

Course program - KARMA. ridges

09:00 Zoom installment & troubleshooting

10:00 Intro and course program

10:15 Pre-course lecture

10:45 Q&A

11:00 Demonstration simple restoration (upper first molar)

Bonding & resin coating (5 min)

Simple dentin replacement (10 min)

Students will perform the steps, Q&A (15 min)

Simple single cusp replacement (10 min)

Students will perform the steps, Q&A (15 min)

Finishing the restoration (10 min)

Students will finish as well, Q&A (20 min)

Staining (5 min)

Students will perform the steps, Q&A (15 min)

12:45 Break

13:15 Demonstration complex restoration (lower first molar)

Bonding & resin coating (5 min)

Dentin replacement with staining (10 min)

Students will perform the steps, Q&A (15 min)

Cusp replacement with highlights (10 min)

Students will perform the steps, Q&A (15 min)

Finishing the restoration (10 min)

Students will finish as well, Q&A (20 min)

Staining (5 min)

Students will perform the steps (15 min)

15:00 Q&A

15:30 Wrap-up
