

DAY 1

- **30 minute sessions** will be 25 minutes with 5 minutes of Q/A with faculty
- **1 hour sessions** will be 50 minutes with 10 minutes of Q/A with faculty
- Dozens of other courses available **ON DEMAND** beginning Oct. 26 – *check Courses By Track page*
- **Come and go** to the live events as you please, or explore on your own time
- More details to come about the **activities beyond the educational** courses

Central Daylight Time (CDT)

8:00 am	Vendor Demonstration	Simulation Case Scenarios	On-demand Courses available 24/7
8:30 am	Vendor Demonstration		
9:00 am	ACEP20 OPENING GENERAL SESSION		
9:30 am			
10:00 am	Colin C. Rorrie Lecture Annual Census Ten Million: Emergency Medicine in the State Capital	Abdominal Pain that Isn't: The Masqueraders	Exhibit Showcase available to explore on your own 24/7 or set up appointments
10:30 am		Critical Update: Coronavirus (COVID-19)	
11:00 am	Vendor Demonstration	Simulation Case Scenarios	Research Forum posters available 24/7 with live abstract presentations
11:30 am	Vendor Demonstration		
12:00 pm	Vendor Demonstration	Simulation Case Scenarios	Exhibitor Appointments
12:30 pm	Vendor Demonstration		
1:00 pm	Vendor Demonstration	Simulation Case Scenarios	EMRA Activities for residents and students throughout. Check emra.org for details
1:30 pm	Vendor Demonstration		
2:00 pm	Vendor Demonstration	Simulation Case Scenarios	
2:30 pm	Vendor Demonstration		
3:00 pm	Vendor Demonstration	Simulation Case Scenarios	
3:30 pm	Vendor Demonstration		
4:00 pm	High-Risk Patients and Providers (COVID)	Shaken Not Stirred: Alcohol Withdrawal	Cruising the Literature: PEM 2020
4:30 pm	Fixing Faces Painlessly: Facial Anesthesia, Regional Blocks	Classic Pediatric Rashes	
5:00 pm	Unpacking the Black Box - Diagnosing Pulmonary Embolism in Pregnancy	How to Prevent Intubation	Above Us Only Sky: Exploring Transitions, Challenges, & Strategies of Women in Leadership Roles
5:30 pm	Emergency Care for Transgender Patients	More Than A Poke To The Eye: Traumatic Eye Injuries	
6:00 pm	Social Networking, Happy Hours & So Much More We'll still have puppies in the Exhibit Showcase area and Drop The Mic. There will be morning workouts, afternoon trivia, evening happy hours and unexpected opportunities to mingle. Check back often for times and dates.		
6:30 pm			
7:00 pm			
7:30 pm			
8:00 pm			
8:30 pm			
9:00 pm	Controversies in Prehospital Care: The Evidence vs the Fad	Lung Ultrasound in the Age of COVID	Critical Update in Toxicology 2020
9:30 pm		Cruising the Literature: Trauma 2020	
10:00 pm	Resuscitation-Minded: Metacognition at the Bedside	Is There a Doctor on Board?: Managing In-Flight Emergencies	Advanced Recognition and Treatment of Brady and Tachycardias
10:30 pm	International Medicine Migrating Your Way	How to be an Effective Mentor	
11:00 pm			

DAY 2

- **30 minute sessions** will be 25 minutes with 5 minutes of Q/A with faculty
- **1 hour sessions** will be 50 minutes with 10 minutes of Q/A with faculty
- Dozens of other courses available **ON DEMAND** beginning Oct. 26 – *check Courses By Track page*
- **Come and go** to the live events as you please, or explore on your own time
- More details to come about the **activities beyond the educational** courses

Central Daylight Time (CDT)

8:00 am	Vendor Demonstration	Simulation Case Scenarios	On-demand Courses available 24/7
8:30 am	Vendor Demonstration	Simulation Case Scenarios	
9:00 am	Lessons Learned: Airway Management for COVID-19 Patients	Physical Exam vs Imaging in Blunt Neck Injuries	Acute Decompensated Heart Failure: Time Critical Interventions
9:30 am	Chest Tubes: Pearls & Pitfalls	New Sepsis Guidelines: Latest But Not Greatest	
10:00 am	James D. Mills, Jr. Memorial Lecture #NoSilenceonEDViolence: Workplace Violence Against Emergency Physicians	Stop the Bleeding: New Technologies For Hemorrhage Control	Under Pressor! Utilizing IV Pressors in the ED
10:30 am		Lung Bugs & Drugs 2020	
11:00 am	Vendor Demonstration	Simulation Case Scenarios	Exhibit Showcase available to explore on your own 24/7 or set up appointments
11:30 am	Vendor Demonstration	Simulation Case Scenarios	
12:00 pm	Vendor Demonstration	Simulation Case Scenarios	
12:30 pm	Vendor Demonstration	Simulation Case Scenarios	
1:00 pm	Vendor Demonstration	Simulation Case Scenarios	
1:30 pm	Vendor Demonstration	Simulation Case Scenarios	
2:00 pm	Vendor Demonstration	Simulation Case Scenarios	
2:30 pm	Vendor Demonstration	Simulation Case Scenarios	
3:00 pm	Vendor Demonstration	Simulation Case Scenarios	
3:30 pm	Vendor Demonstration	Simulation Case Scenarios	
4:00 pm	TIA Management: Don't Just Do Something, Stand There	Experimental Treatments with COVID-19, What Worked and What Didn't?	Non-Traditional AMI Presentations: Don't Miss the Diagnosis
4:30 pm	Orthopedic Pearls & Pitfalls	Emergency Physician Compensation Update 2020	
5:00 pm	Newborn Resuscitation: Born But Not Breathing	Averting Common Airway Errors	Working as a Female in the ED: Coffee House Chat
5:30 pm	Emergency Delivery: Are You Prepared?	Neurologic Manifestations of COVID-19: Don't Miss this Presentation	
6:00 pm	Social Networking, Happy Hours & So Much More We'll still have puppies in the Exhibit Showcase area and Drop The Mic. There will be morning workouts, afternoon trivia, evening happy hours and unexpected opportunities to mingle. Check back often for times and dates.		
6:30 pm			
7:00 pm			
7:30 pm			
8:00 pm			
8:30 pm			
9:00 pm	How to Give a Killer Talk	Secured the Airway, Now What? Best Practices for Post-Intubation Sedation	From Paper to Patient: Recent Advances in Emergency Electrocardiography that Will Save a Life
9:30 pm	New Cardiac Drugs: How, What, and When to Use Them in the ED	How to Sleep Soundly after Discharging Suicidal Patients from Your ED	
10:00 pm	Rashes to Know in the Anti-Vax Population	Telemedicine: Which Side of the Camera are You On?	Many Faces of Disaster
10:30 pm	Paranoid to Paralyze: How to Safely Perform Awake Intubations	Hemostasis Without Direct Pressure: ED Applications of Tranexamic Acid	
11:00 pm			

DAY 3

- **30 minute sessions** will be 25 minutes with 5 minutes of Q/A with faculty
- **1 hour sessions** will be 50 minutes with 10 minutes of Q/A with faculty
- Dozens of other courses available **ON DEMAND** beginning Oct. 26 – *check Courses By Track page*
- **Come and go** to the live events as you please, or explore on your own time
- More details to come about the **activities beyond the educational** courses

Central Daylight Time (CDT)

8:00 am	Vendor Demonstration	Simulation Case Scenarios	On-demand Courses available 24/7	
8:30 am	Vendor Demonstration			
9:00 am	The Unvaccinated Child in the Pediatric ED	Black Box Drugs We Use: What's the Risk?	Maintaining Your ABEM Certification: Review of 2020 Lifelong & Learning & Self-Assessment Articles	Exhibit Showcase available to explore on your own 24/7 or set up appointments
9:30 am	Badges, Games, and Escape Rooms? Innovative Education for Today's Learner	Pediatric Patients and COVID: Carriers and Presentations of Disease		
10:00 am	Nancy J. Auer Lecture Building a Better Workplace: Creating Diversity & Inclusion in Your ED!	There's an App for That! Phone Apps You Should Know About	Dermatology Jeopardy	
10:30 am		Subtle Signs of Abuse		
11:00 am	Vendor Demonstration	Simulation Case Scenarios	Exhibitor Appointments	Research Forum posters available 24/7 with live abstract presentations
11:30 am	Vendor Demonstration			
12:00 pm	Vendor Demonstration	Simulation Case Scenarios		
12:30 pm	Vendor Demonstration			
1:00 pm	Vendor Demonstration	Simulation Case Scenarios		
1:30 pm	Vendor Demonstration			
2:00 pm	Vendor Demonstration	Simulation Case Scenarios		
2:30 pm	Vendor Demonstration		EMRA Activities for residents and students throughout. Check emra.org for details	
3:00 pm	Vendor Demonstration	Simulation Case Scenarios		
3:30 pm	Vendor Demonstration			
4:00 pm	Medical Errors: Prevention and Disclosure	Combatting Violence at Home During a Pandemic (COVID)	Toxicology Jeopardy	
4:30 pm	Fire Behind the Smoke: Vaping Related Illness	Atrial Fibrillation Update 2020: Don't Miss a Beat		
5:00 pm	Still Dope: New on the Scene	The ICU is Not Ready for Your Critical Patient, Are You?	Critical Care Emergency Ultrasound	
5:30 pm	Pediatric Trauma Pearls and Pitfalls	Beyond Intubation: ARDS in COVID		
6:00 pm	Social Networking, Happy Hours & So Much More We'll still have puppies in the Exhibit Showcase area and Drop The Mic. There will be morning workouts, afternoon trivia, evening happy hours and unexpected opportunities to mingle. Check back often for times and dates.			
6:30 pm				
7:00 pm				
7:30 pm				
8:00 pm				
8:30 pm				
9:00 pm	Contract Nightmares: Due Process, Indemnification Clauses, and Non-Competes	Critical Appraisal and FOAMed: Is FOAMed the Problem or the Solution?	Infectious Disease Game Show	
9:30 pm	Poisoned & Bizarre! ECGs in Toxicologic Emergencies	Trauma STAT! Fluids, Factors & the TEG!		
10:00 pm	Current Recommendations for STI Treatment: Are You Up-to-Date?	RVU Killers: The Most Common Reimbursement Documentation Errors	Blocks Unblinded: Ultrasound Guided Regional Anesthesia	
10:30 pm	Whole Lotta Shakin' Goin' On: Update on Seizure & Status Management	Diversity: If You Build it They Will Come...and Stay		
11:00 pm				

DAY 4

- **30 minute sessions** will be 25 minutes with 5 minutes of Q/A with faculty
- **1 hour sessions** will be 50 minutes with 10 minutes of Q/A with faculty
- Dozens of other courses available **ON DEMAND** beginning Oct. 26 – *check Courses By Track page*
- **Come and go** to the live events as you please, or explore on your own time
- More details to come about the **activities beyond the educational** courses

Central Daylight Time (CDT)

8:00 am	Vendor Demonstration	Simulation Case Scenarios	On-demand Courses available 24/7
8:30 am	Vendor Demonstration	Simulation Case Scenarios	
9:00 am	ECG in Syncope: An Expert Approach	JFK Assassination: The Medical History	High-Risk Cases in EM
9:30 am	Teaching on the Run: Tips & Tricks to Make Teaching More Efficient & Fun	Sweat the Small Stuff: Optimizing Bedside Care of the COVID Patient	Exhibit Showcase available to explore on your own 24/7 or set up appointments
10:00 am	Brooks Bock Keynote Lecture and Abstract Value Added by Research to Emergency Care	Dead Tired: The Impact of Fatigue on Patient Safety and Physician Wellness	Avoiding Pediatric Airway Panic: Advanced Pediatric Airway Management
10:30 am		Seeing Soundwaves: Ocular US	
11:00 am	Vendor Demonstration	Simulation Case Scenarios	
11:30 am	Vendor Demonstration	Simulation Case Scenarios	Research Forum posters available 24/7 with live abstract presentations
12:00 pm	Vendor Demonstration	Simulation Case Scenarios	Exhibitor Appointments
12:30 pm	Vendor Demonstration	Simulation Case Scenarios	
1:00 pm	Vendor Demonstration	Simulation Case Scenarios	
1:30 pm	Vendor Demonstration	Simulation Case Scenarios	
2:00 pm	Vendor Demonstration	Simulation Case Scenarios	
2:30 pm	Vendor Demonstration	Simulation Case Scenarios	EMRA Activities for residents and students throughout. Check emra.org for details
3:00 pm	Vendor Demonstration	Simulation Case Scenarios	
3:30 pm	Vendor Demonstration	Simulation Case Scenarios	
4:00 pm	Quick Tips: ENT Procedures in the ED	Pediatric Status Asthmaticus in 2020: What's in Your Kitchen Sink	Use or Abuse: Pediatric Fractures & Their Causes
4:30 pm	Alternative Payment Models: Exploring the Reimbursement Frontier	Imaging Overtesting and Overuse: Just How Dangerous Is It?	
5:00 pm	Capnography - Not Just For the Intubated	The Death Rash: Lethal Rashes You Can't Miss	Cruising the Literature: Top Articles in Critical Care
5:30 pm	Medical Mimics: Medical Causes of Psychiatric Symptoms	In Vitro Fertilization Patients and ED Presentations: Pearls and Pitfalls	
6:00 pm	ACEP20 Closing Night Event		
6:30 pm			
7:00 pm			
7:30 pm			
8:00 pm			
8:30 pm			
9:00 pm			
9:30 pm			
10:00 pm			
10:30 pm			
11:00 pm
