

Meeting of Minds XI

Advancing the management of ADHD
across the lifespan

Invitation

Tuesday 5th and Wednesday 6th November 2019

INFINITY Hotel & Conference Resort Munich, Germany

A meeting for healthcare professionals with an interest in child, adolescent and adult ADHD

On behalf of Shire, now part of Takeda, and the Scientific Programme Committee, we are delighted to invite you to the **11th Meeting of Minds** which will be held at the Infinity Hotel and Conference Resort Centre, in Munich, Germany, on Tuesday 5th and Wednesday 6th November 2019. Please plan to travel on the evening of Monday 4th November 2019 as the meeting will start promptly at 08:45 on Tuesday 5th November 2019.

The Meeting of Minds is an annual educational event, initiated, organised and funded by Takeda, which brings together an internationally renowned faculty of opinion leaders in ADHD and clinicians from around the world.

Over the course of the meeting, the faculty will explore some of the latest research and share their experience on the management and treatment of ADHD and associated conditions, across the life-course.

To register for this meeting please send an email to:

Marijke.alleman@takeda.com
