8th NENEG meeting

Scandic Crown Gothenburg, Sweden
24-25 March 2022

We are pleased to announce the 8th Meeting of the Northern-European Neuro-Endocrine Group (NENEG), a forum for bringing together neuro-endocrinologists from Northern Europe to build networks across countries to facilitate clinical and scientific collaborations and to share experiences among young and renowned researchers in the field of neuro-endocrine disorders.

Scientific Planning Committee

Dominique Maiter (Brussels University Hospital Saint-Luc, BE), **Bruno Lapauw** (Ghent University Hospital, BE), **Jens Otto Lunde Jörgensen** (Aarhus University Hospital, DK), **Ulla Feldt Rasmussen** (Copenhagen University Hospital, DK), **Camilla Schalin-Jänntti** (Helsinki University Hospital, FI), **Saara Metso** (Tampere University Hospital, FI), **Helga Sigurjonsdottir** (The National University Hospital of Iceland, Reykjavik, IS), **Alberto Pereira** (Leiden University Medical Center, NL), **André van Beek** (Groningen University Medical Center, NL), **Jens Bollerslev** (Oslo University Hospital, NO), **Gudmundur Johannsson** (Sahlgrenska University Hospital Gothenburg, SE), **Pia Burman** (Skane University Hospital Malmö, SE) and **Charlotte Höybye** (Karolinska University Hospital Stockholm, SE).
