

**WCP 2021**

# ESCP Scientific session

**FRIDAY SEPTEMBER 24TH**

## **Organising Committee**

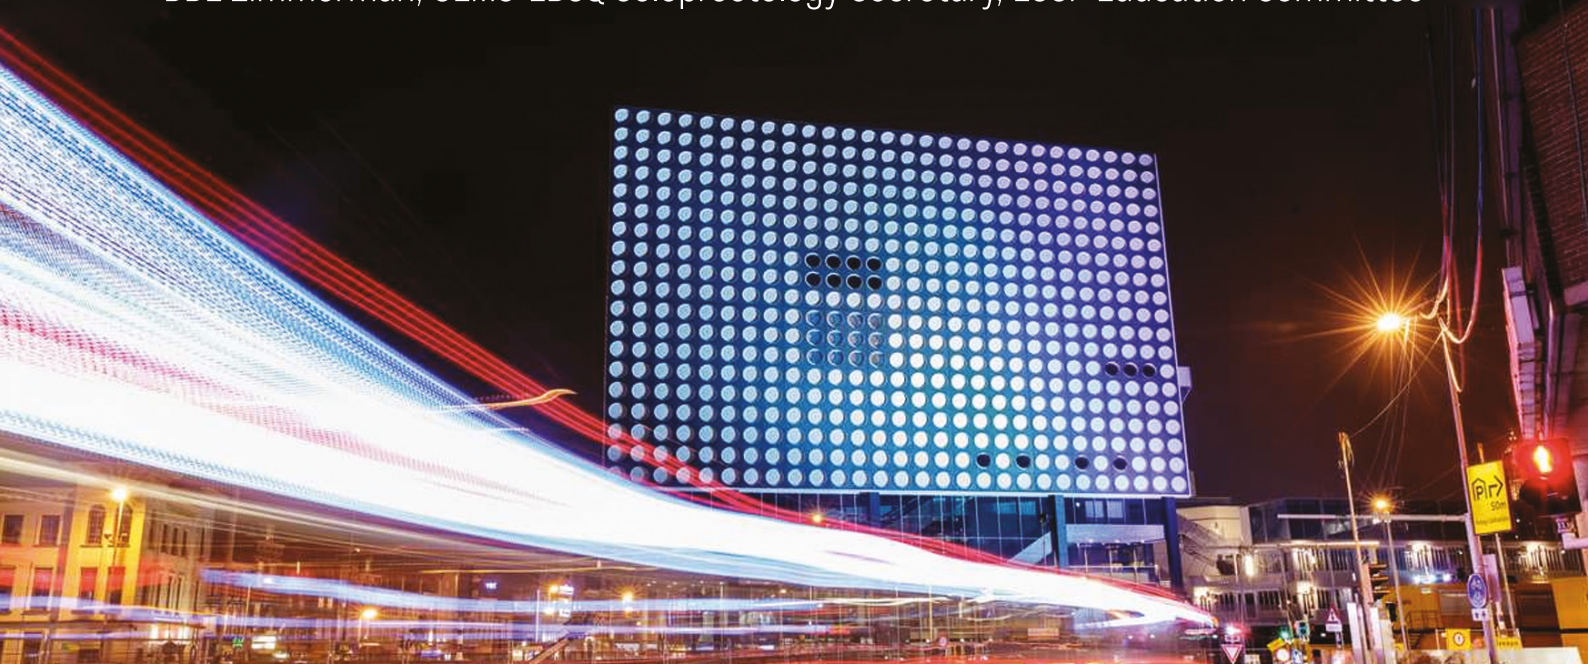

ECJ Consten, Chair of WCP

R Hompes, ESCP Education Committee

YT van Loon, Y-ESCP Education Committee

HL van Westreenen, Treasurer WCP

DDE Zimmerman, UEMS-EBSQ Coloproctology Secretary, ESCP Education Committee

- 08:30 **Registration**  
09:00 **Introduction – Opening Ceremony**  
09:10 The Right Study: Dutch design for optimisation of right-sided hemicolectomy  
*B.R. Toorenvliet, Ikazia Ziekenhuis*

## Management of rectal cancer ESCP & WCP scientific session

- 09:45 ESCP keynote lecture  
“Will all Rectal Cancer Care be Centralised? Prepare, Fail, or...?”  
10.30 WCP scientific session  
“Challenges in innovation in rectal cancer surgery”  
  
Minimally invasive rectal surgery: outcomes beyond the learning curve  
*R. Hompes, Amsterdam UMC*  
*E.C.J. Consten, Meander MC / UMC Groningen*  
  
Fluorescence angiography in rectal cancer surgery, gimmick or gamechanger?  
*A.L. Vahrmeijer, Leids UMC*  
11.15 Break

## Management of benign colorectal disease

- 11:45 Oral antibiotics and selective bowel decontamination in colorectal surgery: hot or not?  
*S.J. Oosterling, Spaarne Gasthuis*  
12.05 Parastomal and complex abdominal hernia repair: myths, facts and recommendations  
*E.G.G. Verdaasdonk, Jeroen Bosch Ziekenhuis*  
12:25 Entero-enteral fistula surgery: what is the best road to success?  
*M.A. Boermeester, Amsterdam UMC*  
12:45 **Lunch**

## Principles in oncology, treatments beyond radical surgery

- 13.45 The role of neoadjuvant systemic treatment in colon cancer: what a surgeon needs to know  
*B.A. Grotenhuis, NKI-AVL*  
14.05 **Battle:** local versus radical resection for T1 rectal cancer.  
*J. Leijtens, Laurentius Ziekenhuis versus D.K. Wasowicz, Elisabeth Twee-Steden Ziekenhuis*  
14:25 T1 colon cancer suspected for deep invasion: upfront local treatment or oncologic resection  
*L.M.G. Moons, UMC Utrecht / H.L. van Westreenen, Isala Ziekenhuis*  
15:00 **Break**

## Trials & snapshots – small country, big data

- 15:30 The power of Dutch snapshot studies in GI surgery  
*P. Tanis, Amsterdam UMC*  
15:50 The impact on daily practice of current Dutch trials in malignant colon and rectal surgery  
*J. Melenhorst, Maastricht UMC*  
16:10 Highlight & overview of trials in benign colorectal surgery  
*J. van der Bilt, Amsterdam UMC/ Flevoziekenhuis*  
16:30 **ESCP & ESBQ**  
*J. Leijtens, national representative ESCP*  
*D.D.E. Zimmerman, secretary UEMS Coloproctology*  
16:45 **WCP lecture**  
Evolution towards dedicated colorectal surgeons: problems, challenges and opportunities  
*M. Gerhards, OLVG*  
17:00 **Closing ceremony & “anti-file borrel” with a hot DJ and stunning views**
