

9th World Congress of Behavioural & Cognitive Therapies

The CityCube, Berlin, Germany

17th-20th July 2019

COGNITIVE AND
BEHAVIOURAL THERAPIES
AT THE **CROSSROADS**

The World Congresses of Behavioural & Cognitive Therapies

Copenhagen, Denmark, 1995 | Acapulco, Mexico, 1998 | Vancouver, Canada, 2001
Kobe, Japan, 2004 | Barcelona, Spain, 2007 | Boston, USA, 2010 | Lima, Peru, 2013
Melbourne, Australia 2016 | **Berlin, Germany 2019** | Jeju Island, South Korea 2022

The World Congress Committee is represented by

Association for Behavioral and Cognitive Therapies (ABCT)
representing Individual Members in North America

Australian Association of Cognitive and Behaviour Therapy (AACBT)
representing Individual Members and State Branches in Australia

Latinamerican Association of Analysis, Behavioral Modification and Cognitive
and Behavioral Therapies (ALAMOC)
representing 15 National Associations in South and Central America

European Association for Behavioral and Cognitive Therapies (EABCT)
representing 52 National Associations in Europe

Asian Cognitive Behaviour Therapy Association (ACBTA)
representing 8 National Associations in Asia

International Association for Cognitive Psychotherapy (IACP)
representing Individual and Organisational Members across the world

WELCOME TO BERLIN

The European Association for Behavioural and Cognitive Therapies (EABCT) has the pleasure of hosting the 9th World Congress of Behavioural and Cognitive Therapies from 17th-20th July 2019. EABCT chose Berlin, the exciting capital city of Germany as the venue for the Congress. Berlin is a destination at the Crossroads of Europe and will guarantee that delegates from across the world will be able to experience a Congress they will remember for many years to come.

This preliminary programme provides information on the scientific and social programme that you will experience together with information on how to register for the congress and organise your trip to Berlin. Regular updates on the congress scientific programme, the pre-congress and in-congress workshops, the social programme and further information on the city of Berlin is available on the congress website www.wcbct2019.org

An invitation to WCBCT 2019

Five years of planning in collaboration with the Deutsche Gesellschaft für Verhaltenstherapie, and the other German, European and worldwide CBT associations for cognitive and behaviour therapies, will ensure that this is a congress that brings together delegates from across the CBT world. It will be as successful as our meeting in Barcelona in 2007 and we aim to make it even better. The chairs of our scientific committee are putting together a programme that explores the progress we have made and the new areas and challenges we face. Add to this a city as exciting as Berlin and a social programme that will ensure relaxation and fun and this is a meeting you cannot miss.

Andreas Veith and **Rod Holland**, WCBCT 2019, Congress Organisers

As the Chair of the World Congress Committee, I was delighted when EABCT was chosen to host the 9th World Congress of Behavioural and Cognitive Therapies in Berlin, an exciting and beautiful city that everyone wants to visit. Since we were last in Europe in 2007 in Barcelona at the very successful and largest Congress to date, the WCBCT Congress has travelled to Boston in the USA, Lima in Peru and in 2016 my own association had the pleasure and honour of welcoming the CBT World to Melbourne, Australia. We know that the organisers of the Berlin meeting will carry on the tradition and make our triennial World meeting a great success and we look forward to meeting once again in 2019. The Berlin WCBCT promises to be an extremely successful and memorable conference that we hope you will come and enjoy with us.

Sarah Egan, Chair CBT World Congress Committee

It's an honour for EABCT to be hosting the 9th World Congress of CBT in Berlin. This is the third opportunity for us to welcome delegates to a World Congress in Europe. The last time we had the pleasure was twelve years ago in Barcelona at the 2007 Congress that many of you will still remember. 2019 will be another opportunity to gather together the most influential researchers and therapists in CBT as well as provide an excellent forum for new researchers and new ideas. Moreover, it will be the perfect place at the crossroads of Europe and the world to meet old friends and make new friends, surrounded by the atmosphere of a cosmopolitan and exciting city. EABCT looks forward to welcoming you all.

Thomas Kalpakoglou, President, EABCT

Scientific Programme

The Congress theme “**Cognitive and Behavioural Therapies at the Crossroads**” addresses the reality that CBT is currently evolving at a rapid pace and in many directions, such that we may well be at the crossroads in terms of maintaining a unified field of theory and practice.

COGNITIVE AND BEHAVIOURAL THERAPIES AT THE CROSSROADS

The Scientific Committee especially encourages submissions that target the World Congress theme. In particular, contributions regarding a) conceptualisations of the theory and practice of contemporary CBT b) inter-disciplinary models of disorders and their treatment c) the role of CBT in different health systems and d) the international context and collaboration in CBT interventions and research will be welcomed.

Visit www.wcbct2019.org for further details of the outline programme, guidelines on submitting material and register your email address to be informed of developments and deadlines of the Scientific Programme.

Call for Papers

The Congress will undoubtedly have state-of-the-art presentations across the full breadth of CBT, and from all over the world. It is important that you aim to be part of this! You should consider submitting to the Scientific Programme - there is a range of formats for submissions available, including:

- Symposia
- Panel Discussions
- Clinical Roundtables
- Open Papers
- Posters
- Half-day Workshops
- Skills Classes
- Technical Demonstrations

If you have questions or need advice about submitting etc. please contact your local CBT organisation's representative on the International Scientific Support Group (see website for their names).

Important Dates

All contributors of successful submissions (including Posters) received before 6th January 2019 will be notified in time for them to register at the 'early-bird' rate. Poster submissions received after 6th January 2019 will be notified after the closure of the 'early-bird' rate.

- Full Call for Papers Opens
- Main Call for Papers Closes
- Notification of Acceptance
- Call for Posters - Final Deadline
- Notification of Poster Acceptance
- Final Programme available Online
- Pre-Congress Workshops
- Congress Opens - 09.00
- Closing Ceremony - 17.15 - 17.45

Christine Padesky & Kathleen Mooney, Center for Cognitive Therapy, USA
Using Case Formulation and Progress Monitoring to Guide Cognitive Behavior Therapy
Jacqueline Persons, Oakland Cognitive Behavioural Therapy Centre, USA

Half Day Workshops

Addictive Disorders

Brief Integrated Motivational Intervention for Alcohol and Cannabis use
Alex Copello, Birmingham University, UK

Adult Anxiety

Inhibitory Learning and Regulation during Exposure Therapy
Michelle Craske, University of California, LA, USA

Adult Obsessive States

Cognitive Behaviour Therapy for Body Dysmorphic Disorder
David Veale, Kings College, London, UK

Behavioural Medicine

Cognitive Behavior Therapy for People with Irritable Bowel Syndrome
Rona Moss-Morris, Kings College, London, UK
Optimizing Treatment for Somatic Symptoms in Psychopathology
Omer van den Bergh, University of Leuven, Belgium and Michael Withhöft, University of Mainz, Germany

Cross Cultural Issues

Cognitive Behaviour Therapy for Refugees
Ulrich Stangier, Schahryar Kananian and Marwan Yehya, Goethe University Frankfurt, Germany

Sex, Marital and Family Relationships

Integrating Couple-based Approaches in Behaviour Therapy for Children
Nina Heinrichs, Braunschweig University of Technology, Germany
A Cognitive Behavioural Systems Approach to Sexual and Couple Problems
Mehmet Sungur, Marmara University Hospital, Istanbul, Turkey

A full description of these workshops can be found on the Congress website wcbct2019.org

Registration Information

The registration starts on 18th June 2018 and you can register online via the online registration portal which will be provided on the congress website www.wcbct2019.org

The Congress Registration

Registration Fee	Until 28th February 2019	Until 11th July 2019	Onsite From 12th July 2019
Member*	485€	560€	635€
Emerging Countries**	295€	360€	435€
Student***	295€	360€	435€
Non-member	585€	665€	750€
Accompanying Person	95€	120€	150€

* Members are paid up members of one of the member associations of EABCT (Europe), ABCT (North America), ALAMOC (South America), AACBT (Australia), ACBTA (Asia) and IACP.

** Countries designated as Emerging Countries are detailed on the registration page of the website and the online registration portal.

*** Proof of Status (photocopy of International Student Card - ISIC) must be uploaded during the online registration or sent separately.

The Registration Fee for Delegates Covers:

- Admission to Scientific Sessions from 18th – 20th July 2019 except for the Congress Workshops
- Admission to Exhibition Area and Poster Area
- Congress Documents
- Access to the Online Abstracts
- Refreshments each day
- Opening Ceremony and Welcome Reception on Wednesday 18th July 2019

The Registration Fee for Accompanying Persons Covers:

- Admission to Exhibition Area and Poster Area
- Opening Ceremony and Welcome Reception on Wednesday 18th July 2019

A **special group rate** is available until 28th February 2019 for groups of a minimum of 8 people. There must be one invoice address and one payment made for the whole group. This rate only applies to the Congress and not the Pre-Congress workshops

Pre-Congress Workshops Full Day

Registration Fee	Until 28th February 2019	Until 11th July 2019	Until 28th February 2019	Until 11th July 2019
Member*	135€	175€	75€	95€
Emerging Countries**	100€	135€	60€	80€
Student***	100€	135€	60€	80€
Non-member	185€	225€	100€	125€

Half Day Workshop (am and/or pm)

Delegates booking both a morning and afternoon workshop will be charged the registration fee for a full day workshop

The Pre-Congress Workshops Registration Fee Covers:

Entry to the Pre-Congress Workshop | Access to Workshop Documents | Refreshments

Method of Payment

All fees are stated in EUR, incl. Tax. We recommend payment by credit card or debit order (German bank accounts). The following credit cards are accepted: Eurocard/MasterCard and Visa. The transmission of your data in the internet is securely encrypted.

Confirmation

Upon receipt of full payment of the fees, a confirmation letter will be sent by e-mail

In case of cancellation of participation until 28/02/2019, registration fees will be refunded. A handling fee of € 30 per person will apply. The registration is nonrefundable after that date. More information about the cancellation policy can be found on the congress website.

General Information

Congress Venue

The Congress will be held at the recently opened Berlin CityCube, one of Europe's most modern and largest Congress Centres and will provide everything we need under one roof for a first-class scientific programme.

CityCube Berlin, Messedamm 26, 14055 Berlin, Germany | www.messe-berlin.de

Congress Dates

A programme of Pre-Congress Workshops (Full and half day) will be held on Wednesday 17th July 2019.

The Congress will start on Thursday, 18th July 2019 and will end on Saturday, 20th July 2019.

Registration Desks

The registration desks will be located in the main foyer of the CityCube Berlin. The opening hours will be announced at a later stage.

Food and Beverage

Refreshments will be available during official breaks in the exhibition/poster area.

Crèche/Kindergarten

The possibility of a Crèche/Kindergarten during the congress times for a fee is being considered. If you are interested in a Crèche/Kindergarten, please indicate this via the registration portal. We will provide delegates who are interested with more information at a later stage.

Languages

The official congress language will be English. Simultaneous translation will not be provided. Circa 15% of the programme will be in the German language only. Details will be included in the final programme.

Entering Germany

Visa requirements:

All delegates are responsible for establishing their own entry requirements to Germany. Those requiring a visa should allow adequate time for obtaining this. The congress organization will be pleased to send a formal letter of invitation to delegates requesting an invitation letter for visa purposes. The invitation letter will be sent as an e-mail attachment and is sent on the understanding that it is intended to help potential delegates to raise funds and/or to obtain a visa. The invitation letter carries no commitment from the congress organization to provide any financial support. Please contact the congress organization for processing an invitation letter (registration.berlin@mci-group.com)

Please note: If you are registered for the congress and your visa application is rejected the congress organization will only refund the registration fee excluding a handling fee of 30€. It will not be possible to refund any additional services you have booked (e.g. social events). Under these circumstances, in order to obtain a refund a written application must be submitted to the congress organization and proof of the rejection of a visa application by the German authorities must be provided. All refund applications must be received by the congress organization no later than one week before the start of the Congress i.e. 17:00 (Central European Time) Tuesday 9th July 2019. All registrations are made on the understanding that delegates accept the above conditions.

General Information

Travel Information

Arrival by plane

Berlin has two main airports – Berlin Tegel (TXL) in the north west of the city and Berlin Schönefeld (SXF) in the south east.

Berlin Tegel Airport (TXL) – International airport in centre of Berlin.

Transport to CityCube about 30 mins. From Tegel airport take the bus 109 in the direction of 'S+U Zoologischer Garten' and get off at the station 'S Charlottenburg'. From here take the S-Bahn 5 towards 'Spandau'. Leave the train at 'Messe Süd (Eichkamp)' station which is approximately one minute by foot away from CityCube.

Flughafen Berlin Schönefeld (SXF) – International airport for budget flights like RyanAir and EasyJet

Transport to CityCube about 60 – 75 mins. From Schoenefeld airport take the S-Bahn towards 'Spandau'. Leave the train at 'Messe Süd (Eichkamp)' station which is approximately one minute by foot away from CityCube.

Alternatively, you can take the train RB14 in the direction 'Nauen' and get off at the station 'S-Charlottenburg'. From here take the S-Bahn 5 towards 'Spandau'. Leave the train at 'Messe Süd (Eichkamp)' station which is approximately one minute by foot away from CityCube.

Arrival by train

You can reach Berlin from every direction on the fast InterCityExpress, InterCity, EuroCity and InterRegio Trains. The new central station Berlin Hauptbahnhof is in the heart of Berlin. It was opened in 2006 and is well connected to the public transport system. To reach the Berlin Cube take the S-Bahn train towards 'Spandau'. Leave the train at 'Messe Süd (Eichkamp)' station which is approximately one minute by foot away from CityCube.

Arrival by car

GPS Co-ordinates: 52.4992001°N / 13.27247°E

The CityCube offers a parking space for 7.50€. Please note that there are no other parking facilities around the CityCube.

Arrival by Public Transport

To reach the Berlin Cube take the S-Bahn train towards 'Spandau'. Leave the train at 'Messe Süd (Eichkamp)' station which is approximately one minute on foot away from CityCube.

Hotels Accommodation

MCI has a cooperation with HRS and is offering a range of selected hotels in Berlin which are ideally located.

HRS offers special rates for the WCBCT 2019 delegates. You are kindly asked to make hotel reservations by using the link provided on the congress website. The selected hotels have only limited capacities. Therefore, it is recommended to make your hotel booking as early as possible. To view and book your accommodation options please visit the congress website.

Be aware of possible scams!

It has been brought to our attention that registered participants and exhibitors are being contacted by Scam companies pretending to be involved in WCBCT 2019. Please do not provide them with your credit card details, personal information, confirmation e-mails or any details of your reservation. We have no agreement with these unauthorised companies and cannot vouch for the services they are offering

Climate and time zone

Berlin is located in the Central European Time zone MEZ. Germany belongs to a temperate zone, which requires a wardrobe as flexible as possible. In summer, the temperature rises above 27°C/80F, but deviations are quite common.

Currency

The Euro "€" is the official currency in Germany. You can change money at banks, post offices and currency exchanges in airports or train stations. Common credit cards are American Express, MasterCard and Visa. Diners Club is rarely used, but is accepted by major hotels, petrol stations or large shops. Otherwise cash will be accepted.

Electricity

The voltage in Germany is 220V. The electrical sockets may be different and you might need to take an adaptor plug with you to use your electronic devices. Adapters are widely available in electronics stores.

Sales tax

In Germany the Value added tax (VAT) rate of 19% is already included in the prices. On certain products and services, such as books, staple foods (except soft drinks and spirits), newspapers, flowers and public transport tickets the reduced VAT rate of 7% is applied.

Shopping hours

All shops in the large shopping streets are usually open from 10:00 to 20:00. Apart from a few exceptions (airports and railway stations), all shops are closed on Sundays. Banks are usually open between 10:00 and 16:00.

Social Programme

Congresses organised by EABCT are not only well known for the quality of the scientific programme but also for the opportunity provided by the social programme for delegates to meet, socialize and enjoy themselves. The World Congress programme in Berlin is designed to ensure that there will be plenty of opportunity to meet people from all over the world in a relaxed and informal atmosphere. We know that Berlin will help forge new friendships and contacts between delegates from all corners of the globe. The capital city of Germany offers a programme for national and international guests in every field: sightseeing, restaurants, nightlife. There is so much to discover in Berlin.

The social programme will include:

Opening Ceremony and Welcome Reception

The Opening Ceremony will take place on the 17th July 2019 in the CityCube Berlin followed by the Get Together which will take place in the exhibition area. There is no charge for this event but registration is required.

Congress Party

The Congress Party will take place on 18th July 2019 at "Zollpackhof", a very traditional beer garden in the heart of Berlin opposite the German Parliament. Music and dancing will make this an ideal opportunity to party with WCBCT delegates from across the world until the early hours of the morning. Costs for a ticket: 50€ including food and drinks. Book your tickets through the congress registration portal.

Places are limited so make sure you book early.

Become a Sponsor/Exhibitor

The congress will be accompanied by a comprehensive industrial exhibition covering the latest developments and trends of behavioral and cognitive therapies.

Companies have the opportunity to select from a range of attractive sponsorship and exhibition options which can be optimised to meet your needs. To receive your copy of the latest Sponsorship and Exhibition Prospectus please contact MCI.

For queries or further information, please do not hesitate to contact MCI. We will be more than happy to assist you in finding the most appreciate way for your company to achieve the best visibility and desired benefits.
