We are pleased to welcome you to The 7th Meeting of the Northern-European Neuro-Endocrine Group (NENEG), a forum for bringing together neuro-endocrinologists from Northern Europe.

The objective of the meeting is to build networks across countries to facilitate clinical and scientific collaborations and to share experiences among young and renowned researchers in the field of neuro-endocrine disorders.

Pfizer Ltd. has initiated and sponsored the 7th NENEG meeting. The Scientific Planning Committee for this event (SPC) is comprised specialists who provide scientific and planning oversight for the overall program and content. Its members are recognized authorities in the field of endocrinology and they receive an honorarium from Pfizer Ltd. for this work. The communications of this Expert Meeting represent the scientific opinions of the individual presenters and may not necessarily represent the opinions of Pfizer Ltd., or any of its subsidiaries, partners or employees
