

Titel training/workshop:	CowSignals <sup>®</sup> Open Advisor Course
Korte inleiding:	Do you want to have a bigger impact on animal welfare and sustainability in the dairy chain? Learn how to focus on prevention and help farmers to improve their dairy management. Look at cows AND people in a different way to motivate real change.
<b>Algemene informatie:</b>	<p>In this 2-day course, we focus on CowSignals<sup>®</sup> and PeopleSignals<sup>®</sup>:</p> <p><b>CowSignals<sup>®</sup>:</b> learn to recognize a cow's signals, to identify problems that can lead to disease, and to solve them. We combine all factors that are important for cow welfare: feed, water, light, air, rest, and space. These come together in our welfare model: the CowSignals<sup>®</sup> Diamond</p> <p><b>PeopleSignals<sup>®</sup>:</b> learn to advise and motivate with effect: how do you open a client's eyes and mind? How do you help farmers achieve real change? Learn how to use our most important Advisor tools: the quick CowSignals<sup>®</sup> 1-2-3 Welfare Check and the more extensive CowSignals<sup>®</sup> Welfare Assessment.</p> <p><b>CowSignals<sup>®</sup> Advisor License:</b> Included in the price is a 1 year CowSignals<sup>®</sup> Advisor License that allows you to use our concept, branding, and Advisor tools in your daily work. We provide you with all kinds of support to help you be the best advisor you can be: you get access to the CowSignals<sup>®</sup> ebook, 3 online courses, and an extensive digital toolbox with Advisor tools and other useful information.</p>
Speker(s)/Docent(en):	Joep Driessen
