is coming soon!

The theme: "The functional Anatomy Of The Hand, Back To Basics."

The goal for the meeting: To give an overview of the functional anatomy of the hand in conjunction with common problem areas. We will focus on the treatment/ rehabilitation of these areas and how that can influence the trauma. We will also give practical tips and tricks for therapists.

Location: Hotel "Van Der Valk" in Brussels/Diegem on Saturday 17<sup>th</sup> of November 2018.

Info / registration: [www.bht.be](http://www.bht.be) (from the 10<sup>th</sup> of September)

Application for PQK: In progress

Symposium language: English
