Go to www.NephroTV.com

Speakers:

Prof. dr. C. Gaillard
internist-nephrologist,
UMC Utrecht

Prof. dr. M. Jadoul
Head of Nephrology,
UCL Saint-Luc Brussels

Prof. dr. P. Evenepoel
Adjunct-Head of Nephrology
and Head of Dialysis, UZ Leuven

The aim of this **accredited interactive live webcast** is to **share knowledge** on how to best monitor individual patients suffering from **chronic kidney disease**, on how to tailor possible interventions and how to **optimize** the non-pharmacological and pharmacological treatment options of these patients. The targeted audience of this webcast is **Nephrologists** from The Netherlands, Belgium and Luxembourg.

19:30 – 19:45 Prof. dr. P. Evenepoel (moderator)
