

Webinar

Update on Necrotizing Enterocolitis: towards no more NEC

Maandag 21 juni 2021

Vanuit het UMCG NEC expertisecentrum wordt een webinar georganiseerd over necrotische enterocolitis (NEC) bij prematuren. Hierbij zullen de volgende onderwerpen aan bod komen:

- Wat is een NEC precies?
- Kan een NEC worden voorspeld waardoor het te voorkomen is?
- Hoe wordt een NEC behandeld?
- Wat betekent een NEC voor de patiënt?
