MODERN IBD: PREDICT-PROFILE-PERSONALIZE

INAUGURAL MEETING OF IBD-AMSTERDAMUMC.NL / IN COLLABORATION WITH IBD NETWORK AMSTERDAM (INA)

Dear Colleagues and Friends,

It gives us pleasure to invite you to the 4th edition of 'IBD Today and Tomorrow' at Amsterdam UMC, location AMC. The science and care of IBD have finally arrived at a stage where 'personalized medicine' is ready for prime time. We are privileged to present some of the best and brightest speakers in the field at our congress, which will again offer a mixture of clinical and translational science, clinical challenges and updates on the latest and hottest in IBD.

Amsterdam is most charming in June, so please join us and enjoy!

Geert D'Haens, on behalf of the organizing committee
