Young Endoscopists Poster Presentations

Amsterdam Live Endoscopy 2018 is happy to invite young endoscopists to share their research and/or remarkable cases with other participants. For this, there will be a continuous poster presentation during Monday and Tuesday. This poster presentation will be set up in the Amstel Foyer, the main area for coffee, tea and lunch.

With these poster presentations, we want to provide young endoscopists a platform to discuss their work with international colleagues. Abstracts will be printed in a booklet and distributed to all course participants.

To submit an abstract on-line:
www.amsterdamendoscopy.com.
 The maximum word count is 350. You will be notified about acceptance for poster presentation within three weeks of submission. Last opportunity to submit is 1 November 2018.

Next ALE 2019: 16 & 17 December 2019

Dear colleagues & friends,

It is an honor and a pleasure to invite you to come to the 12th edition of Amsterdam Live Endoscopy on Monday and Tuesday 17 & 18 December 2018. Amsterdam Live Endoscopy has become one of the premier live-endoscopy meetings in Europe with around 500 participants each year. We focus on demonstrating innovative techniques as well as teaching the best way to perform standard and advanced interventions in gastrointestinal endoscopy. Our faculty is selected not only on their technical skills but also on their educational skills. The program consists of 8 sessions of live endoscopy alternated with Clinical Update Sessions as well as brief presentations on recent European guidelines. In order protect our patients' best interest we follow the guidelines of the ESGE.

Our 2018 guest faculty will consist of: **Pradeep Bhandari** (Portsmouth, UK), **Gerd Bouma** (Amsterdam, The Netherlands), **Philip Chiu** (Hong Kong, People's Republic of China), **Hendrik van Dullemen** (Groningen, the Netherlands), **Horst Neuhaus** (Düsseldorf, Germany) and **Amrita Sethi** (New York, USA). Our local faculty is well known around the world and includes **Jacques Bergman**, **Evelien Dekker**, **Jeanin van Hooft** and many others.

The entire AMC faculty, fellows and nursing staff of the Academic Medical Center look forward to welcoming you in Amsterdam. We will do the best we can to make your visit highly educational as well as pleasant. Our aim is that you will go home after the meeting with reinforced knowledge of the evidence-based endoscopic techniques that we all practice daily in our hospitals and some new impressions on the future of gastrointestinal endoscopy.

We hope to see you in Amsterdam on 17 & 18 December, 2018.

Paul Fockens, *chairman*
