

# SAVE THE DATE

Imperial Riding School Renaissance Vienna Hotel  
Vienna, Austria  
5 - 6 October 2018

The great success of the **CML Summit: Choice Means Life** continues!

During the 2-day scientific, educational and interactive meeting, participants will have the opportunity to

- Analyse current and emerging CML treatment options in first line and beyond
- Discuss appropriate TKI selection for optimal treatment individualisation aiming to improve efficacy and QOL in CML patients
- Gain insights for constructive, win-win patient-doctor communication to achieve better patient adherence to therapy and optimise long-term outcomes
- Participate in patient case discussion workshops

In total, 150 CML-treating physicians and HCPs managing CML clinics across Europe can be invited. Pfizer Pharma GmbH will cover the costs of travel and accommodations, in alignment with the local guidelines for events of Pfizer.

**Meeting registration details will follow soon.**
