

Masterclass

Complex Primary Knee Arthroplasty

Skills Enhancement - Knee

WestCord Fashion Hotel
Amsterdam, the Netherlands
Thursday, 31st October 2019

 ZIMMER BIOMET
Institute®

Masterclass

Our continuum of education offers a vast range of opportunities to health care providers to learn, interact, understand and share knowledge about our products, services and about surgical philosophies through a variety of modalities.

We know you are good. And we know you are eager to become even better. Get those real-time problem-solving deep-dives with Skill Enhancement by the Zimmer Biomet Institute!

The specific course objectives include:

- Identify complexity in total primary knee arthroplasty
- Discuss pre-operative planning and formulate a surgical plan
- Understand how to deal with the different complex challenges in the OR
- Investigate available implant options for each scenario
- Benefit from the faculty experience through case discussions

The Zimmer Biomet Institute wishes you a valuable and enjoyable training with us.
