# Taking your skills and treatment to a NEW LEVEL

## ABOUT DR. STUART FROST

Dr. Frost received his dental degree at the University of the Pacific School of Dentistry and practiced general dentistry for 5 years – two with his father and three in his own office.

Following a one-year fellowship in temporomandibular joint dysfunction, he completed a two-year residency in orthodontics and dentofacial orthopedics at the University of Rochester.

Dr. Frost practices in Mesa, Arizona.

He is currently a part-time associate clinical professor at the University of the Pacific orthodontic program and has lectured on the Damon system at several Damon Forums and other Ormco-sponsored events, including the national American Association of Orthodontists annual session and component meetings and his own Damon in-office seminars.

By his peers, Dr. Frost has been named one of Phoenix's top orthodontists for the periods of 2004-2006 and 2008-2010.
