GB)
H. Van Poppel, Leuven (BE)
T. Powles, London (GB)
F. Algaba, Barcelona (ES)

08:30 - 08:45

The optimal timing of cytoreductive nephrectomy
A. Bex, Amsterdam (NL)

08:45 - 09:00

Expanding knowledge of adjuvant therapy
To be confirmed

09:00 - 09:15

Potential biomarkers for decision making
K. Junker, Homburg (DE)

09:15 - 09:25

Can local ablation delay the use of systemic therapy for oligometastasis - Radiation therapy
P. Ost, Ghent (BE)

09:25 - 09:35

Can local ablation delay the use of systemic therapy for oligometastasis - Surgery
To be confirmed

09:35 - 10:15

Case discussion by the panel and interaction with audience (we need 1 case with upfront M+ disease, young high risk/M0 patient, patient with progressing disease)
U. Capitanio, Milan (IT)

FALCON contouring workshop

Saturday, 18
November
08:45 - 10:15

Location: Session Room
Chair: To be confirmed

Coffee break and poster viewing

R. Montironi, Ancona (IT)
J. Epstein, Baltimore (US)

Lunch break and poster viewing

Saturday, 18
November
12:45 - 14:00

Location: Session Room

Management of loco/regional recurrences (prostate/penile cancer)

Saturday, 18
November
14:00 - 16:05

Location: Auditorium

Chairs:
S. Gillessen, St. Gallen (CH)
G. Salomon, Hamburg (DE)
C. Cozzarini, Milan (IT)

14:00 - 14:15

MRI/whole body MRI
F. Lecouvet, Brussels (BE)

14:15 - 14:35

Use of PET/CT
S. Fanti, Bologna (IT)

14:35 - 14:45

Salvage surgery after radiotherapy
S. Joniau, Leuven (BE)

14:45 - 15:00

Salvage treatment after radical prostatectomy
To be confirmed

15:00 - 15:15 **Management of local recurrences in penile cancer**
C. Protzel, Rostock (DE)

15:15 - 16:05 **Case discussion by the panel and interaction with audience (we need 1 case for re-radiotherapy vs salvage RP, 1 case with nodal relapse)**
G. Giannarini, Udine (IT)

Coffee break and poster viewing

Saturday, 18
November
16:05 - 16:35

Location: Expo Hall

Best of journals: Surgery

Saturday, 18
