

HollandPTC presents the proton therapy Innovation and Collaboration Hub 2019

Thursday 10 – Friday 11 October

HollandPTC was founded by Erasmus University Medical Centre, Leiden University Medical Centre and the TU Delft, which are joined in an active partnership in the field of Healthcare, Education and Science.

HollandPTC
Protonen Therapie Centrum

Thursday 10 October

9.00: registration

9.30: opening

12.45: lunch

16.45: musical end of day 1

Thursday 10 October 9.30 – 17.00

To register, please go to <https://www.hollandptc.nl/events/algemeen/hub/>

- **9.30 – 10.30 Hub Johannes Vermeer and protons**
Chair: Peter Huijgens
 - 09.35 – 10.00 The HollandPTC consortium approach for care and R&D by *Marco van Vulpen, HollandPTC*
 - 10.00 – 10.30 Integration of a technical university in the proton value proposition by *Dennis Schaart, TU Delft*
- **11.00 – 12.45 Hub Collaboration is the new way of competition**
Chair: Dennis Vriens
 - 11.00 – 11.30 Protonsinspire.eu by *Karen Kirkby, University of Manchester*
 - 11.30 – 12.00 Radiotherapy and proton therapy in Europe – access, utilization and need for evidence by *Cai Grau, Aarhus*
 - 12.00 – 12.45 Panel discussion: What are and how to cope with the hurdles in collaboration for value, with *Peter Huijgens, Cai Grau, Karen Kirkby*
- **13.30 – 14.15 Workshop: agile collaboration in care by Rini van Solingen**
- **14.15 – 15.15 Hub not only looking at Grays for the tumor**
Chair: Coen Rasch
 - 14.15 – 14.45 Integrating immunotherapy with proton therapy by *Dirk de Ruijsscher, Maastrro Clinic*
 - 14.45 – 15.15 The biological and clinical value of normal tissue preservation by *Rob Coppes, UMCG*
- **15.45 – 16.45 Hub Protons stop in tissue**
Chair: Remi Nout
 - 15.45 – 16.15 Pitches by HollandPTC consortium researchers
 - 16.15 – 16.45 Robust evaluation in a dynamic environment by *Mischa Hoogeman, HollandPTC*
- **Musical end of the day**

HollandPTC was founded by Erasmus University Medical Centre, Leiden University Medical Centre and the TU Delft, which are joined in an active partnership in the field of Healthcare, Education and Science.

Friday 11 October
9.00: registration
9.30: opening
13.00: lunch
16.00: inaugural speech

Friday 11 October 9.30 – 14.00

To register, please go to <https://www.hollandptc.nl/events/algemeen/hub/>

- **9.30 – 11.15 Hub Proton therapy is a national and joint therapy**

Chair: Ton van der Steen

- 09.30 – 10.00 The HollandPTC program for Health Technology Assessment by *Hedwig Blommestein, Erasmus University*
- 10.00 – 10.30 Learning from (hi)story: the introduction of robotic surgery into the health care system by *Payam Abrishami, Zorginstituut Nederland*
- 10.30 – 11.15 Panel discussion: Societal challenges in proton therapy, with *Payam Abrishami, Hedwig Blommestein, Maria Jacobs, Hans Langendijk*

- **11.30 – 13.00 Hub Towards a 'Critical mass'**

Chair: Jaap Zindler

- 11.30 – 12.00 The view of Dutch health care insurance on proton therapy by *Jolanda Gehlen, CZ*
- 12.00 – 12.30 Management of a radical innovation: proton therapy by *Maria Jacobs, Maastrro Clinic*
- 12.30 – 13.00 The influence of the introduction of proton therapy to photon therapy by *Hans Langendijk, UMCG*
- Closure and practical information by *Menno Riemersma, HollandPTC*

- **16.00: Inaugural speech 'Kritische massa' by Marco van Vulpen in Leiden**

HollandPTC was founded by Erasmus University Medical Centre, Leiden University Medical Centre and the TU Delft, which are joined in an active partnership in the field of Healthcare, Education and Science.

Location

- *Conference:*
Intel hotel Rotterdam
Leuvehaven 80 in Rotterdam
- *Inaugural speech:*
Academy building university of Leiden
Rapenburg 73 in Leiden

HollandPTC was founded by Erasmus University Medical Centre, Leiden University Medical Centre and the TU Delft, which are joined in an active partnership in the field of Healthcare, Education and Science.
