**CTG Master Class**  
*Online*

19<sup>th</sup> - 20<sup>th</sup> of November, 2020

**Neoventa Academy**

## Welcome to CTG Master Class!

The CTG Master Class will give you a deeper understanding of CTG and CTG interpretation and offers an incomparable opportunity for obstetricians and midwives to assess and interpret a wide range of real-life obstetric emergencies. Conducted by Edwin Chandraharan, the Director of Global Academy of Medical Education and Training Ltd.

The overall aim is to differentiate between fetal compensation and decompensation to ensure timely and appropriate action.

It is sincerely hoped that by the end of the CTG Master Class, delegates will be able to recognize features of fetal response to stress on the CTG Trace and also to predict the next change on the CTG Trace.

### Faculty

Edwin Chandraharan, UK

Petra Bakker, NL

Anneke Kwee, NL

Annika Mårtendal, SE

### Fee

Two day course fee: 150€

### Registration
