

## INDEXES & GRANTS

Please find below the indexes of the congress with the speaker and disclosure index as well as the abstract authors index:

SPEAKER & DISCLOSURE INDEX →	PAGE 197
ABSTRACT AUTHORS INDEX →	PAGE 211

For this Congress, 159 travel grants have been awarded to junior members of EHA based on the mean score of their abstracts. EHA congratulates the following individuals with their travel grants and have indicated them in **red** in the abstract authors index.

### RESEARCH MENTORING

Via non-monetary awards, EHA strives to accelerate the careers of promising post-docs in translational or clinical research. Winners will be mentored and coached by top-tier experts in their field, who will share their valuable career lessons, as well as science. If your ambition is to be a PI, Research Training in Hematology is for you.

To learn more about these grants & awards please visit [ehaweb.org](http://ehaweb.org) or stop by the EHA booth.

### EHA CLINICAL RESEARCH TRAINING IN HEMATOLOGY (CRTH)

Through CRTH, EHA provides junior researchers with a 9-month long unique training and mentoring experience focused on clinical research in Europe, with a global scope.
