

GLOBAL EXPERT SUMMIT ON HYPOPARATHYROIDISM

ASSESSING AND MANAGING A COMPLEX DISEASE

NOV 20th–21st, 2020

Dear @insert name,

We are delighted to invite you to the **Global Expert Summit on Hypoparathyroidism** taking place as a virtual meeting on November 20th–21st, 2020.

The GESH 2020 theme is “Assessing and Managing a Complex Disease” and the objectives of this meeting are to:

- **Summarize** the actions of parathyroid hormone and its impact beyond calcium homeostasis
- **Understand** the impact of hypoparathyroidism on morbidity, mortality, and quality of life in patients and their caregivers
- **Review** the journey of the patient with hypoparathyroidism and understand the burden of complications and comorbidities
- **Reconsider** goals and guidelines for the management of the hypoparathyroid patient in the light of new information about the disease and benefits of different therapies.

You will be able to attend this virtual educational conference from anywhere in the world. It will last approx. 4–5 hours each day:

November 20th	07:00–11:50 EST / 12:00–16:50 GMT / 13:00–17:50 CET
November 21st	07:00–11:00 EST / 12:00–16:00 GMT / 13:00–17:00 CET

[Click here to download the meeting agenda.](#)

Join us for an engaging and interactive Takeda sponsored educational conference that supports our goal of building worldwide long-term scientific commitment to Hypoparathyroidism by facilitating scientific discussion, enhancing education, and providing best-in-class support services to healthcare physicians in this field!

Sincerely,
@insert name
