Neoventa **Academy**

## Welcome to CTG Master Class in Amsterdam!

We are very proud to announce that the highly esteemed two day course in intrapartum fetal monitoring will take place at OBA (Central) in Amsterdam.

### Dates

1<sup>st</sup> to 2<sup>nd</sup> of November 2018 at OBA Congress Conducted by the Intra Partum Fetal Monitoring Group from St George's University Hospital, London for healthcare professionals in Obstetrics.

### The program includes

- Fetal heart rate control and pathophysiology
- Deeper understanding of intrapartum hypoxia and the wider clinical picture
- Interactive review of cases

### Faculty

Edwin Chandraharan, UK  
Austin Ugwumadu, UK  
Anneke Kwee, NL  
Petra Bakker, NL  
Annika Mårtendal, SE

### Venue

OBA Theatre, 7th floor  
OBA (central)  
Oosterdokskaade 143  
1011 DL, Amsterdam

### Fee

Two day course fee: 260€ (excl. VAT, including lunch and coffee).

### For registration

Please make your registration at [www.neoventa.com/education/ctgmasterclass/registration/](http://www.neoventa.com/education/ctgmasterclass/registration/)  
Please note we must receive payment as cleared funds prior to course.

### **Last day for registration 1<sup>st</sup> of October.**

Places available on 'first come first serve' basis.

For more information, please visit:

[www.neoventa.com/education/ctgmasterclass/](http://www.neoventa.com/education/ctgmasterclass/)

Please note that all lectures and material will be in English.

The CTG Master Class will give you a deeper understanding of CTG and CTG interpretation and offers an incomparable opportunity for obstetricians and midwives to assess and interpret a wide range of real life obstetric emergencies. This highly esteemed course is run by the team at St George's several times a year.
