## Live in Amsterdam

### 22nd Annual Course

#### 6 & 7 June 2019

### ORGANIZING COMMITTEE

Jeanin van Hooft, Jacques Bergman & Paul Fockens

Amsterdam UMC – location AMC  
Lecture Hall 4 / Accreditation: 12 hrs.

Dear endosonographer,

The 22nd edition of EUS Live in Amsterdam will be held on 6 & 7 June 2019. We cordially invite you to attend this meeting to benchmark your knowledge and see experts performing EUS while they explain their tricks and share tips. EUS Live in Amsterdam is a truly international course and is well known with trainees as well as experienced endosonographers. Dedicated postgraduate EUS courses are rare and we are proud of hosting our course since 1998.

For this edition we have decided to rejuvenate our faculty a little and invite not only very experienced but also more upcoming colleagues. And we will probably also experiment a little bit with one of our senior faculty members, mentoring one of our advanced endoscopy fellows in order to optimize knowledge transfer to you in the audience.

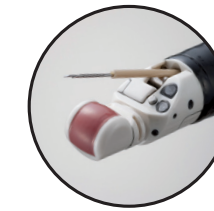

Our guest faculty will consist of **Pietro Fusaroli** from Italy, **Rodica Gincul** from France, **Robert Hawes** from the USA, **Jan Werner Poley** from Rotterdam, **Anand Sahai** from Canada and **Andrada Seicean** from Romania. Together with our local Amsterdam UMC faculty we will follow the well-known concept of many live cases and a limited number of didactic lectures. We hope you will (again) come to Amsterdam for this 22nd edition and promise you a valuable EUS-experience!

**See you in June 2019!**

*Jeanin van Hoof, Jacques Bergman & Paul Fockens*
