# Dear Colleague

We are delighted to invite you to attend the inaugural ConNEcT meeting. Focussing on practical aspects of the management of pancreatic, gastrointestinal and lung neuroendocrine tumours, this Pfizer-sponsored initiative will connect healthcare professionals from across Europe, Africa, the Middle-East and the Asia-Pacific region through a mix of interactive workshops and presentations.

Guided by an expert faculty, ConNEcT will be an opportunity to keep right up to date in NETs, covering topics as diverse as treatment sequencing, therapy management, the importance of the multidisciplinary team and the future of NET management. Importantly, there will be plenty of time to interact with both faculty and peers in workshops and in discussion of some challenging NET cases.

We do hope you will be able to join us for what promises to be a truly educational and engaging event.

**Pfizer Oncology GI Team**

# Programme

## DAY ONE: 23 November 2018

Chaired by Marianne Pavel, Germany

- 13:00 **Welcome & introduction**
- 13:10 **Commonalities and challenges in diagnosing NET: pathology, histology and markers**
- 13:45 **Q&A**
- 13:55 **Current approaches for the treatment of NETs**
  - Pancreatic NETs
  - Lung NETs
  - Gastrointestinal NETs
- 14:55 **Q&A**
- 15:05 **Coffee**
- 15:35 **Optimising treatment in NETs: therapy management and assessment of benefit**
- 16:10 **Q&A**
- 16:20 **Workshops: Treatment sequencing and therapy management in clinical practice**

A series of three case-based workshops on pancreatic, lung and GI NETs, led by the faculty
- 18:00 **Workshop feedback**
- 18:15 **NET Knowledge: interactive assessment**
- 18:20 **Summary & close**

## DAY TWO: 24 November 2018

Chaired by Nicola Fazio, Italy

- 08:30 **Welcome to Day 2**
- 08:35 **Importance of the MDT in the management of patients with NETs**
- 09:20 **Challenging cases in metastatic NETs (panel discussion)**
  - 09:20 Metastatic pancreatic NET
  - 10:00 Metastatic lung NET
- 10:40 **Coffee**
- 11:10 **Challenging cases in metastatic NETs (panel discussion, continued)**
  - 11:10 Metastatic gastrointestinal NET
- 11:50 **Keynote address: Latest advances and future management of NETs**
- 12:35 **Q&A**
- 12:45 **Summary & close**

# Confirmed Faculty

**Co-chairs** **Pr. Marianne Pavel**  
Friedrich Alexander University, Erlangen, Germany

**Pr. Nicola Fazio**  
European Institute of Oncology (IEO), Milan, Italy

**Faculty** **Dr Angela Lamarca**  
The Christie NHS Foundation Trust, Manchester, UK

**Pr. Eric Baudin**  
Institut Gustave Roussy, Villejuif, France

**Pr. Massimo Falconi**  
San Raffaele Hospital IRCCS, Milan, Italy

**Pr. Ivan Borbath**  
Cliniques Universitaires Saint-Luc, Brussels, Belgium

**Pr. Rocio Garcia-Carbonero**  
Universitario Doce de Octubre, Madrid, Spain
