

INVITATION

New perspectives in osteoporosis

International Bone Academy Meeting

February 2-3, 2018 – Barcelona, Spain

Please join us to discuss the latest developments in the field of osteoporosis management.

To register for this experts' meeting please visit:

www.MeetBoneAcademy.com

Registration deadline:

January 12, 2018

Looking forward to seeing you in Barcelona,
The Bone Academy Steering Committee

Prof. Graham Russell

Oxford University Medical School
Oxford and Sheffield, UK

Prof. Serge Ferrari

Geneva University Hospital
Geneva, Switzerland

Prof. Socrates Papapoulos

Leiden University Medical Center
Leiden, The Netherlands

Please note that any attendance cancellations must be made in writing at least 14 days prior to the event.

This meeting is sponsored and organised by Amgen and UCB.

Programme and faculty

Friday, February 2 2018

From 13:00 – 18:00

Session 1: Revisiting the mechanisms of bone fragility

What is senescence?

Bone fragility beyond bone loss - a biochemical perspective

Bone - material versus structural strength in pre-clinical models

Session 2: Clinical implications of imaging

Opportunistic fracture prediction using abdominal CT-scans

Do we need more than Bone Mineral Density (Trabecular Bone Score, microstructure) to predict fractures?

How relevant are outcome measurements of non-loading bone/biopsies?

Interaction between the skeleton and the central nervous system

Saturday, February 3 2018

From 08:30 - 12:30

Session 3: Cross-talk between bone and other tissues/systems

Interaction between the skeleton, the renal system and the vasculature

Interaction between the skeleton and glucose/energy homeostasis

Workshop: Pros and cons of anabolic first

Session 4: Risks/benefits on- and off-therapy

Benefit/risk of anti-resorptives in the real world

Should osteoporosis therapy ever be stopped?

Bone Academy Steering Committee:

Serge Ferrari, Geneva, Switzerland

Socrates Papapoulos, Leiden, The Netherlands

Graham Russell, Oxford and Sheffield, UK

Expert faculty to include:

Bo Abrahamsen, Copenhagen, Denmark

Nicolas Bonnet, Geneva, Switzerland

Roland Chapurlat, Lyon, France

John Cunningham, London, UK

Adolfo Díez-Pérez, Barcelona, Spain

James Edwards, Oxford, UK

Erik Eriksen, Oslo, Norway

Tony Keaveny, Berkeley, USA

Paul Kostenuik, Newbury Park, USA

Clifford Rosen, Scarborough, USA

This meeting is sponsored and organised by Amgen and UCB.
