

Programme Amsterdam Cardiac MR Course (3 - 5 April 2019)

| | | | Speaker |
|------------------|---|---|--------------------------------------|
| Wednesday | 09:00-09:05 | Introduction | prof. van Rossum |
| | 09:05-09:25 | How does it work - general overview MRI physics and pulse sequences | dr. Pranav Bhagirath |
| | 09:25-09:45 | Common artefacts and troubleshooting | dr. Ramon van Loon |
| | 09:45-10:05 | CMR Safety | dr. Marco Götte |
| | 10:05-10:25 | Cardiac anatomy, imaging planes and Indications and protocols | dr. Pranav Bhagirath |
| | 10:25-10:45 | CMR 42 tutorial and standardized reporting (1 case) | dr. Pranav Bhagirath/dr. Marco Götte |
| | 10:45-11:00 | <i>Tea/Coffee break</i> | |
| | 11:00-12:00 | Hands-on (3 cases = 10 minutes hands-on + 10 minutes discussion) | dr. Ramon van Loon |
| | 12:00-12:30 | Hypertrophic cardiomyopathy | dr. Marco Götte |
| | 12:30-13:00 | Arrhythmogenic cardiomyopathy | dr. Maarten Jan Cramer |
| | 13:00-14:00 | <i>Lunch (provided)</i> | |
| | 14:00-15:00 | Hands-on (4 cases = 10 minutes hands-on + 5 minutes discussion) | dr. Marco Götte |
| | 15:00-15:30 | Adult congenital heart disease | dr. Maarten Groenink |
| | 15:30-15:45 | <i>Tea/Coffee break</i> | |
| 15:45-17:30 | Hands-on (7 cases = 10 minutes hands-on + 5 minutes discussion) | dr. Maarten Groenink | |
| Thursday | 09:00-09:05 | Opening | dr. Pranav Bhagirath |
| | 09:05-09:45 | How to do: Ischemia testing using perfusion imaging and LGE | dr. Robin Nijveldt |
| | 09:45-10:45 | How to do: T1/T2/T2* mapping | dr. Tjeerd Germans |
| | 10:45-11:00 | <i>Tea/Coffee break</i> | |
| | 11:15-12:15 | Hands-on (4 cases = 10 minutes hands-on + 5 minutes discussion) | dr. Tjeerd Germans |
| | 12:15-12:45 | How to do: Imaging flow (conventional flow and 4-D) | dr. Pim van Ooij |
| | 12:45-13:15 | CMR in vascular pathology | dr. Adrienne van Randen |
| | 13:15-14:00 | <i>Lunch (provided)</i> | |
| | 14:00-14:30 | Inflammatory cardiomyopathies | dr. Sebastiaan Bekkers |
| | 14:30-15:30 | Infiltrative cardiomyopathies | dr. Alexander Hirsch |
| 15:30-15:45 | <i>Tea/Coffee break</i> | | |
| 15:45-17:30 | Hands-on (7 cases = 10 minutes hands-on + 5 minutes discussion) | dr. Sebastiaan Bekkers | |
| Friday | 09:00-09:05 | Opening | |

| | | |
|-------------|---|------------------------|
| 09:05-09:30 | Utility of CMR in patients with CRT | dr. Cor Allaart |
| 09:30-10:00 | Single modality work-up of atrial fibrillation | dr. Marco Götte |
| 10:00-11:00 | Hands-on (4 cases = 10 minutes hands-on + 5 minutes discussion) | dr. Ramon van Loon |
| 11:00-11:15 | <i>Tea/Coffee</i> | |
| 11:15-11:40 | Cardiac masses and incidentalomas | dr. Joost van Schuppen |
| 11:40-12:00 | Cost-effectiveness of CMR in Clinical Cardiology | dr. Marco Götte |
| 12:00-13:00 | Hands-on (4 cases = 10 minutes hands-on + 5 minutes discussion) | dr. Marco Götte |
| 13:00-14:00 | <i>Lunch (provided)</i> | |
| 14:00-14:30 | Advances in Clinical Cardiovascular MR Imaging | prof. Tim Leiner |
| 14:30-15:30 | Hands-on (4 cases = 10 minutes hands-on + 5 minutes discussion) | dr. Marco Götte |
| 15:30-15:45 | <i>Tea/Coffee break</i> | |
| 15:45-17:00 | Hands-on (5 cases = 10 minutes hands-on + 5 minutes discussion) | dr. Ramon van Loon |
