

UMC Utrecht

Erasmus MC  
University Medical Center Rotterdam

# The Dutch Wrist Arthroscopy Course (DWAC)

September 22-23, 2017

SkillsLab, Erasmus MC, Rotterdam, The Netherlands

Organized by the Department of Plastic Surgery, UMC Utrecht  
in collaboration with the Erasmus MC SkillsLab & SimulationCenter.  
Endorsed by the the European Wrist Arthroscopy Society (EWAS)  
Affiliated with the Dutch Society for Hand Surgery (NVvH)

Nederlandse  
Vereniging voor  
Handchirurgie

### Course director

J. Henk Coert, MD, PhD

*Department Plastic Surgery*

*UMCU Utrecht, Utrecht, The Netherlands*

### Course co-directors

Jan-Ragnar Haugstvedt, MD

*Secretary General EWAS*

*Department of Orthopedics.*

*Sykehuset Ostfold, Moss, Norway*

Steven L. Moran, MD

*Professor and Chair Plastic Surgery*

*Professor of Orthopedic Surgery*

*Mayo Clinic*

### Registration

[www.skillslab.nl](http://www.skillslab.nl)

### Location

SkillsLab - medical-technical training centre,  
Erasmus MC, Rotterdam, The Netherlands

**Course fee** € 950 (includes lunch & mid-course dinner)

**Course language** English

**Maximal participants** 24

## Preliminary Program

# The Dutch Wrist Arthroscopy Course

### Ligament reconstruction

- TFCC: - capsular repair  
- fovea reattachment (inside-out and outside-in)
- Scaphoid-lunate ligament reconstruction

### Resection procedures

- Radial styloid resection
- Arthroscopic Wafer procedure
- Arthroscopic ganglion excision

### Basal joint surgery

- Hemitrapeziectomy
- Tissue interposition

### Endoscopic cubinal tunnel release

*Lectures and demonstrations by the faculty, followed by arthroscopic surgery practice with supervision by the faculty. Anatomic specimens with full arthroscopic equipment and fluoroscan will be available per two participants. Dissection faculty consists of national faculty consisting of hand surgeons with an extensive experience in arthroscopy. Every two participants will be guided by 1 faculty member.*

*“See the wrist joint as never before.....”*

### Special feature:

**I-SPACE - Enjoy an educational anatomical 3D journey through the wrist.**

### Registration
