ESMO VIRTUAL PRECEPTORSHIP PROGRAMME

COLORECTAL CANCER

Multidisciplinary management, standards of care
and future perspectives

16-17 April 2021

CO-CHAIRS: Andrés Cervantes, Spain
Dirk Arnold, Germany

SPEAKERS: Myriam Chalabi, Netherlands
Chiara Cremolini, Italy
Michel Ducreux, France
Eduardo García-Granero, Spain
Sara Lonardi, Italy
Erika Martinelli, Italy
Dominik Modest, Germany
Clara Montagut, Spain
Iris Nagtegaal, Netherlands
Luis Sabater, Spain
Inês Santiago, Portugal
Jenny Seligmann, United Kingdom
Noelia Tarazona Llaveró, Spain

LEARNING OBJECTIVES

- To learn about best clinical practice in the multidisciplinary management of colorectal cancer in the adjuvant and metastatic settings
- To understand the importance of pathology and histoprognostic factors
- To learn about the management of patients after progression, side-effects of treatments and in special situations

ACCREDITATION

The programme of this event has been accredited with **6 ESMO-MORA category 1 points**.
Recertification is necessary for medical oncologists to remain professionally certified by ESMO. Recertification guarantees that a certified medical oncologist has continued to update her/his knowledge and continues to possess the necessary skills and standards for the practice of medical oncology. For further details, please refer to esmo.org.

ACKNOWLEDGEMENTS

This event is supported by an unrestricted educational grant from
