eaun European
Association
of Urology
Nurses

Dear Colleagues,

It gives me great pleasure to welcome you to the city of Amsterdam, the picturesque and historic capital of the Netherlands, that will host the 21th International EAUN Meeting in conjunction with the 35th Annual EAU Congress. Amsterdam is world-famous for its canals, bicycles, art and tulips and will offer a suitable venue for our meeting.

The EAUN20 scientific programme will provide you with a unique opportunity to meet leading urology nurses and medical professionals from all across Europe and beyond. We will be discussing a variety of cutting-edge urology nursing topics, in a practice-based manner and supported by the best evidence available. The meeting consists of interactive sessions, state-of-the-art lectures, courses and workshops, and it will also feature the presentation of the latest EAUN guidelines.

Also, don't miss the opportunity to present your work in Amsterdam, as an abstract, research plan, nursing video, or difficult case. Several prizes are available! Your research project could win a grant of €2,500, but most of all: your experience will help other nurses improve their patient care. For detailed information, please visit our website: www.eaun20.org

Not a urology nurse?

The EAUN invites all urology nurses and other professionals to submit an abstract on a topic relevant to urology, continence nursing or a related field. To submit a video or a difficult case you have to be eligible for EAUN Membership. The research competition is an exclusive opportunity for EAUN Members.

I look forward to seeing you all in Amsterdam in 2020!

Susanne Vahr
Chair EAUN

Early fee registration deadline: 16 January 2020

Submission Deadline: 1 December 2019

Thinking of submitting an abstract, video, difficult case or research plan?

Think no further! Highlight and share with your colleagues!
