

A high-contrast, black and white close-up photograph of a horse's eye. The eye is the central focus, looking slightly to the left. The surrounding fur is detailed, showing individual hairs and the texture of the horse's coat. The lighting is dramatic, with deep shadows and bright highlights, creating a sense of intensity and focus.

**Excellence in
Immediacy
driven by
Digital
Workflows**

21-06-2019
BRUSSELS

You are invited

We have listened to you, responded to your needs and have now expanded our treatment portfolio with unbeatable versatility, reliable and predictable outcomes for immediate implant placement and immediate loading. You can rely on our excellence in immediacy and we are proud to present our solutions to you.

Straumann is delighted to welcome you to the our event
Excellence in Immediacy driven by Digital Workflows
in Brussels on Friday, June 21st.

This international event will feature highly respected internationally renowned speakers who will share, discuss, and highlight significant developments and scientific advancements of the immediacy solutions.
