

# ICHOM Conference Barcelona 2020

## Patient-Centred Healthcare and the Value Based Approach

### Making Change Happen

## *Investigating \*Implementing \* Benchmarking \* Achieving Results*

The ICHOM Conference 2020 offers a programme to support your journey to delivering Patient-Centred Value Based Health Care – from investigating to implementing and from benchmarking to achieving results.

**Attend for valuable content and benefit from the experience of our international speaker faculty, who are leaders in delivering improved patient outcomes, transformational change and quality improvement within the healthcare ecosystem.**

### Day 1: Monday 18 May 2020

- 14:00 – 16:00 Site visits – Details TBC. Limited capacity.
- 17:30 – 19:30 Drinks Reception – Details TBC. Limited capacity.

### Day 2: Tuesday 19 May 2020

07:30 – 09:00 Registration, refreshments and Exhibition Open

08:50 – 10:30 **Plenary (Auditorium):** Making the Patient central to Healthcare System Transformation

- 08:50 – 09:00 Opening remarks
- 09:00 – 09:20 Welcome to Region/Country
- 09:20 – 09:40 Opening Keynote – to be announced
- 09:40 – 10:00 Patient Empowerment and the Lived Experience
- 10:00 – 10:30 Making the Patient Central to Healthcare System Transformation
- 10:30 – 11:00 Morning Refreshments – Exhibition Open

11:00 – 12:00 **Plenary (Auditorium):** Making the Patient central to Outcomes Measurement and Reimbursement

- 11:00 – 11:30 Overcoming financial and system wide barriers affecting the patient centred approach to healthcare
- 11:30 – 12:20 Working in partnership to deliver effective outcomes-based procurement (value-based outcomes)
- 12:20 – 12:50 Examining France's National Outcomes Based Payment Contract utilising the ICHOM Standard Set for Cataract Care
- 13:00 – 14:00 Lunch – Exhibition Open

14:00 – 16:00 **Concurrent Streams:** Making the Patient Central – from Small Scale Pilot to Global Collaboration and Impact

- 14:00 – 16:00 Stream 1 – **Workshops:** In-depth, interactive sessions focused on the 'How to' from steps to building a VBHC System, to a Community of Practice in LMICs to Working in Partnership and Collaboration
- 14:00 – 16:00 **Workshop 1:** Determining the steps required to build an effective Value Based Healthcare System
- 14:00 – 16:00 **Workshop 2:** Building a Community of Practice in Low- and Middle-income Countries
- 14:00 – 16:00 **Workshop 3:** <Workshop to be confirmed>
- 14:00 – 16:00 **Workshop 4:** Managing the Transformational Change Program required for VBHC Implementation
- 14:00 – 16:00 Stream 2 – **Poster Presentations:** This session is an opportunity for 10 Research Abstracts to be presented, all to be selected by the Judging Panel
- 14:00 – 16:00 Stream 3 – **Education Stream:** Learn about Value Based Healthcare Practice, Where to Start and How to Scale
- 14:00 – 14:30 Investigating VBHC, the ICHOM Methodology and Standard Sets
- 14:30 – 15:00 Standard Set Development - Opportunities and Guidance
- 15:00 – 16:00 Implementation of VBHC utilising the ICHOM Standard Sets

14:00 – 15:45	Stream 4 – <b>Data Stream:</b> Learn about the ICHOM Standardisation Project, the Harmonised Term Bank and gather practical advice on deployment into local systems. Includes time to trouble shoot with experts
14:00 – 14:15	<b>The ICHOM Harmonisation Project</b>
14:15 – 14:45	<b>Introduction to Clinical Information Modelling</b>
14:45 – 15:00	<b>Localising the ICHOM Global Outcomes Standard</b>
15:00 – 15:30	<b>Demonstrating the ICHOM Harmonised Term Bank</b>
15:30 – 15:45	<b>A Practical Approach to Localisation</b>
14:00 – 16:00	Stream 5 – <b>Standard Sets Development Stream:</b> Learn about the Global and Collaborative Approach taken to developing Standard Sets, their Stages of Development, their Progress on Implementation and Shared Decision Making
14:00 – 14:15	<b>Development of the ICHOM standard set for Overall Adult Health</b>
14:15 – 14:30	<b>Coronary Artery Disease Standard Set Implementation in the Central Finland Healthcare District</b>
14:30 – 14:45	<b>Implementation of the Pregnancy and Childbirth Standard Set for Shared Decision Making in the Netherlands</b>
14:45 – 15:00	<b>Overall Paediatric Health Standard Set Launch</b>
15:00 – 15:15	<b>An Innovative Approach to Creating an ICHOM Standard Set: The Design and Principles of the ICHOM Hand and Wrist Standard Set and an Example of Successful Implementation</b>
15:15 – 15:30	<b>Evolution and iterative improvement of the Standard Set for cleft lip/palate, and development of a related community for implementation, collaborative quality-improvement, and research</b>
15:30 – 15:45	<b>Breast Cancer PROMs post-All.Can</b>
15:45 – 16:00	<b>The International Consortium for Health Outcomes Measurement, Psychotic Disorders Standard Set of Patient Reported Outcomes</b>
16:00 – 16:30	Afternoon refreshments – Exhibition open
16:30 – 18:00	<b>Closing plenary (Auditorium):</b> Achieving Results and Driving Continuous Improvement
16:30 – 17:30	<b>VBHC – Examining the VBHC Pioneers and how they are driving continuous improvement</b>
17:30 – 18:00	<b>ICHOM in 2020 and Beyond</b>
19:30 – Late	Gala Dinner Event. Limited Capacity. Ticket only.

## Day 3: Wednesday 20 May 2020

07:45 – 09:00 Registration, refreshments and Exhibition Open

08:00 – 09:00	<b>Breakfast Briefings</b>
08:00 – 09:00	Briefing 1: <b>Exploring a generic implementation of ICHOM Standard Sets in the European Health Data and Evidence Network (EHDEN)</b>
08:00 – 09:00	Briefing 2: <b>TDABC: Time Driven Activity Based Costing</b>
08:00 – 09:00	Briefing 3: <b>Analysing India's Leapfrog to Value Based Healthcare</b>
09:15 – 11:15	<b>Plenary (Auditorium):</b> Implementing, benchmarking and achieving results
09:15 – 09:25	<b>Welcome</b>
09:25 – 09:55	<b>Analysing the clinical challenges of Standard Set Implementation</b>
09:55 – 10:15	<b>Driving Continuous Improvement in VBHC at the Cleveland Clinic</b>
10:15 – 10:25	<b>Case Study: NHS Wales</b>
10:25 – 10:35	<b>Case Study: Real life examples of VBHC in action at Santeon &amp; How Shared Decision Making is essential to VBHC</b>
10:35 – 10:45	<b>Case Study: Implementation of Value-Based Healthcare using ICHOM standards at Vall d'Hebron Barcelona Hospital Campus</b>
10:45 – 10:55	<b>Case Study: King Saud University Medical City, Riyadh, Saudi Arabia</b>
10:55 – 11:05	<b>Case Study: Coronary Artery Disease Standard Set Implementation in the Central Finland Healthcare District</b>
11:05 – 11:15	<b>Value Based Healthcare Centre Europe Speech and Prize Winner Announcement</b>
11:15 – 11:45	Morning Refreshments – Exhibition Open

11:45 – 13:45	<b>Concurrent Streams</b>
11:45 – 13:45	Stream 1 – <b><i>News Briefings</i></b>
11:45 – 12:45	Briefing 1: <b>The PaRIS project: Patient Reported Outcome Measurement beyond the hospital setting</b>
12:45 – 13:45	Briefing 2: <b>PROM capture – from manual to automatic</b>
11:45 – 13:45	Stream 2 – <b><i>Implementation Stream (Call for Papers)</i></b> : This stream has been developed exclusively from our Call for Papers and will showcase real world case study examples of implementation of VBHC utilising the ICHOM methodology and Standard Sets.
11:45 – 12:00	<b>Best practice VBHC implementation</b>
12:00 – 12:15	<b>Time-driven activity-based costing analysis of knee osteoarthritis surgery using ICHOM standard set: a comparative study between two hospitals</b>
12:15 – 12:30	<b>Patient experience as the key for designing healthcare paths for a Value-Based healthcare</b>
12:30 – 12:45	<b>Using Patient-Reported Outcomes in Real-Time Shared Decision-Making How to Activate Data in Value-Based Healthcare</b>
12:45 – 13:00	<b>Global variations in treatment decisions among men with localized prostate cancer: Patterns of care in 15,718 men from 9 countries</b>
13:00 – 13:15	<b>Recruiting colleagues to the system change agenda</b>
11:45 – 12:00	<b>Implementing ICHOM standards as a part of a strategy to reduce recurrences in patients with heart failure</b>
12:00 – 12:15	<b>Improving Outcomes in South African Maternity Services</b>
12:15 – 12:30	<b>Implementation of Value Based Health Care framework and ICHOM Oral Health Standard Set at Dental Health Services Victoria</b>
12:30 – 12:45	<b>PROMoting Quality - Intersectoral use of PROMs to increase the patient-relevant quality of results</b>
12:45 – 13:00	<b>Patients Redefining Health Care in Canada: The Journey Begins</b>
13:00 – 13:15	<b>In-hospital predictors of 90 days-PROMS in acute stroke patients</b>
11:45 – 13:45	Stream 3 – <b><i>Concurrent Implementation Workshops – How we did it</i></b> : Choose one from a selection of 2-hour sessions that provide much more thorough, interactive and in-depth detail from the earlier Case Study plenary sessions.
11:45 – 13:45	Workshop 1: <b><i>The Value Based Healthcare Approach in Wales</i></b>
11:45 – 13:45	Workshop 2: <b><i>European Hospital Alliance Blueprint for VBHC Implementation</i></b>
11:45 – 13:45	Workshop 3: <b><i>A Methodology to enable cultural change for Value Based Healthcare implementation in Vall d'Hebron Hospital</i></b>
11:45 – 13:45	Workshop 4: <b><i>The Value Based Healthcare Approach in King Saud University Medical City, Riyadh, Saudi Arabia</i></b>
11:45 – 13:45	Workshop 5: <b><i>The Value Based Healthcare Approach at Santeon</i></b>
14:00 – 14:30	<b>Closing plenary (Exhibition Hall)</b>
14:00 – 14:30	<b>It's a wrap...but what comes next?</b>
14:30 – 15:00	<b>Take-Away Lunch</b>
15:00 – 15:30	<b>Depart for Site Visits or Home</b>

Caveat: Please note that times, session titles, topic titles and speakers are all potentially subject to slight revision or change. There may be future additions to and/or omissions from the program.
