Dear endosonographer and EUS-nurse,

Dear endosonographer and EUS-nurse,

Despite COVID-19 our annual EUS Live course will continue! This year as a virtual course. Our guest faculty will consist of **Robert Hawes** from the USA, **Jeanin van Hooft** from the Netherlands, **Ilenia Tarantino** from Italy, and **Bertrand Napoleon** from France. Together with our local Amsterdam UMC faculty we will show 4 state of the art live cases and didactic lectures. We will offer you an opportunity, maybe together with your EUS-nursing staff, to discuss the indications and technical aspects of diagnostic as well as therapeutic EUS. We hope you will join us for this 23rd edition and promise you a valuable EUS experience!
