Summer School

The ESCMID Education Subcommittee organises:

## 18th ESCMID Summer School Liverpool, United Kingdom

### Summer School Directors

- Nicholas John Beeching, Liverpool, United Kingdom
- William Hope, Liverpool, United Kingdom

### Course Objectives

A one-week course dedicated to postgraduate and continuing medical education. The programme covers a broad range of topics in clinical microbiology and infectious diseases and will interest young MDs at the end of their specialty training as well as biologists, pharmacists, PhD students and postdoctoral fellows working in the infection field.

Faculty Members to be fully confirmed soon

## Organisation

### Course Venue and Accommodation

Hope Street Hotel  
40 Hope St  
Liverpool, L1 9DA, United Kingdom

### Registration Procedure

The registration form can be found on the ESCMID website at [www.escmid.org/education](http://www.escmid.org/education). Please return it to the course administrative secretariat by 1 June 2019.

### Registration Fee

Early-bird registration fee (until 5 May 2019):  
EUR 800 for ESCMID members  
EUR 1100 for all others

Late registration fee (from 5 May until 1 June 2019):  
EUR 900 for ESCMID members  
EUR 1200 for all others

The fee covers the course, educational material, seven nights (check-in 29 June, check-out 6 July) in a single room, breakfasts, lunches, coffee breaks and social events. Extra nights need to be booked directly with the venue.

### Attendance Grants

ESCMID members can apply for an attendance grant until 16 March 2019, covering the registration fee. Grant recipients will be notified by 30 March 2019.

### Application Procedure

As part of the registration a CV needs to be uploaded. In addition, each participant is requested to submit an abstract of an educational case or a research project for presentation and discussion during the Summer School. Registrations are accepted until 1 June 2019. For late registration check with the administrative secretariat.

### Case Study Preparation

Participants are requested to submit an abstract of a case or their research work as part of registration. All participants will present their cases or research projects during the course. The case/research project should come from the professional experience of the participant, be of practical relevance and have some educational value. Please check the website for detailed guidance.

### CME Accreditation

The organisers of the course will apply for European CME accreditation through EACCME.
