SCIENTIFIC COMMITTEE

Pere Ginès (*Chair*), Jordi Bruix, Xavier Fornas,
Juan Carlos García-Pagan, Miquel Navasa.
Liver Unit, Hospital Clínic, Barcelona

BARCELONA, SPAIN

50th
ANNIVERSARY OF THE
HOSPITAL CLINIC
LIVER UNIT

PRELIMINARY
PROGRAM

Wednesday 25 September

08.00 - 08.05 **WELCOME and OPENING of MEETING**
Pere Ginès (Barcelona)

08.05 - 10.35 **SYMPOSIUM AUTOIMMUNE LIVER DISEASES**
Chair: Albert Pares (Barcelona)

08.05 - 08.30 Diagnosis and treatment of autoimmune hepatitis variant syndromes
Maria C. Londoño (Barcelona)

08.30 - 08.55 Autoimmune hepatitis: management of patients non responding to standard immunosuppression
Angsar Lohse (Hamburg)

08.55 - 09.20 Primary sclerosing cholangitis: more than an unique disease?
Annika Bergquist (Huddinge)

09.20 - 09.45 Advances in the treatment of primary sclerosing cholangitis
Michael Trauner (Vienna)

09.45 - 10.10 Novel therapies for primary biliary cholangitis
Olivier Chazouillères (Paris)

10.10 - 10.35 The pruritus of cholestasis: pathogenesis and treatment
Ulrich Beuers (Amsterdam)

10.35 - 11.00 **Coffee Break**

11.00 - 12.15 **ADVANCES in LIVER TRANSPLANTATION**
Chair: Miquel Navasa (Barcelona)

11.00 - 11.25 Management of patients at risk of cardiovascular events in liver transplantation
Gonzalo Crespo (Barcelona)

11.25 - 11.50 Liver transplantation for alcoholic liver disease. What are the limits?
Susanne Beckebaum (Münster)

11.50 - 12.15 Modulation of inflammation in the transplanted liver?
Alberto Sanchez-Fueyo (London)

12.15 - 13.45 **SYMPOSIUM ABBVIE**

13.45 - 15.00 **LUNCH**

15.00 - 17.00 **HOT TOPICS in HEPATOLOGY**
Chair: Dominique Valla (Clichy)

15.00 - 15.30 Liver disease related to checkpoint inhibitors and biotherapies
Didier Samuel (Paris)

15.30 - 16.00 Hot topics in alcoholic liver disease
Christophe Moreno (Brussels)

16.00 - 16.30 Microvesicles as biomarkers in liver disease
Pierre-Emmanuel Ratou (Clichy)

16.30 - 17.00 Hyperferritinemia and iron overload in metabolic syndrome
Antonello Pietrangelo (Modena)

17.00 - 17.30 **Coffee Break**

17.30 - 18.30 **JUAN RODÉS STATE of the ART LECTURE:**
Chair: Pere Ginès (Barcelona)

The future of hepatology after hepatitis C
Michael Manns (Hannover)

18.30 - 19.30 **SYMPOSIUM GRIFOLS**

Thursday 26 September

08.00 - 12.00	SYMPOSIUM VIRAL HEPATITIS Chair: Xavier Forns (Barcelona)	12.00 - 13.30	SYMPOSIUM GILEAD
08.00 - 08.05	Welcome Xavier Forns (Barcelona)	13.30 - 15.00	LUNCH
08.05 - 08.30	Treatment interruption in HBeAg negative chronic hepatitis b Thomas Berg (Leipzig)	15.00 - 17.30	SYMPOSIUM NON-ALCOHOLIC FATTY LIVER DISEASE Chair: Arun Sanyal (Richmond)
	Case report question and answer Sabela Lens (Barcelona)	15.00 - 15.20	The clinical spectrum of NAFLD across the world Quentin Anstee (Newcastle)
08.30 - 08.55	Hepatitis c microelimination in persons who inject drugs John Dillon (Dundee)	15.20 - 15.40	Trends in the development of diagnostics for NAFLD Arun Sanyal (Richmond)
08.55 - 09.20	Hepatitis delta: natural history, diagnosis and treatment approaches María Buti (Barcelona)	15.40 - 16.00	Managing cardiovascular comorbidities and cancer risk in NAFLD Mohammed Siddiqui (Richmond)
	Case report question and answer Mar Riveiro (Barcelona)	16.00 - 16.20	Best practices in NASH management and current status of drug development Vlad Ratziu (Paris)
09.20 - 10.05	New antiviral targets to control HBV infection Fabien Zoulim (Lyon)	16.20 - 16.40	Panel Discussion
10.05 - 10.35	Coffee Break	16.40-17.30	Case-based discussions with panel Isabel Graupera (Barcelona)
10.35 - 11.00	The challenge of acute hepatitis (A,B and C) in men who have sex with men (MSM) Josep Mallolas (Barcelona)	17.30 -18.00	Coffee Break
	Case report question and answer Sergio Rodriguez (Barcelona)	18.00 - 18.15	50th Anniversary of the Barcelona-Clinic Liver Unit Pere Ginès (Barcelona)
11.00 - 11.25	Immune modulation strategies to control HBV infection Mala Maini (London)		The Liver Unit -inside and out- an ex-ellow's perspective Paolo Angeli (Padova)
11.25 - 11.50	Hepatitis b reactivation in the setting of immuno suppression George V. Papatheodoridis (Athens)	18.15 - 20.00	BARCELONA-CLINIC GRAND ROUNDS Chair: Xavier Forns
	Case report question and answer Zoe Mariño (Barcelona)	18.15 - 18.50	Viral hepatitis Martina Gambato / Zoe Mariño
11.50 - 12.00	Questions to the panel	18.50 - 19.25	Cirrhosis Bogdan Procopet / Juan Carlos Garcia-Pagán
		19.25 - 20.00	Vascular diseases of the liver Andrea de Gottardi / Virginia Hernández-Gea

Friday 27 September

08.00 -12.30	SYMPOSIUM COMPLICATIONS OF CIRRHOSIS Chair: Pere Ginès (Barcelona) & Patrick Kamath (Rochester)	11.30 - 11.50	Prevention and management of ACLF Elsa Solà (Barcelona)
08.00 - 08.05	Welcome Pere Ginès (Barcelona) & Patrick Kamath (Rochester)	11.50 - 12.10	Prospects for antifibrotic therapies in cirrhosis? Scott Friedman (New York)
	First part: screening and non invasive diagnosis	12.10 - 12.30	Panel discussion
08.05 - 08.20	The burden of liver disease in the world Philip Newsome (Birmingham)	12.30 - 13.30	JOAN CORDOBA STATE of the ART LECTURE Chair: Maria Londoño (Barcelona)
08.20 - 08.35	Case presentation Cristina Solé (Barcelona)		Role of macrophages in liver diseases Frank Tacke (Berlin)
08.35 - 08.50	Non invasive diagnosis of cirrhosis Laurent Castera (Clichy)	13.30 -15.00	LUNCH
08.50 - 09.05	Should we screen for liver fibrosis/cirrhosis in the population? Frank Lammert (Homburg)	15.00 -16.30	BARCELONA-CLINIC GRAND ROUNDS Chair: Jordi Bruix (Barcelona)
09.05 - 09.20	Screening for fibrosis or cirrhosis in subjects with high alcohol consumption? Aleksander Krag (Odense)	15.00 -15.45	Liver tumors Maria Varela
09.20 - 09.35	Panel discussion	15.45 -16.30	Liver transplantation Ezequiel Mauro / Jordi Colmenero
09.35 - 10.05	Coffee break	16.30 - 17.00	Coffee break
	Second part: complications of cirrhosis	17.00 - 19.00	SYMPOSIUM: LIVER TUMORS Chair: Jordi Bruix (Barcelona)
10.05 - 10.20	Case presentation Elisa Pose (Barcelona)	17.00 - 17.30	Molecular profiling of liver cancer: genomics vs immunology Peter Galle (Mainz)
10.20 - 10.50	Albumin for prevention of complications PRO Paolo Caraceni (Bologna) CON Patrick Kamath (Rochester)	17.30 - 18.00	Diagnosis of early HCC and treatment indication Alejandro Forner (Barcelona)
10.50 - 11.10	Management of bacterial infections Javier Fernández (Barcelona)	18.00 - 18.30	From TACE to systemic approach Maria Reig (Barcelona)
11.10 - 11.30	Acute kidney injury: kidney biomarkers and management Paolo Angeli (Padova)	18.30 - 19.00	Intrahepatic cholangiocarcinoma: the emerging entity Jesus Bañales (San Sebastián)
		19.00	Close of the meeting Pere Ginès (Barcelona)
