[Faculty](#)

[Schedule](#)

Saturday, February 8, 2020

Check-in & breakfast
7:30AM - 8:00AM

Welcome, Introductions, and Course Overview
8:00AM - 8:15AM

General Principles of Ultrasonography
8:15AM - 8:45AM

Abdominal Ultrasoundography
8:45AM - 9:30AM

Morning Break
9:30AM - 9:45AM

Workshop I : "knobology" & image acquisition:Abdomen
9:45AM - 10:45AM

Echocardiography - Technique & Standard Views
10:45AM - 11:15AM

Cardiac Cases & Image Interpretation
11:15AM - 11:45AM

Lunch
11:45AM - 12:45PM

Workshop Rotation II: Image Acquisition: Goal-directed echo
12:45PM - 2:00PM

DVT and Vascular Access
2:00PM - 2:45PM

Workshop Rotation III: Image Acquisition
2:45PM - 3:50PM

Review of topics/Free scanning
3:50PM - 4:50PM

Sunday, February 9, 2020

Breakfast
7:30AM - 8:00AM

Pleural & Lung Ultrasonography
8:00AM - 9:00AM

Workshop Rotation IV: Image Acquisition: Pleura & Lung
9:05AM - 9:55AM

Overview of clinical ultrasound credentialing & coding
9:55AM - 10:40AM

Wrap up - Assessment of the acutely ill patient
10:40AM - 11:40AM

Morning Break
11:40AM - 11:50AM

Wrap up hands-on session - Review of all topics
11:50AM - 1:10PM

Hands-On Post-test
1:15PM - 2:30PM

Adjourn
2:30PM - 2:40PM

Adjourn for the day
4:50PM - 5:00PM

Add to Calendar

Date & Location

Saturday, February 8, 2020, 7:00 AM - Sunday, February 9, 2020, 5:00 PM, VCU Center for Human Simulation and Patient Safety, McGoethlin Medical Education Center, 9t

Target Audience

Anesthesiology, Critical Care Medicine, Emergency Medicine, Family Practice, General Practice, Hematology, Hospitalist, Internal Medicine, Pulmonary Disease, Geriatric Diseases, Nephrology

Overview

Our general point of care ultrasound workshop is a unique hands-on experience that exposes learners to the fundamentals of ultrasound for the rapid assessment of tl experienced faculty, hands-on sessions on live models will focus on the pearls and pitfalls of image acquisition and interpretation as well as the basics of ultrasound-gui will be complemented by didactic lectures to improve the participants' knowledge of the indications, technical skills, and limitations of bedside ultrasound.

What can you expect to learn?

By the end of this course the learner will develop the ability to use bedside ultrasound to take care of undifferentiated patients in a variety of settings as demonstrated

Objectives

1. Practice the basics of ultrasound machine controls and probe selection for each exam type
2. Integrate the principals of ultrasound physics to obtain optimal images
3. Demonstrate the ability to obtain normal thoracic, cardiac, lung, abdominal, and vascular exams
4. Identify and interpret normal and abnormal ultrasound findings
5. Learn the pearls and pitfalls of ultrasound guided procedures such as venous cannulation, thoracentesis, and paracentesis.
6. Define the limitations of ultrasound imaging

Registration

Select the [register](#) tab above to complete your online registration.

Fees

\$650 VCU Health & VAMC providers

\$800 Non- VCU Healthcare Providers

Fee includes educational materials, credit, and lunch.

Accreditation

VCU Health Continuing Medical Education is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education

VCU Health Continuing Medical Education designates this live activity for a maximum of 14 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit comm participation in the activity. VCU Health Continuing Medical Education awards 14 hours of participation (equivalent to *AMA PRA Category 1 Credits*[™]) to each non-physici this educational activity.

Refund Policy

Registration fee, less a \$60 non-refundable administrative fee, will be refunded only if written notice of cancellation is received via email to cmeinfo@vcuhealth.org on o after this date.

Disclaimers

Minimum and maximum numbers for attendance at this event have been established, and we reserve the right to substitute speakers/topics, or cancel if necessary. By Health CE the right at the Event to record, film, photograph, or capture your likeness in any media and to distribute, broadcast, use, or otherwise disseminate, in perpet approval from or any payment to you.
