

Programma RAKU symposium: Robot-assisted minimally invasive esophagectomy for esophageal cancer.

Date: Thursday March 29th 2018
Venue: Auditorium, Q-gebouw, UMC Utrecht

8:30 – 9:00	Welcome with coffee/tea	
9:00 – 09:10	Opening	Richard van Hillegersberg
<i>Session I</i>	<i>Epidemiology, and neoadjuvant treatment for esophageal cancer</i>	<i>Chair: Richard van Hillegersberg / Magnus Nilsson</i>
9:10 – 9:40	Epidemiology for esophageal cancer	Rob Verhoeven
9:40 – 10:00	UNIEK-RAKU	Richard van Hillegersberg
10:00 – 10:20	MR Linac	Stella Mook
10:20 – 10:40	The NEOAGIS study: chemotherapy versus chemoradiotherapy	John Reynolds
10:40 – 11:00	Coffee/tea break	
<i>Session II</i>	<i>Minimally invasive esophagectomy for esophageal cancer</i>	<i>Chair: Jelle Ruurda / John Reynolds</i>
11:00 – 11:20	Minimally invasive esophagectomy	Magnus Nilsson
11:20 – 11:40	The TIME trial: minimally invasive esophagectomy versus open esophagectomy	Donald van der Peet
11:40 – 12:00	Robot assisted minimally invasive esophagectomy for esophageal cancer	Pieter van der Sluis
12:00 – 12.30	Final remarks and general discussion	Jelle Ruurda
16:00 – 17:00	PhD defense ‘robot-assisted minimally invasive esophagectomy for esophageal cancer.’	Pieter van der Sluis
