Dear colleagues,

The ITI Sections Netherlands and Belgium & Luxembourg would like to extend a very warm invitation to the ITI Congress Benelux that will take place at the De Doelen ICC Rotterdam from March 29-30, 2019.

On behalf of the Leadership Teams and the Scientific Program Committee, we are delighted to welcome Jocelyne Feine (Montreal, Canada), Gary Finelle (Paris, France), Arndt Happe (Münster, Germany) and Martina Stefani (Bologna, Italy) as our most distinguished international speakers.

Together with our esteemed speakers from the Netherlands and Belgium, they will present the latest information and experience on topics related to "Surgical and Prosthetic Interactions in Implant Dentistry: Plan – Act – Evaluate".

The different scientific sessions focus on:

- 70+
- Immediate implants for single tooth replacement?
- Cost-benefits of treatment
- Maintaining peri-implant implant soft tissue health
- Future trends in implantology
- Complex rehabilitations

Rotterdam used to be famous for being the largest port of the world, but nowadays Rotterdam is known as a bustling city. Rich of history, innovations and modern architecture, Rotterdam promises to set the perfect backdrop for our upcoming Congress.

We welcome you to join us in Rotterdam for what promises to be a stimulating educational weekend.

Kind regards,

Prof. Dr. Marco Cune
Chair, Scientific Program Committee

Prof. Dr. France Lambert
Co-Chair, Scientific Program Committee

Dr. Stefan Matthijs
Scientific Program Committee

Dr. Ali Tahmaseb
Scientific Program Committee

Surgical and Prosthetic Interactions in Implant Dentistry: Plan - Act - Evaluate

Friday, March 29, 2019

09:00 Opening ceremony Marco Cune,
France Lambert

70+

Moderator: Marco Cune

09:15 General health and medication related issues in patient selection for implant procedures Steven Zijderveld

09:45 Personality disorders in older adults: recognition and contemporary treatment Arjan Videler

10:15 Treatment options and outcomes Joke Duyck

10:45 Coffee Break

Immediate implants for single tooth replacement?

Moderator: France Lambert

11:15 The sealing socket abutment (SSA) technique for posterior tooth replacement Gary Finelle

12:00 Immediate implants in the esthetic zone: surgical and prosthetic considerations Arndt Happe

12:45 Lunch

Cost-benefits of treatment

Moderator: Didier Eycken

14:00 Patient reported outcome measures in implant dentistry: why and how? Jocelyne Feine

15:00 HTA in dentistry and implantology: a new area for cost-effectiveness analysis? Maarten Postma

15:30 Coffee Break

Maintaining peri-implant soft tissue health

Moderator: Stefan Matthijs

16:00 Achieving, monitoring, maintaining or re-establishing peri-implant soft tissue health Fridus van der Weijden

16:30 Management of implant soft tissue complications in the esthetic zone Martina Stefanini

17:00 Closing Remarks France Lambert

17:15 End of Day 1

17:30 Walking Dinner in the Exhibition Area

Saturday, March 30, 2019

Future trends in implantology

Moderator: Wiebe Derksen

09:02 Peri-implant soft tissue integration: the influence of biomaterials Miljana Bacevic

09:13 Digital workflow to optimize one-abutment one-time procedures Lou Li Manni

09:24 Jaw bone reconstruction: do we still need autologous bone grafts? Simone Cortinelli

09:35 Immediate loading of virtually planned implants Christianne Fijnheer

09:46 Zirconia implants Ulf Schepke

09:57 Titanium particles and peri-implant diseases Selena Toma

10:08 Accuracy of digital planning in implant dentistry Luc Verhamme

10:19 Calvarial bone as an alternative for bone augmentations in oligodontia patients Dorothee Wiryasuputra

10:30 Coffee Break

Complex rehabilitations

Moderator: Eppo Wolvius

11:00 The way to success: treatment planning Andy Temmerman

11:30 Surgical considerations in complex cases Eppo Wolvius

12:00 Prosthetic considerations in treating complex implant cases Henny Meijer

12:30 Closing Remarks Marco Cune

12:45 Lunch & End of ITI Congress Benelux

International speakers

Jocelyne Feine
Montreal, Canada

Gary Finelle
Paris, France

Arndt Happe
Münster, Germany

Martina Stefanini
Bologna, Italy

Speakers from the Netherlands and Belgium

Miljana Bacevic
Liège, Belgium

Simone Cortinelli
Leuven, Belgium

Joke Duyck
Leuven, Belgium

Christianne Fijnheer
Amsterdam, Netherlands

Lou Li Manni
Liège, Belgium

Henny Meijer
Groningen, Netherlands

Maarten Postma
Groningen, Netherlands

Ulf Schepke
Groningen, Netherlands

Andy Temmermann
Leuven, Belgium

Selena Toma
Brussels, Belgium

Fridus van der Weijden
Amsterdam, Netherlands

Luc Verhamme
Nijmegen, Netherlands

Arjan Videler
Tilburg, Netherlands

Dorothee Wiryasaputra
Rotterdam, Netherlands

Eppo Wolvius
Rotterdam, Netherlands

Steven Zijdeveld
Utrecht, Netherlands

Learn, interact, grow.

Tap into the most complete e-learning offering in implant dentistry!

Geared to you and your individual educational needs, the ITI Online Academy offers you a motivating and rewarding learning experience.

- Comprehensive, evidence-based curriculum with well-structured modules and a wide range of related materials
- Free assessments to identify knowledge gaps
- Unique user-centric approach for an individually tailored education path at every knowledge level
