

Amsterdam, maart 2019

Geachte heer, mevrouw,

Graag nodigen wij u uit voor de volgende wetenschappelijke bijeenkomst, met de titel:

**NephSAP 'Primary Glomerular Diseases'**

**Moderator: Prof. R. Zietse', Erasmus MC**

De opzet van deze bijeenkomst is om de multiple choice vragen die achterin de syllabus staan te bespreken. Op deze wijze krijgt u een update van klinisch relevante informatie over het onderwerp. Het is een goede gelegenheid om met collega's van gedachten te wisselen.

Datum: **donderdag 6 juni 2019**

Locatie: Restaurant 'De Harmonie'  
Westersingel 95, 3015 LC Rotterdam

U kunt zich aanmelden bij Shira Waage ([shira.waage@takeda.com](mailto:shira.waage@takeda.com))

Het programma:

18.00 – 18.30 uur: ontvangst

18.30 – 22.30 uur: bespreken van de multiple choice vragen

*NB: Mocht u onverhoopt verhinderd zijn nadat uw aanmelding aan ons is verstuurd, wilt u dit dan tijdig angeven (uiterlijk 24uur van tevoren zodat de restaurantkosten niet aan ons doorbelast worden).*

Met vriendelijke groet,

Shira Waage, Takeda

**Laws, Regulations and Codes of Practice**

This meeting is organised by Shire. As the organiser Shire has obligations to act within the laws, regulations and Codes of Practice of the countries where it operates and conducts meetings. According to Codes of Practice of the Pharmaceutical Industry, spouses/partners and other accompanying persons, unless they qualify as delegates in their own right, may not attend this meeting, and may not receive any associated hospitality at the company's expense. We would therefore ask that you settle any expenses on their behalf prior to leaving. Due to the business nature of the meeting we would request that accompanying guests or children do not attend meals that are scheduled for participants during the course of this meeting. We appreciate your understanding and support in implementing high standards of ethical conduct within the healthcare sector. You subscribe to the principles and substance of the Code of Conduct regarding the advertising of pharmaceuticals of the Pharmaceutical Advertising Foundation (hereinafter 'CGR Code of Conduct'). The processing of data and the disclosure of financial relationships takes place in accordance with the objectives of clause 7 of the CGR Code of Conduct.
